Rural Fire Brigade Seeks Volunteers

Gundiah Rural Fire Brigade Station Free Sausage Sizzle at 6.30pm. Wed 8 December 2010. All interested members of the public welcome. Commencing 7.00pm Special General Meeting. Followed by a 7.15pm General Meeting.

Gundiah RFB wishes all the Community a Safe & Prosperous Xmas & Happy New Year!

Phone Jenny/Brian 4129 3128.

Gundiah Place members and friends enjoy a day out at the Lavender Farm, near Kingaroy.

Have they been good?

Gundiah Community Place wraps up their year with a Cricket Day and Santa visit, but have they been good?

President Trevor Keightley tells it like it is... "G'Day for the last time for 2010. It does not seem 10 years since we said goodbye to the 90's, does it? It may be an age thing... I seem to remember that the school terms went on and on and holidays never seemed to arrive...

Well Behaved Bus Trip. Just like our last members... they *did finally* arrive but with *10 sec to spare* before we left at 6.30am on our marvelous adventure. Off to Nanango and Ringfield Historic House. The 1908 home and gardens have been restored by the council and volunteer group—what a credit to them! We were given morning tea—and not just one or two scones, but as many as one could devour... a certain member was noted as having 10! No name mentioned, but he slept well on our way to the next stop, the Lavender farm. What a paradise for the ladies! On to Mt Wooroolin lookout and then Kingaroy for 3 course lunch at the RSL. No time for a nanny nap, Bjelkie-Peterson Dam and then to Moffatdale Winery for a very enjoyable wine tasting with lecture on wines, followed by wait-for-it *more food*. Highly recommended. Oh, but wait, we still had to stop at Cheese World at Goomeri. Yes, we had a great day, why don't you come next time?

Attempting Sainthood. On Sunday 12th we will be having a children's cricket match starting at 4pm followed by a sausage sizzle and Christmas party. We would love to see all the kids from the area come as we have been informed by his helpers that St. Nicholas will pay us a visit!

Led Astray. On Friday, 3rd of Dec. we have our last social night of the year and then on Friday 17th, it's our annual Christmas Party. This year we have a Karaoke sing along so that will give us a chance to see who we can submit as next years X Factor nominee... we heard that Larry is a contender and Sandi could match her name sake Olivia from Grease.

Pastor Perfection. Finally as I mentioned last month, our group is made up of many characters! Believe it or not, one member we have found out is moonlighting as a minister of the cloth. Yes, The Reverend Peter is living amongst us. We have put a tail on him to find out more of the reasons and will give a report in the next issue.

Well, to finish off, myself, the committee and club members, wish you all a very, very, happy Christmas. May the New Year also brings you *more* happiness and good health!

As always, if you would like to become a member, please ask any member or ring Pauline on 41292504 for details.

Trevor Keightley, President.

Local Art Exhibit

The Tiaro Creative Arts Group is presenting *Hinterland Magic* at Gatakers Artspace until Christmas. The collection includes diverse works by 11 Tiaro artists specialising in painting, photography, printmaking, fibre art, pottery and ceramic sculpture. "Hinterland Magic' refers to our local area, however, the title was left fairly open because of the different nationalities in the group," artist, Ann Chan said. The group has been running for six years and meets every Tuesday to share ideas and support each other. Gatakers Artspace, Kent St, Maryborough, is open from 10am to 4pm Monday to Friday and 10am to 1pm on Saturday and Sunday. Entry is free.

Pamper Day a Success!

Gootchie QCWA

"Birds in the Bush Pamper Day" at Tiaro Memorial Hall, was a fabulous success. Thanks to our sponsors Fraser Coast Council & Queensland Health, and our generous presenters who gave of their time and expertise, we had over 200 ladies (and some gents) enjoying being pampered: hair cuts, massages, facials, Reike, Aromatherapy, demonstrations of Thai-Chi, Yoga and Line dancing, a free sausage sizzle with salads and fresh fruit platters and the usual CWA cakes and biscuits for morning and afternoon tea. Market stalls were set up on the lawns outside.

Cooking Contest. Our 2010 cooking contest was attended by, among others, Petrie Gardens residents. Our speaker that day was Carol Chapman, Community Liaison Officer for Dementia and Alzheimer's. She talks to community groups and holds training classes to assist carers. She gave us 7 tips to help the mind.

