GUNDIAH & SURROUNDING COMMUNITIES

MARCH 2011

## Clean Up Australia Day – March 6

Set the morning of March 6 aside for Australia's largest community participation event - Clean Up Australia Day. You can participate locally in two ways:

1. Clean the public roads, parks and waterways near your own properties.
2. Participate as a volunteer with FCRC organised sites: Anzac Park, Elizabeth Park, Petrie Park (Oakhurst), **Teddington Weir**, Maaroom, Sunrise, & The Wharf.

Fraser Coast volunteers can register online [cleanupaustriaday.org.au](http://cleanupaustriaday.org.au), call 1800 CUA DAY (1800 282 329) or can register on the day at the Fraser Coast muster station:

**Maryborough:** Anzac Park, Cnr Alice and Cheapside Streets, 7am to 11am. Wear gloves, a hat, sturdy shoes, sunglasses and sunscreen.

A free BBQ will be provided at the muster stations for all volunteers after the clean up.

**Note: Gundiah School's Clean Up Day is Saturday April 30th.**

## Pest Animal and Weed Field Days Open To All

**Interested in controlling plant and animal pests in urban and rural areas?** Pest Control Field days are at Woocoo, Tiaro and Howard where Council staff demonstrate pig, wild dog and fox trapping methods and weed control techniques. Fraser Coast Regional Council Land Protection Officer Juliet Musgrave said town and country residents are encouraged to attend because plant and animal pests recognise no boundaries.

"We will also have a display of live weeds for easy identification and free fact sheets and booklets that people can take away with them," she said.

**The local field day will be held from 10am to midday on Saturday 19 March at Tiaro Memorial Hall;** Each Field Day finishes with a free barbecue and drinks.

## Tiaro Medical Centre

**With plans submitted and the commencement of talks with local doctors and pharmacies, the Tiaro Medical Centre is now projected to open September 2011.**

Local president of the Tiaro & District Chamber of Commerce, Darryl Stewart, is also on the consultative committee for the Tiaro Medical Centre. He reports, "The plans for the Tiaro and District Medical Centre have been drawn up and are currently being approved by Council. Refurbishing work will commence very soon and the good news is that the Centre is scheduled to be finished before the end of September. The Centre will include provision for a pharmacy, general practitioners' rooms, a small operations room and rooms for visiting consultants. We believe that it will be a real life one stop Medical Centre."

Members of the consultative committee to date include GHD Pty Ltd – Project Architects; Councillor Linda Harris; Peter Smith, Director Community & Development; Debra Moore, Executive Manager Community & Culture; Tracey

Genrich, Manager Economic Development Projects; Daryl Stewart, Tiaro Chamber of Commerce.

Councillor Linda Harris stated that FCRC is in receipt of the first installment of the federal funds.

Consultation has commenced with the existing service provider, Dr Michael Monsour of Monsour Clinic, with a view to discussing future management options for the facility once construction is complete.

The Concept Planning phase of this project is now complete and will be progressed to the detailed design, tender and construction phases of the project.

Interestingly, Burnett Heads pharmacist Fazel Tim has been granted the sole licence by The Australian Community Pharmacy Authority to open a pharmacy in Tiaro. However, Mr Fazel stated in Sept 2010 Chronicle: "We've actually entered an arrangement to use the former coffee house cottage just off the main street." The projected opening was December 2010.

*Below: Tiaro Medical Centre plans presented in latest council report 16/2/2011.*

# GUNDIAH COMMUNITY CHRONICLE

GUNDIAH COMMUNITY INCORPORATE

G'Day to you all, by the time you read this Pauline and I will be on the high seas sailing around New Zealand with P&O. I have no desire to be caught in a cyclone even though I am a Pom and we found Australia.. Ha Ha! Don't forget we also found Gavin! (Nearly forgot)... We got a phone call as we started our holiday, it went like this: "Gavin here, you know the 3 ducklings that you asked me to look after... there is another 15 turned up, what will I do with them?" He was told to let them go with the mother duck and that duckman Dave will arrive tomorrow. Another hour passed and the Captain paged us to say he had a delirious man on the phone who wanted some advice, "How do I know who the mother is? There are 22 ducks!" and you can imagine the answer he was given. Dave the Duckman did arrive and got the ducklings under control but he told me it was a laugh-a-minute; Gavin did not want to touch them incase they bit him - so he laid in my Aloe vera and made noises apparently. Now, I'm sure you think I'm making this up, but I can assure you it's all true! Remember the story of last year when he saw the monster coming out of the club dam and he ran? You get my drift... and we still have 3 weeks to go.

