JULY 2010

## Mary River Bridge finally reopens

The Mary River bridge, a kilometre west of Tiaro on Mungar Road, reopened to motorists on Tuesday 29 June 2010 after 3 months of repair work.

Businesses in the Tiaro area reported a monthly loss in trade of around 30% due to the closure of the bridge, effectively cutting off residents west of the town.

All programmed and emergency works have been finished on schedule due to the hard work of two bridge crews who relocated from other sites and worked six days a week to accelerate the repairs. The Department of Transport and Main Roads which manages 288 bridges, including 92 timber bridges in the Wide Bay Burnett Region alone, advises there is no planning underway to replace the Mary River bridge. However, the Road-Tek timber bridge crews say they are leaving the site with a lot of respect for the original workers who built the structure some 80 years ago. In all, they replaced 370 deck planks, 22 girders, 25 corbels, 190 metres of kerb, one headstock and used 120 tonnes of asphalt to resurface the structure.

A further one-day closure is advised for the second layer of asphalt to be laid. This is normal road-building practice. A variable message board will be used to advise this date.

## Senior Week Writing Competition

**Senior Week, 13-29 August.** Over 50's are invited to submit a short story or poetry entitled "Fraser Coast Memories" to Julie de Waard, Seniors In Focus, Fraser Coast Regional Council, PO Box 294, Hervey Bay 4655, or email to [julie.dewaard@frasercoast.qld.gov.au](mailto:julie.dewaard@frasercoast.qld.gov.au). Entries should be no longer than 750 words, either typed or in legible hand writing and include name, address and phone number. Entries close 30 July 2010. The winners will be announced during Senior Week. Prizes include book vouchers. (Interesting fact: *People over the age of 50 make up nearly 45% of the population on the Fraser Coast.*)

## Local Trainer shines.

In a recent Dressage Competition at Nambour Showgrounds, local horse trainer, Sandra Trott, scored well with two 1st and two 3rd places.

Sandra trains her own horses 5 hours a day, runs a Training School for horses and riders at her family's property "SwingTime", manages the warmblood stud, and also works with the cattle. In her part time she also manages a successful I-Commerce business.

The Trott family have long been involved in performance horses and beef cattle.

## Have your say on planning for our region's future

The Fraser Coast Regional Council is eager to have input from the community on two key planning projects, which will guide the development of the Fraser Coast region into the future:

•**The Fraser Coast Community Plan** - is required under the Local Government Act 2009 and will guide Council's decision making over the next 20 years. The plan incorporates goals, strategies and key actions for the future economic and social well-being, our approaches to environmental management and our systems of governance.

•**The Fraser Coast 2031: Sustainable Growth Strategy** - which will give direction to defining a land use strategy and a strategic framework for the future Fraser Coast Regional Council Planning Scheme. The Fraser Coast 2031: Sustainable Growth Strategy will influence the development of a single planning scheme for the Fraser Coast Regional Council area.

### Community Surveys

You can contribute to these two projects by completing a Community Survey, found online or at the local library. <http://www.frasercoast.qld.gov.au/web/guest/fcr2031-have-your-say>. Residents who complete a survey (on line or drop a completed form into a

Council office) will go into a draw for a chance to **win a weekend for two at Kingfisher Bay Resort.**

Community input so far includes: attracting jobs, improving residential roads, entertainment (especially for young people) and talking to ratepayers.

### Community Workshops

Local Community Workshops will be held at Tiaro, (as well as other venues), where you can speak with the council members responsible for planning, get survey forms, and hear other interested community members. Light refreshments supplied.

•**Tiaro Memorial Hall** 5 July, 6pm-8pm  
More information is available on the Council's website: [frasercoast.qld.gov.au](http://frasercoast.qld.gov.au) or call the Project Hotline - 1800 080 468

## Council Service Champion Award

**Lesley Lennox** (Parks Maintenance) was recently recognised as FCRC's monthly Service Champion. Lesley has been the backbone of the Tiaro Depot for many years. Nothing is ever too much trouble, her kindness and thoughtfulness is greatly appreciated by her peers and members of the public alike.

## The Gootchie QCWA

*Water Tank Working Bee - from left Brian & Wendy Devine, John Kelman, Trina and Tony Hain.*

**What's been happening?** Other than  
attending International Days at Bund-  
aberg and Oakwood and visiting Petrie  
Gardens, we were excited that the new  
rain water tank was installed via a grant  
received from the FCRC. With help from  
CWA husbands and a load of crusher  
dust from Paddy Coyne (many thanks  
Paddy!), we saved the water from the  
old tank to pump back into the new one.

