COMMUNITY NEWS ACROSS THE TIARO DISTRICT

APRIL 2011

Tiaro Pharmacy open for business

Tiaro's long awaited pharmacy is open for business, promising pharmaceuticals at prices that compete with Woolworths & Coles, and an attitude of 'we aim to please'.

Open since 11 March, but with signage, some shelving and EFTPOS still to be installed, Tiaro Pharmacy is eager to assist its customers.

Pharmacist Fazel Tim is no stranger to opening small rural pharmacies aimed at identifying and serving the local community's needs. "We need a little time to get to know what our community wants in both over-the-counter and prescription medicines so that we can supply them readily, keep our stock moving and the prices competitive," said Mr Tim. "Our staff are ready to help you, so *please* ask us, email or call us to check if we have the stock. We will make every effort to have supplies in the very short term."

Hours. Situated in the former Tea & Coffee House, the pharmacy is open **Monday to Friday from 9am-5pm.** The store is closed during lunch 1-2pm.

Stock. The pharmacy carries good quality generic and some brand items, no gift or photographic lines, but do offer good discounts and specials. Offers included Paracetamol 100s for \$2.50, and Dishwashing Liquid at \$2.50litre.

Prescriptions. eScripts are not available at present. Repeat prescriptions phoned into Monsour clinic will be dropped off at Tiaro Pharmacy at the end of each day. In most cases they will be ready for collection the following morning. Again, if you are filling your prescription at Tiaro for the first time, it might pay to call, fax or email ahead to allow time to order in the appropriate medications.

Flu Clinic. Customers can register for Flu Vaccine at \$30 per person. 20 places are available, but hurry.

Contact Details. Phone numbers are listed incorrectly on WhitePages. *Please remember, Cash Only until Eftpos is installed mid month.*

ANZAC DAY FACTS

- ANZAC stands for Australian and New Zealand Army Corps. The soldiers in those forces quickly became known as ANZACs, and the pride they took in that name endures to this day.

- ANZAC Day marks the anniversary of the first major military action fought by Australian and New Zealand forces during the First World War.

- The Australian and New Zealand forces landed on Gallipoli on 25 April, meeting fierce resistance from the Ottoman Turkish defenders. What had been planned as a bold stroke to knock Turkey out of the war quickly became a stalemate, and the campaign dragged on for eight months. At the end of 1915 the allied forces were evacuated, after both sides had suffered heavy casualties and endured great hardships.

- The Allied Gallipoli casualties included 21,255 from the UK, an estimated 10,000 from France, 8,709 from Australia, 2,721 from New Zealand, and 1,358 from British India.

- During the 1920s ANZAC Day became established as a national day of commemoration for the 60,000 Australians who had died during the war. In subsequent years the meaning of the day has been further broadened to include Australians killed in all the military operations in which Australia has been involved.

- Tiaro RSL holds a Dawn Service at 6am on ANZAC Day to remember local men and women who have served our country. LEST WE FORGET...

FROM DARRYL'S DESK Objection to Electoral Division

Electoral Unrest. After the majority decision by Council to recommend that a divisional election be held in 2012, the members of the Tiaro and District Chamber of Commerce, after robust discussion, voted unanimously that an undivided electorate be retained in the Fraser Coast for the next Local Government election.

Accordingly, the members sent a letter to all Fraser Coast Councillors outlining their concern, the disadvantages to the rural communities, the irregularities of their vote, and requesting them to reconsider the issue.

Tiaro Farming & Lifestyle Field Day. Thoroughly recommended to ALL – farmers, graziers, rural residential families, townspeople – there will be something there for everyone. More than 1500 people attended the last Field Day two years ago. We expect a larger attendance this year.

Tiaro Medical Centre: tenders for construction are out now. Completion is still scheduled by end of September. Negotiations are being held at present with general practitioners and we are very confident that we will have a full time permanent medical practice in residence.

Opinions Wanted. Tiaro Coal.

Do you think it would be a good thing? Do you think it would harm our environment? Would you be happy living next to a coal mine, either on your property or your neighbours? Do you think that a mine would contribute to the economic development of our rural region? Do you think that coal mining would create permanent employment for, and attract many people to our district?

If you have an opinion regarding coal mining in our area, please contact Darryl Stewart, TCC PO Box 128, Tiaro Q 4650 or stewart@kewpie.com.au.

Recreational Hunting controls feral animals

After catching images of a wild Red Deer stag on a motion-activated Game Camera he'd set over a water hole in March, Gundiah resident Graham Cash has been mighty patient waiting for the 13-pointer to show himself in the same location. At sunrise on Sunday 27th, Graham got within 30 meters of the stag and shot him with one arrow from his compound bow. The stag of around 130 kilograms was in fine condition and apparently very good table fare.