**CLUB NEWS.** Well, we have dried out and have the grounds back to normal, we've had our first meeting of the year and passed the events program for the year! See attached. You will note that we have some very interesting speakers for the year, a dinner-trip to the Silent Movies at Pomona Cinema, the annual Bus Trip, and a few kids activities! If you are interested, we would love new members to attend - it's only \$5 per year per person - ring Pauline on 41292504.

Jean has started up her Wii Jazz-a-size Laugh-a-size again on Wednesday mornings-call Jean on 41293293.

To those members blessed over the Christmas Break, we hope you are now uplifted. Interestingly, we have a man of the cloth join the club. Yes, the Rev. Peter performs wedding ceremonies and most importantly "confessions & subsequent guidance", all for a small fee... to keep him in the life style he is accustomed to. So that's all the news for now, and I'm off for a gin & orange, hoping the sea stays calm.

Trevor Keightley, President 41292504.

## FROM DARRYL'S DESK Your Chamber at work!

**Discovery Trails.** The Tiaro and District Chamber of Commerce is working with Council on some Fraser Coast Country Discovery Trails designed to direct tourists to the major attractions of our region. We expect the first of these to be available for tourists, and even locals, in the near future.

**Tiara Field Day.** Amongst other things, the Chamber is also busily organising the Tiara and District Farming Lifestyle Field Day, an event held every second year, in conjunction with the Tiara and District Landcare Group. The event has been a huge success every time it has been held with more than 1500 people attending in 2009. More people are expected this year. June is the month, so watch this space for further details.

Cheers. *Darryl Stewart, President  
Tiara & District Chamber of Commerce.*

## Tiara Farming & Lifestyle Field Day

SATURDAY JUNE 25TH is the date claimer for this year's Field Day. **Energy efficiency** will be a theme and there will be many opportunities for you to discover how much energy appliances, pumps and farm equipment use. Any reduction in energy consumption is dollars in your pocket. Managing cattle health, dog agility displays and a Led steer competition are being organised. Updates included in the next Gazette.

Businesses and community groups will soon be contacted by the organising committee with regard to operating a stall/display, sponsorship or assisting with some aspect of the event. However, there is no need to wait for us. If you wish to be involved, businesses can contact Toni Hume at B&H Rural 41292107; community groups can contact Marilyn Connell on 0427293221 or leave a message on 41296206.

The Field Day will be held at the Tiara Recreation Grounds. It's a fun day where you get the opportunity to increase your skills and knowledge. This event is jointly organised by the Tiara Chamber of Commerce, Tiara School P & C and Tiara Landcare. Our next meeting & AGM will be held on 16th March, 7.30pm at Tiara State School. All welcome.

*Marilyn Connell, Project Officer, Tiara Landcare*

## COUNCIL MEDIA RELEASES State Electoral Boundaries

The Fraser Coast Regional Council will ask the State Government to introduce electoral boundaries at the next election due in 2012.

The move follows a two-week-long public consultation program during which received 1,105 responses to the survey; which represents 1.71% of the 64,801 electors of the Fraser Coast.

Of the responses 81% (895 responses) supported divisions, with 19% (210 responses) supporting no divisions.

Of those in favour of divisions 52% supported multi-member divisions while 48% supported single member divisions. Council sought feedback from residents in response to recommendations from the Law, Justice and Safety Committee review of the local government electoral system. The committee is recommending that local governments with a population of 30,000 introduce a divisional structure, unless it can be demonstrated that the community does not feel that it is in its interest.

