Gundiah Community benefits from Helping Hands

Helpers from the Church of Jesus Christ of Latter-day Saints get together with Gundiah to fix up and clean up their local hall.

Helpers outnumbered locals and were aged from 8 to 70-something as they worked to possum-proof eaves, replace floorboards, mend benches, neaten the garden and clean hall walls, kitchen cupboards and storerooms.

David Carney, recently elected president of the Gundiah Hall said the help was much appreciated as the old hall is in need of much fixing. "We have only a small group of members so far, and we really appreciate the extra man hours to get things moving."

The Gundiah Hall was built in 1922 and celebrates its 90th birthday in November this year. It has had a few years of neglect, a condition the newly formed committee wishes to rectify. They have quite a job ahead of them but are starting with repainting the interior after recent record flooding warranted insurance payments to the fact. The working bee by locals and the church group was the first step in achieving this end. The Church of Jesus Christ of Latter

-Day Saints participates in 'community service' projects on a semi-annual basis and was only too pleased to have this project suggested to them. Church members came from the greater Gympie area and brought tools and offered lots of elbow-grease to get the jobs done. "It is great to offer our skills and manpower in a situation like this," said Bishop Brett Woolley. "It is great experience for our families and being able to achieve something good on top of that for the Gundiah Hall is the bonus."

Handy Hire in Maryborough donated the painters trestles free of charge. The Gundiah Hall Secretary said, "It was good to feel that someone else cares about our little hall besides us. It is good to see the community spirit increase in our local community too. We have some good eggs around here who are always willing to lend a hand." *SGK*

GUNDIAH COMMUNITY CHRONICLE

GUNDIAH COMMUNITY INCORPORATE

Good day readers! Time sure flies when one is supposed to be retired. They told me it was easy—just go fishing when you want. So last Saturday, we did just that. Two of my mates and I took the boat down to Petrie Park and 4 hours later one catfish was the catch of the day. I'm wondering if Landcare Marilyn has asked all the Mary River Turtles to advise the fish to hibernate until the fishing competition on 27/28 October... if that's the case then I might have to fish then.

Annual Baiting. On the advice of Col Zemek, FCRC Pest officer, we should bait again in February as well as September. Pauline K was upset this year as she lost 4 mature geese and one calf, which based on the evidence, was a dog pack. I had 16 baits taken in 48 hours.

Myles Long. It was not good to hear of district legend Myles Long's tragic tractor accident. Our thoughts go out to Marion and her family. It is also a reminder to us all on the land that machinery has no feelings, so treat with care.

Croquet. Jean and her team are playing Croquet each Sunday on the grounds and if you fancy playing or learning the basics ring Jean or Geoff on 41293293 or just turn up on Sunday morning. Look out for a day coming up with the Maryborough Club professionals.

Yolande Bromet. On behalf of all of the community I take this opportunity to say a few words of thanks to a brave young lady, who with her family's backing, saw a new future for Bauple and has put it on the map again, as did 'Mary the Fairy' for years until her retirement. Yolande promoted the Hinterland Markets against some locals trying to sabotage such, she promoted the Men's Shed, she promoted the Museum and directed busloads of visitors to the museum from her nut cracking demonstrations. Her family brought the Doctor to town and the specialists to the purple building. I say to you Yolande, don't give up on your ambitions, you are what this country needs, the knockers will just fade away as they always have and always will.

Bus Trip—Saturday October 6th is our annual bus trip! We are heading to Caboolture Heritage Village via the Hinterland, \$5, ring Pauline on 41292504 for further details. *Trevor Keightley, President*

Myles Stratford Long 1936-2012.

On Saturday 8th September saw the passing of a local legend known by all in the past Tiaro Shire.

Myles was 75. He was born 21st September 1936 and raised on the family farm at Chatsworth, attending the local school till year 7. At age 14 he started his working life as a bean picker on Keith Allen's farm, then moved to his sister Betty's farm at Mulgeldie near Monto to work in the local Saw Mill. He then took on a new job at Cooroy Saw Mill for a few years, returning to Chatsworth to work on the family farm with his brother Harry.