Red deer (*Cervus elaphus*) are a Class 2 Declared pest in Queensland and property owners/managers are required to control their numbers. This can be successfully managed with recreational hunting.

Anyone interested in Archery, hunting or controlling/managing wild deer on their properties can call Graham at home on 4129 3218 or at Sioux Archery on 4129 3214.

GUNDIAH COMMUNITY CHRONICLE

GUNDIAH COMMUNITY INCORPORATE

G'Day to all our readers on this cool Autumn-like day. It reminds me of school, and seniors...I can remember when I couldn't wait to be a senior, then you could tell the young ratbags off and report them to the teacher... Now I really am a senior, must be why I like telling the worker off, sort of sense of power...Ha, Ha!

My Love of Scotland—Last month after our meeting we had a wonderful presentation by Ina Greham entitled such. In 2009, Ina returned to her homeland, travelling to Ireland, England and Scotland, through the Locks and the Hill Country... it brought back memories to all of us who'd travelled that part of the world. In fact she showed a picture of the Falkirk area where Pauline and I were married 52 years ago. Thank you Ina!

Flying High. This Friday evening (1st April) we have Shawn Kelly giving a talk on Flying. We look forward to hearing his thoughts on parachute jumping from perfectly good airplanes.

Easter Egg Hunt. For some fun for the big and little kids, we are having an Easter Egg Hunt on Easter Sunday, 24 April. It's at 4pm and there is a BBQ to go along with it. Burgers and drinks will be on sale, so Mum won't have to cook. It is a nice time for families to get together at the end of the school holidays.

Club Business. The replacement water tank has been delivered and quotes have been forwarded to the council for action. We have the Insurance assessor inspecting this week, so we hope we have a valid claim regarding water damage to our pool table.

Silent Movies. The numbers are increasing for Thursday 2nd June, Dinner and Silent Movie at Pomona. Son of the Sheik starring Rudolf Valentine is showing, cost is \$32. If you have not booked please contact Pauline 41292504. ASAP

ANZAC Day. April 25th is very important in ours and New Zealand history. Please attend a Dawn Service in your area – it's the least we can do to show our respect. Lest we forget...

Trevor Keightley, President 41292504.

More airline seats for Fraser Coast

The impending arrival of bigger Qantaslink aircraft to service the Fraser Coast has been welcomed by the Fraser Coast Mayor Mick Kruger.

"Tourism is a very important sector of our economy so anything that helps bring more people to the region is very welcome, especially as we reinvigorate the industry following the recent floods and Cyclone Yasi."

Qantaslink announced that it will add about 5,000 seats across a range of Queensland regional routes including Hervey Bay, with the arrival of another new flagship Bombardier Q400 aircraft from 6 April 2011.

"The Fraser Coast will gain an extra 604 seats per week, an increase of 30%, with more services operated by the new 74-seat Q400 jet-like aircraft."

Eisteddfod 2011

You should set aside the two weeks from 11 to 24 April for a musical extravaganza that you will not want to miss.

The 118th Heritage Queensland Eisteddfod Fraser Coast 2011 takes to the stage at the Brolga Theatre offering a feast of choral singing, solo items, instrumental and speech and drama items by hundreds of quality performers. More than 800 singers will compete in the choral events alone.

Art and Books

Gatakers Artspace will be abuzz with artwork and literature on Friday night (1 April) with the openings of the Maryborough **Youth Week Art Exhibition**, an exhibition of paintings called **Melting Pot Art** by the Tuesday Art Group and the launch of the book **African Honeymoon** by Maryborough authors Gordon and Marian Burridge.

Bay Triathalon

After 10 years the Bay Tri is back thanks to 2XU! Sunday 1st May: up to 800 individuals and 150 teams competing. Enter at www.herveybaytri.com.au.

Ulysses Club

The Ulysses Club, a motorcycle club for mature riders established in 1983, has chosen the Fraser Coast as the venue for its 30th anniversary AGM event in 2013. 4000-6000 members are expected to attend, creating wonderful opportunities for the local tourism industry.

Gootchie Gossip

March / April 2011

Well I'm back on track after a lovely holiday, and back just in time to enjoy a lovely day at Gootchie last Thursday. It was our K&C which is **Knitting, Crochet, and Floral Art & Photography**. It was a lovely, well attended, fun day. Even better for the fact our air-con was working a treat!

Delores Green, Grace Rae, Lyn Kelman, Katrina Hain, Coral Ross and myself, Pauline, were all winners. The Judges were Ian Smith for Photography, Floral Art & K&C-Verna & Elaine from Gympie Branch with Steph, from Miva Branch. All gave us some good tips on how to improve our entries.