Council will now send a submission on the future composition and structure of the Council to the Minister Local Government, Paul Lucas by 1 March 2011.

Only the Minister can apply to the Change Commission to assess altering a local government's electoral boundaries. As part of its assessment to decide if the proposal is in the public interest, the Change Commission may call for submissions and hold a public hearing to gather feedback.

## More funds for feral animal bounties

An extra \$5,000 will be put towards feral animal bounties by the Fraser Coast Regional Council. The FCRC agreed to boost funds available for the program which encourages landowners to assist Council in controlling feral animals.

The scheme has been extremely successful with 21 residents participating in a trapping program which has resulted in the culling of 439 feral pigs and 35 feral dogs and the payment of \$6,680 in bounties from June to December 31, 2010. Feral animals were captured at Teddington Road, Tinana; Wilson and Netherby Roads, Tiara; Cunningham Road, Bauple; Glenbar Road, Brooweena; Old Gympie Road, Gundiah; Yerra and Harris Roads, Yerra and Dunford Lane at Grahams Creek.

## Gundiah State School President Please!

Gundiah State School P&C are asking for interested community members to fill positions as President and Treasurer. For more information please contact Mrs Jackie Schiefelbein 4129 3136 or Mrs Geraldine Keliher, long standing members of the P&C.

## Gootchie Gossip

QCWA Gootchie branch hosted the Burnett Division CWA Executive meeting, on the 18th February, catering for over 60 delegates.

We also prepared and delivered another 46 'Pamper Toiletry Bags' for Pindari Lodge in Spring Hill, Brisbane which is run by the Salvation Army for homeless Women & Children. These Toiletry Bags are always received with much appreciation from the Salvation Army Staff when I deliver them.

This month's activities include: Our QCWA Meeting at our Gootchie Rooms (9.30am Tuesday March 8th), Scrapbooking (9am Saturday, March 12th) and our visit to Petrie Gardens Retirement Home (March 25th).

Our Guest speaker at the finals of our Knitting & Crochet, Floral Art and Photography Competition on Thursday, March 24th, will be Mrs. Barbara Paterson. Everyone is welcome to come along and enjoy the morning tea, lunch, tombola and a day of friendship. \$8.

## Down Memory Lane Pioneering Days in the Miva District 1859

When Sir George Bowen was installed as first Governor of the new State of Queensland, there were no white men living in what is now known as the Miva district. The area was leased by the owners of Gigoomgan Station but it was completely undeveloped. Mount Bauple, Kanyan Mountain and the Urah Range stood sentinel over virgin land, scrub and forest. Tribes of Aborigines roamed the district living off the land as their ancestors had done for centuries, unaware of the existence of the white man who would soon put their hunting grounds to uses of which the black man never had ever dreamt. Some of these men were already in Queensland others had still to make the long journey from the British Isles or Europe.

*This happened only 151 years ago!*

## Did you know?

- The first settler to settle in Miva was John Townsend Atherton born in Wiltshire, England in 1837.
  - The Dickabram Bridge, built by McDermott and Owen, was completed in June 1886. It stands 23m above the water, is just over 200m in length and is the only rail/road bridge built to its design in Queensland. The bridge took four and a half years to build. The work-force must have been rather large as three hotels and a general store was built to cope with their requirements.
  - Information shows that Tiara Post Office was established on Oct 1st 1886. It was one of 93 offices existing in the state at that time.
  - It was shown in the PMG report for 1883 that four telegraph wires were erected between Gympie and Tiara in June that year, the four wires were extended from Tiara to Maryborough on the 14th July 1885.
- There will be more local history next month, but please send us your pioneering history: [gundiahgazette@gmail.com](mailto:gundiahgazette@gmail.com). **Gundiah Community Place is documenting local histories for posterity. You don't need to write it, we will record it for you! Just call Pauline or Trevor 4129 2504.**

## Guess Who?

*Pictured Right.* See if you can work out **who** the local identity was. Work out **where** he was and **which year** it might have been. Email your guess to [gundiahgazette@gmail.com](mailto:gundiahgazette@gmail.com).
