

GUNDIAH GAZETTE

GUNDIAH & SURROUNDING COMMUNITIES

SEPTEMBER 2010

A motley crew: the Theebine Smashers, winners of the Australia Day Cricket Match, 2010.

Howzat? It's here again!

Not too long ago, our community had a number of cricket teams...from the Munna Creek Mob, that brought fear to the faint-hearted, to Gundiah, Tiaro and Theebine's social cricketing crowd, who didn't mind a few beers for morning tea.

Reviving our heritage couldn't be a bad thing, could it? Munna Creek, Theebine,

Glenwood, Gundiah and Tiaro are determined to get that community spirit back again. Theebine Hotel Team won the Australia Day Cricket Match in January. It couldn't be left at that...so the battle for local fame and honour is ON AGAIN!

Round 2: Community Cricket Match.

Where: Gundiah Oval - 'Purple Place'

When: Sat, 12th September 8am on

Who: Gundiah, Theebine, Tiaro, Glenwood, Munna Creek mixed teams. 12 & over.

Morning and afternoon tea are available and Sausage Sizzle for lunch.

Your job: Come along and support your local team and enjoy the tradition! (It seems that deck chairs, cold boxes, sunscreen and sunshades were the order of the day.)

The next match will be held at Munna Creek, at Theebine in April, and we hope there will be an Australia Day match somewhere in between. Players to be of high school age or over, but later on we will need some kids teams to show us how it's done.

For more details and info on how to get in the teams contact: Pauline Keightley 4129 2504 or your local community group.

January: Claudia Kroenert goes out with style.

Gutchy Bridge Petition

Please take some time to add your signature to the petition for a pedestrian walkway across the single lane bridge at Gutchy Creek, Gundiah. Petitions are located at the **Tiaro Library, B&H Rural, Gundiah Pub, and Macadamia House at Bauple**, and will be there for the month of September. This bridge is tremendously dangerous for the school children crossing it at commute time, and the community is concerned that it will take a fatality to get something done.

If you have a story about a near miss, or have ideas for a solution, please contact the Gundiah Gazette.

Tomorrow is a New Day

"While most are dreaming of success, winners wake-up and work hard to achieve it." **Is it time for a new better looking, better feeling you?** Why not start with just one hour a week?

Every Thursday 5.30pm-6.30pm in the Tiaro Memorial Hall a small group gathers for one hour exercise class. The class is self-paced and only \$10, which covers the cost of the hall hire. Come along and get the ball rolling on the new you!!!! Call Mark on 0427784543.

It is not just 'Business as Usual'

The Tiaro Chamber of Commerce is not as boring as you might think! In this district, they were excited about having their say on the Fraser Coast Community Plan & Fraser Coast 2031 Sustainable Growth Strategy, for you.

- They have been acting on behalf of the district, lobbying for improved water and sewerage, a medical centre and a new bridge.
- They organised a Field Day, and were awarded 'District Community Event of the Year'.
- They instituted the new free, "tear off" District map, and members have received recognition as overall Fraser Coast Trade Business of the Year, and taking out the Encouragement Award for Tiaro and District.
- They sponsored nomination of our local towns and villages in the Queensland Tidy Towns Competition.
- They have involved the community in turtle recognition and recovery from near extinction.
- Their objective is to develop and improve sustainable and profitable business opportunities in our community.
- They rub shoulders with all types: **primary producers, tradesmen & women, small to large level business representatives, community leaders, recipients of Churchill Fellowships, media reps, pollies; good & bad, even people who are not in business** but who are interested in seeing the region grow and prosper, join in to support the district.

You can join in too. Membership is minimal, the next meeting Tuesday 21st September 2010, 7pm @ Tiaro State School Admin Building. Toni. 41 292107

The Gootchie QCWA

Gootchie Girls Clean Sweep

Well, we did it! We wiped the floor with our entries in the Divisions Finals Day in Bundaberg. AND own Katrina Hain won 'Division Country Woman of the Year'. She will go on to compete for 'State Country Woman of the Year', judged in October at Brisbane.