The morning tea and lunch were up to the usual Gootchie Girls Standard. Apricot Chicken, Beef in Red Wine with steamed rice, then pizza.

Barbara Patterson gave an informative talk on her visit to Russia showing books and many artifacts from that country—the dolls and pictures of the amazing gold Palaces.

Six of our members attended the Division **International Day** at Howard where East Timor is our Country of Study for 2011. Competition information has already been distributed to schools and we look forward to wonderful artwork and projects and prizes.

Our next **Scrapbooking** morning with Coral will be April 2nd at our rooms, so come along with some favorite photos and see how easy it is to make them look attractive in a album.

On Friday, 8th of April we will be along to the Bauple Band Hall to join the CWA Bauple Babes for their **Easter Tombola**. It's at 7.30pm and always a good night!

The next day, Saturday 9th, we will be off to Gunalda Hall with CWA Miva Misses, wearing our Easter Bonnets for their **Easter Parade and Silent Auction**. We're planning to buy up big at the Trash & Treasure. Why don't you join us?

So that's about all for this issue of the Gundiah Gazette so till next time take care and remember

Kind Hearts are in the Garden

Kind thoughts are in the roots.

Kind words are in the Blossoms.

Kind deeds are in the Fruit.

Down Memory Lane *The Lone White Horse*

MIVA HOMESTEAD 150YRS 1861-2011

The original leaseholder of the Miva area was Mr. E. Scott of Ipswich. Little is known of Mr. Scott or the date he took it up. We do know the lease was then obtained by the Gigoomgan partnership in the 1850s, but up to the time that John Townsend Atherton took over the property in 1861, it had not been put to any use. The land was totally isolated, wild and undeveloped but considered the finest cattle country with natural advantages for the fattening of cattle.

The native population were fairly numerous and the area that Atherton settled was part of the Kabi Kabi tribal lands. They called the country Bunji Bunji - home of the flying squirrel (sugar glider).

John Townsend Atherton. Mr Atherton, was 24, born in Wiltshire, England, and a son of a lawyer BUT in the 7 years he had been in Australia had demonstrated such a great aptitude for working with stock and in pastoral matters generally, that he felt confident to go out on his own. (He had first worked as a "generally useful" at Runnymede Station and then a "stockman", entrusted to manage Miriam Vale Station in the owners absence.)

A Fair Sum. Atherton took up the aggregation of leases which included what is known as South Munna Junction, Miva and Euro for £520. He called the property 'Miva' after the local Kabi Kabi tribe's name for a lone white horse. (Another story describes the horse as 'an old grey mare' that had perhaps strayed into the area, and the Kabi Kabi had never seen before, regarding it with some awe.)

Methinks 'Miva' a very fitting name as it reflects also the situation John Atherton found himself in; a lone white man in the wilderness and a creature of 'awe' to the natives. This great man continued on to tame the land, building roads, the homestead, storeroom, a dairy, blacksmith's shop, stockyards etc., leaving a legacy of strength and determination to his children. He was greatly respected by the Kabi Kabi, many lived and worked at Miva Homestead.

Miva Homestead is *still* in the Atherton family, *still* primarily a cattle property, and *still* a rich and abundant land: 'The Crown' in Atherton's words. *There are many more tales to tell...*

Dan Hourigan and Renelle Russel are warming up the Prince Alfred Hotel for a Grand Opening as soon as they can get through Liquor Licensing red tape.

Gundiah Pub Opening Soon!

New owners and business partners, Dan Hourigan and Renelle Russell are working hard toward the re-opening of The Prince Alfred Hotel in Gundiah. "We are just waiting on Red Tape," Renelle said. "The Liquor License could take up to 12 weeks to process! We have a lot to do in the meantime, but are very happy that lots of people stop by to see how it is all going." Renelle, the new manager, is excited to reunite the community by just getting the doors open again. Hopefully, residents will not have to wait long...the historic pub has been closed since last September. "We want people to feel very welcome, enjoy our good food, and their favourite beer on tap." Renelle is looking for memorabilia from the district for loan. You can contact Renelle on 0431814993, or at renelle-russell1@hotmail.com.

Down Memory Lane Guess Who?

Above. Last month's mystery photo was Archie Hoffman, supplied by the Keightleys. Archie was working on government road construction on Bauple Woolooga Road. The Hoffman family owned KERSEYS at Gootchie for many years. Look for next month's mystery photo...

Elizabeth and David Allomes stand in front of part of the original slab homestead built by John Townsend Atherton of Miva Station. 150 years of fabulous early Australian history is recorded in letters and journals the Allomes are attempting to compile for the anniversary.