## Coming Up:

**Branch Meeting**, Monday 12th July-  
changed from the usual meeting time.

**Glenwood Market Day**, 17th July-we  
will have our jumble sale and cake stall,  
so come along and find us there.

**Combined Annual Meeting** with  
Bauple and Tiaro, 23rd July, 10am at  
Gootchie Rd, Gootchie. Join us for  
morning tea, then Councilor Barbara  
Hovard will chair the proceedings.

**Petrie Gardens**, July 16th. It's bound to  
be a fun time.

**Garden Party at 'Rossendale'** Octo-  
ber 9th. We are having a membership  
drive, and you're all invited!

## "Birds in the Bush" Pamper Day.

That's on Saturday 13th November at  
the Tiaro Memorial Hall. Last year it  
attracted over 150 visitors for a free day  
of pampering, so mark that one in your  
diary for November.

Till next time, enjoy your days and the  
fine weather! From the QCWA  
Gootchie Girls. *Pauline Keightley*

## Down Memory Lane Good ol' Wash Day

by Audrey Ward (nee Sorrensen)

Taken from her childhood memories.

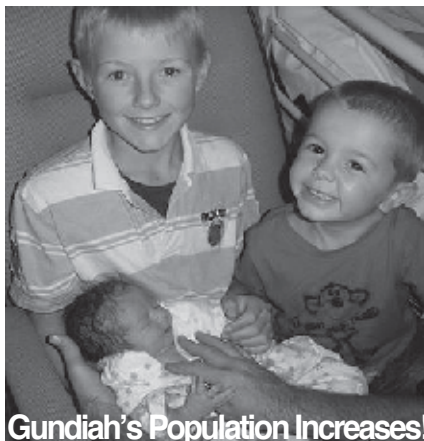

Most families had a clothes line stretched across the paddock near the house, it was made from 2 posts and a wooden bar bolted to each so it could be raised to put the clothes on one line then lowered to use the other side, a forked stick was used to lift the lines up and down.

Clothes were washed by hand using a bar of common soap (Barilla I think it was), they were then wrung by hand then put in the copper boiler to be boiled clean, shaved pieces of soap were added to the water.

The copper was either on a metal stand or set in a 44 gal petrol drum cleaned up for that use, a fire was lit underneath, after boiling the clothes they were taken out of the copper with a wooden stick then rinsed in clean water to get the soap out of them, whites were also rinsed in blue water (made from the Reckitts blue bag) which made them whiter than white they were then wrung by hand before being hung on the line to dry using wooden dolly pegs to hold them on the line.

In drought time Mum had to carry the clothes to the creek to wash them.

*That was life in the Good Old Days... or was it?? Thanks Audrey! We hope the automatic washing machine keeps working or Merv will have to start chopping wood.*

# GUNDIAH COMMUNITY CHRONICLE

GUNDIAH COMMUNITY INCORPORATE

Well, from the desk of the President to you our valued readers, G'Day again! Another month has passed and Christmas is getting closer... I remember when we were Schoolies the weeks just dragged on and on, but now, all too soon, it's Tax Time.

**Croquet Court.** You might have noticed that there was activity on the Croquet Court with the irrigation piping being installed. Next is the top, so each month we are getting closer to starting up a croquet club. If you are interested, it's time to start practicing.

**Night Out.** This month a most enjoyable evening was had at the *Fork 'n Film Night*, at the Majestic Theatre, Pomona. For those of you that didn't know such existed, and I was one, the community run the theatre, provide a country cooked meal and show a silent Black & White movie accompanied by an 8-rank Compton pipe organ. The movie we watched was 'GO WEST' with Buster Keaton – all for \$25 per person. If you really want a good night out for a reasonable price we certainly recommend this to you! Watch out, as I'm sure we will be arranging another night during the year.

**Jazz-a-size, Laugh-a-size.** For those liking to do some exercising with laughter & fun, our Jean Davies has commenced such with our "wii system". It's on a Wednesday morning at 9am, give her a ring on 41293293 if you are interested or want further details.

**Worker & Foreman Saga.** I nearly forgot to tell you the latest on the worker and the foreman - as you will recall the Foreman provided an all-expenses-paid trip for the worker to Fraser Island - he was to have 5 star accommodations at the Lighthouse resort, however, according to the islanders, when he got off the barge he turned right instead of left and ended up at the south end of the island, he was redirected north along the beach and was last seen digging for worms and pippies. As he had no fishing rod, it was presumed that this was his diet for the trip and if you see him he may appear to have thinned down quite a bit. We will keep you advised of his adventure.

**Come on down!** So if you are interested in coming to the club or like to join in any of our activities we would love to see you, membership is only \$5 a year.