Also during last month, Lyn, our secretary, was on her way to Brisbane with 20 toiletries bags for the ladies at the Pindari Women's Shelter.

New President: Our combined annual meeting with Tiaro and Bauple saw Wendy Devine voted in as our President, Lyn Kelman as Secretary, Katrina Hain as our treasurer. Change of International Officer for the next year was Grace Rae (welcome back Grace), with Val Brown as Vice President.

FCRC Seniors Morning Tea. We had 60+ seniors at Gootchie QCWA Rooms including a coach bringing residents from Petrie gardens and Fairhaven. It was a lovely morning, perfect weather and lots of talking and laughter.

Branch Meeting. A MUST! Our next meeting is September 14th. 9.30am.

Scrapbooking Day, Saturday, 18th September 9.30am. If you need more of a fix, at our **Garden Party**, October 16th, Coral will be giving another Scrapbooking demonstration. Hope you will come along to see what QCWA is all about and enjoy afternoon tea and tombolla with us. (More details on that one later.)

Annual Scrabble Challenge. Calling all Scrabble Hounds - it is on again - 9am September 30th. It's a fun day of 4 games of Scrabble, Morning Tea, our usual scrummy Lunch and Afternoon Tea, all this for \$8.00. What could be better than that, and don't worry about winning the 'wooden spoon', I usually win it!

Bird's in the Bush FREE Pamper Day. Once again we will be out to Pamper all the ladies of the district (and men too!) on 13th November @ Tiaro Memorial Hall. *More details closer to the date.*

If you have any enquiries about anything just ring Lyn our secretary on 4129 3212. So that's about all for this issue. So take care and live every day to the utmost.

Yesterday is History — Tomorrow a Mystery — Today is a gift — That's why it's called the Present.

Take care, from QCWA Gootchie Girls
Pauline Keightley.

GUNDIAH COMMUNITY CHRONICLE

GUNDIAH COMMUNITY INCORPORATE

G'Day to you all on this first month of Spring! Time to warm up!

Social Nights: Life at the club has been in winter mode: doors closed after dinner and a game of darts with the heater on. Somebody must have 'fixed' the dart board because each game gets longer, and longer... every player ends up shooting for that dreaded "double one" to finish the game, *we can only hope to get better.*

Croquet: The court was top dressed and grass seed planted, and guess what, it rained 80mm the day after - not good for the seed. I would think it is now flowing down the Mary... We also put a "please don't cross here" tape around the court as a horse and rider were seen using it as an exercise yard and hoof prints and croquet balls don't mix.

Wii a lot! Don't forget if you want to get fit and have some fun come along to Jean's Wii exercise's at 9am Wednesday mornings. Ring Jean on 41293293

New Stuff. Down Memory Lane stories are one step closer to being put to print in book form with the *Wide Bay Volunteers* donating a computer and printer, for which we thank them very much.

The Worker and the Foreman. Well, it never ceases to amaze me how two people can get themselves into so much trouble! Their latest project was to move a log in the dam so that the turtles had a place to sun-bake well away from the edge. The Foreman ordered the Worker in to put a chain around the submerged log, the Worker refused as he could not swim, so the Foreman sent him for a towel. Whilst gone the Foreman impatiently dived in and worked the chain around the log. The Worker returned just as the Foreman came up for air, but being a bit well-you-know-what-I-mean, grabbed a piece of timber and hit the Foreman solidly on the head, with 3 bumps on his skull to prove such. When interrogated by the secretary who consequently had to fill in all the Workplace & Safety paperwork as to why he took such drastic action, he calmly responded that he thought it was a monster rising from the water and he thought it may have eaten the Foreman! YEAH, YEAH can you believe that????

If you would like to become a member or would like some details, please ring the Secretary Pauline on 41292504.

Trevor Keightley, President

CHURCH NEWS

Support for families!