He met Marion at a local dance in 1958 and they were married on 28th March 1959. For a couple of years they managed a farm at Chatsworth owned by Marion's parents, later buying the farm at Bauple/Gootchie where they have lived for the past 48 years. For many years they grew a variety of small crops and employed people to pick at harvest time.

Myles was an active member in a number of local organizations: from 1985 till

*Pictured above left: Myles Long.
Above: Tiaro Shire Councillors 2006, Myles Long is pictured 2nd front row on left..*

2008 was a councilor in the Tiaro Shire until amalgamation and in 2004 he became deputy mayor.

Mr Long was an active board member of Gunalda Fruit & Vegetable Growers Association, was also Glenwood Progress Association chairman and Bauple Band Hall secretary for five terms.

Myles had been an active supporter of the Gundiah Rural Fire Brigade & Fire Warden since 2010. He was Chairman of the Brigade from 1997-2009 (12yrs) & Vice President from 1995-1997.

Beside all their achievements Myles and Marion also established the Service Station and Store at Glenwood, until they sold the business in 2009 and retired at the age of 73.

Myles leaves behind his wife Marion and their four children—Gary, David, and twins Sally & Wendy, their partners, seven grandchildren & three great grandchildren who will all miss him dearly. Rest in Peace Myles.

compiled by Trevor Keightley.

The Gundiah Rural Fire Brigade wish to extend our condolences to Marion & Family on the sad passing of Myles Long.

NOTICE

Brian Janssen is currently Gundiah Fire Warden. For permits to burn please contact 4129 3128. Please phone after 7pm.

Strong future for Rural Fires

The Minister for Police and Community Safety Jack Dempsey announced that the Newman Government and the Rural Fire Brigades Association of Queensland (RFBAQ) have agreed on initiatives to ensure rural volunteer firefighters are empowered and equipped to protect their communities into the future.

"Under the agreed new model, there will be no closure of any Rural Fire Service (RFS) area offices," Mr Dempsey said.

"Unfortunately as a part of this process, there will be a reduction in the number of full time equivalent positions, but this will be limited to executive and administration areas, and will not take place until after the fire season in March 2013." Mr Dempsey asked that the review of the RFS be completed by February 2013.

"The RFBAQ and Minister for Police and Community Safety are both united in maintaining all Rural Operations Area Offices across Queensland," Mr Garrahy said. "This allows Rural Fire Brigades to have support and certainty going into the worst bushfire season in more than 40 years."

Mr Garrahy said that an earlier proposal to close Area Offices in areas such as Maryborough would not go ahead.

"The RFBAQ believes that this puts Rural Fire Brigades on track for achieving a model that empowers Brigades to defend their communities not only from fire, but also from flood and cyclone."

Gundiah School gets new uniform.

Above: Jackson and Charlie sport their new school uniform in their race at the Sports Day held at Bauple Rec. Grounds late July.

Gundiah P&C recently completed a year long bid to upgrade their school uniform to a sun safe and easy-clean option.

The uniforms were received in time for the students to look exceptionally sharp in their school photo and for a recent bus trip to the Science Centre in Brisbane.

The P&C used its hard-earned funds to give each child a new shirt free of charge. It has also recently donated \$1000 to the library, \$800 for the Science Centre bus trip, and \$500 for sporting equipment.

"We must thank the Prince Alfred Hotel for their support in our fortnightly raffles, and the tireless efforts of our parents who do tuckshop, organise raffles and contribute to our various fundraisers," said P&C President Roslyn Sal.

Gundiah State School has educated children in the Gundiah community for 126 years with 15 students currently.

A Fresh Breath Of Air Ripples Through Bauple

Bauple's new Progress Association (BPA) invites community members from Bauple & its associated Districts to unite for a progressive future.

BPA represents Bauple, Forest View, Tagallalla, Rossendale, and encompass the area through to the western border of Mt Bauple National Park.