Contest judges were Estelle Robertson & Jan Martin from Miva QCWA. Val Brown and Lyn Kelman scooped the pool with an array of cakes and jams. Alan Rank won the "Any Other Cake" and Terry Tomsett won Sweet Mustard Pickles. (Now you know whose place to go to for morning tea!).

This month's events. We love to go to Petrie gardens to share Christmas Morning Tea and Christmas Sing-a-long. Our Final meeting, Dec. 7th at the Gympie Phoenix Hotel and lunch with the menfolk, wraps up our year for 2010. We wish all our readers of the Gundiah Gazette a very happy Christmas and a good New Year. From the Gootchie Girls

Gundiah State School

Getting stimulated!

Gundiah State School has been a busy place lately for workers and students. Recently completed and being tested out by the students is a 'fitness trail'. It is all thanks to Mrs Vicki Thompson who applied for a grant in 2009.

Concurrently, the new classroom is being assembled. That is thanks to a proposal submitted by past principal, Mrs Rita Ellen, and the federal government's economic stimulus package. Yet to be furnished and fitted out, we hope to be ready for the start of the new year.

Camp at Barambah Environmental Education Centre was a highlight for the students in November. Funds were raised by a variety of methods by the students and the P&C. Grade 1 to 6 attended, learned much about native plants and aboriginal culture – and they are still talking about it.

Coming up is our School Concert. It has been a stimulating year for myself and I look forward to the adventure in education next year. Thank you to my wonderful staff, the hardworking P&C, the many supportive parents, and of course, our students. *W.Greinke. Principal.*

Family Day Care Adventures

Three carers from the Tiaro district recently went on an excursion to the post office. (pictured right). The children wrote letters and put them in an envelope. Then on their excursion to the post office they bought stamps and posted them in the letter box. This excursion demonstrates our links to the Early Learning Years Framework which is being introduced to the Early Childhood sector over the coming years.

Few families these days have the luxury of either parent being able to stay at home to bring up the children, or having Grandma close by to help. Family Day Care is a home based child-care service providing monitored care within a family environment in the approved homes of engaged carers. Children are given the opportunity to mix with other children of a variety of ages in settings designed for play. Carers provide quality child care in a safe and warm environment.

Early childhood is an important stage in a child's education and learning. Church of Christ Care's Early Childhood Program promotes inquiring minds, a love of learning and supports children to become competent life long learners. In Family Day Care children learn

Carers on a recent excursion to the local shops in Tiaro.

through play and exploration with a small group of children. Carers provide experiences that are designed to meet children's individual needs and interests. Indoor and outdoor experiences may include story telling, craft, painting, play dough, sand and water play, climbing, swings and bike riding. There is a focus on family life and life skills such as gardening, posting letters, preparing snacks, and conversation at meal times. Currently Maryborough Family Day Care delivers quality care to 334 Families with 553 children with four centres in Tiaro.

Family Day Care is currently looking for Care providers in your area. Please contact our office on 41 224151 if you are interested in becoming a carer with our service.

FROM DARRYL'S DESK

Rounding up a team!

We've Got A Wicket. I think it is wonderful that, after the provision of a newly surfaced cricket pitch at Gundiah Community Place courtesy of the previous Tiaro Shire Council, we now have regular District limited overs cricket competitions there. That sort of activity builds a sense of really belonging to a community through socialising and healthy rivalry as well as developing skills and fitness.

We've Got Cricketers! A number our local cricketers have told me that they are very keen to play on a regular basis. On their behalf, I have spoken to Maryborough and District Cricket Association. President Wayne Sperling tells me that there could be an opening for a new team in the Maryborough Reserve Grade Competition for the last half of this season after Christmas, and that a combined team from the Gundiah/Munna/Theebine areas would be good.

Let's Go! We need a club and to get a commitment from cricketers to be able to field a team each week. Failing that, let's arrange some "Country Challenge" games at Gundiah where cricketers from Maryborough would come out for a "social" match when clubs have a bye or on a "Social Sunday".

If you are interested, please call me so we can get the ball rolling, so to speak. 0418 771 655.