With the family life breaking down and life itself becoming more complicated, there is a great need to return to the good, simple moral values that the Bible advocates. There was something to be said about the 10 commandments and the Wisdom of Solomon...if we were to follow them again I believe that quality of life would return to our planet.

Join us for all our community activities:

Bauple Sends Butcher's Block To Barcaldine

When a Barcaldine butcher, Mr. M. Esmond, recently required two new blocks, he found a newspaper advertisement the only way of communicating his needs. Advt. was read by Mr. Geo. Keogh, of Bauple, who proved that this area has everything. He selected fine boxwood, had it carted to Tiaro railway yards by Mr. Richard Bales, and on the railway ramp, he sawed from the log two good blocks by hand. In the picture is Mr. Bill Henderson (left) who gave a welcome hand, with Mr. Keogh leaning on one of the 3ft. 3" blocks. The blocks went to Barcaldine by rail.

Down Memory Lane

Brayshears Butcher Shop in Gundiah is pictured in front of the Hall 1957. The lot was subdivided from property granted by deed to Charles Scarrott, the original Hotel owner. It was transferred to at least 3 other parties before the Brayshears purchased it in 1937.

The Butcher Shop

Excerpts from our good friend Lillian Coyne's history files.

Today when you enter a butcher shop you are surrounded by stainless steel, glass fronted display units filled with attractive presentations of all descriptions, everything is refrigerated, the floors tiled and the butcher's in spotless clothes and wearing latex gloves. IT WASN'T ALWAYS...

Before refrigeration, as you entered the shop, you saw the round butchers block in the centre of the shop, a metal bar in the background with the butcher's hooks hanging the carcasses of beef, pork & mutton. The floor was covered with a thick layer of saw dust and the butcher wearing his blood-stained blue and white striped apron. If the customer required a pound of steak or a roast, the carcass was removed from the bar and the required piece of meat cut off, weighed and wrapped in white butcher paper.

The cost of meat was a lot different to today too: 1lb of sirloin steak 7d (6 cents), 1lb of sausages 6d (5 cents), 1lb pork chops 8d (7 cents).

Grey Box timber made excellent butchers blocks, these blocks were scrubbed clean at the end of the day. (See paper clipping)

During World War II meat was rationed as well as sugar, tea, butter, petrol and clothing. You had to present ration coupons as well as the required amount of money to purchase these items. At one stage during the war Mondays were proclaimed as MEAT-LESS DAYS.

In the Country, meat was delivered on Tuesdays, Thursdays and Saturday there was no refrigeration so the fresh meat

had to be cooked the day it was delivered, it was then placed in a meat safe, generally a hanging safe in a cool area. The corned meat could be kept for a while before being cooked.

Hopper had a butchers shop in Tiaro, later owned by Bates and Wagner, then Bezant and Wagner, then Jack Wagner. Connors butcher shop was owned by the Connors Family and still is. Mr Hopper built the first shop in Bauple which was the Butchers shop opposite the Bauple School house. Connors had a butcher shop in Bauple as well on the corner of Main and Band Hall Road. The meat was delivered from this shop to the townspeople by lads on horse back, carried in large cane baskets. One of the lads was Archie Brown and another, I think, was Cliff Buckingham. The Paterson and Gundiah areas were served by Hales Brothers, butchers from Paterson and later Brayshears butchers shop in Gundiah.

Crunch time for wild Macadamias

Bauple is famous for the Macadamia Nut (aka Bauple nut), a Q150 icon and the only native indigenous food export out of Australia. **The Macadamia Conservation Trust** is keen to preserve our native macadamia trees, have just received a \$70k grant from Horticulture Australia and are partnering with councils where the native trees are still found. The Scenic Rim and Gympie Regional Councils are enthusiastically on board. MCT is talking with other councils and are eagerly awaiting a response from Fraser Coast Council.

Macadamia House supports the Trust through the sales of their beautiful 2010 calendar. See 2011 calendar out soon! For more information or to understand how you can also help save Australia's iconic nut visit www.macadamias.org/pages/macadamia-conservation-trust.