In 2010 **The Bauple Vision Plan** was formulated amongst the local community extensively and its results were referred to the Council for consideration. The Plan was approved and the strategy was then adopted by the Fraser Coast Regional Council.¹

As we do not wish to see the community's previous energy and input go by the wayside, one of the first jobs of the Progress Association is to revisit and realign these efforts with today's schedule.

Not Just Another Faction: The Bauple Progress Association is a not-for-profit association that desires to promote, advance and secure both Bauple's unique and collective wellbeing for the imminent future... which will soon be today! We understand that it is essential for representatives from ALL groups and cultures existing within Bauple & its Districts to collaborate on an impartial, united front. We welcome to the membership opinions of **groups** and **individuals** equally that may be able to aide in any aspect of what it takes to promote progress in our Community.

Membership is Vital: Hoping to see an end to our fractured neighbourhood, and complaints that a fraction of voices are being heard, BPA intends to have quarterly meetings where your vote will be required to help liaise with the government on important issues that may affect all Bauple & its Districts' residents. Without membership, your vote cannot

be counted.

How to Join: Contact President George Wood or Secretary Lesley Wood on (07) 4129 2253, or Treasurer Beverley Eagle on (07) 4129 2109. Online Membership forms are available at Bauple.com/BPA.htm with BPA website to be advised in the near future.

¹*The Bauple Vision Plan is available for public perusal at The Mt Bauple & District Historical Society's front counter, Bauple Drive (opposite the Doctor's Surgery). by Robyn Gray, Publicity officer, BPA Inc.*

'New Life in Bauple'

(From page 1) "Feelers were put out in the Gundiah Gazette and a great deal of interest has been expressed regarding a Spiritual Circle in the Hinterland," said Jillian Wright of Bauple Day Spa. "Both women and men were interested in welcoming the new 'Hinterland Spiritual Centre' into the Bauple area, so we plan to have our first meeting mid October."

People of all ages are welcome to join in on Monday nights at 7.30 pm. Meetings will be in the Old Purple House located at 14 Bauple Drive. They will include spiritual discussion, guest speakers, classes, meditation and light refreshments. "We plan to have courses at the Centre like Spiritual Growth, Reiki 1 and Reiki 2, Reiki Masters and Meditation, etcetera," Ms Wright said.

All those interested in joining please call Jillian on 0418 785 305 or 41939290.

Nosh's Book Launched

Over 200 people attended the launch of 'All Aboard the Nutmobile' at the International Macadamia Symposium held in Brisbane last month. 'All Aboard the Nutmobile' is a children's picture book aimed at readers 4 to 8 years of age.

Ian McConachie, chairman of the Macadamia Conservation Trust, introduced the book together with Em Horsfield, illustrator Glen Singleton and members of the Macadamia House team.

"We'd like to say a big thank you to those involved as well as those who joined us in celebrating the launch," said Macadamia House owner, Yolande Bromet.

'We are delighted with the response we have received to date, with one reader referring to the book as Dr. Suess meets an Aussie version of Thomas the Tank Engine!', said Yolande.

The book is also available for sale online at www.macadamiahouse.com so get on board and join Nosh and the gang on their great Aussie adventure. Nosh has his very own Facebook page. The book is expected in stores before Christmas, so if it's not at your local book shop – ask why!

It's Perfect Weather for Tennis

Rossendale Tennis Club. The weather over the past month has been perfect for tennis and the competition has been hot!! It would be great to see some more players from the Bauple, Gundiah area using the courts - we know you're out there - you just have to make the first move to get a key so you can use the courts!

Hot Shots Coaching program will begin at the courts on **Friday 12th October** at the Rossendale Tennis Club located at 38 Bauple-Woolooga Road, via Bauple (just off the Bruce Highway opposite southern Bauple Exit). Gympie and District Tennis Association Coach Matt Watkins will again be running these sessions. This is a wonderful opportunity for children ages 5 and up, to compete and gain skills in a sport they can play for a lifetime!!

Lessons will be held Friday afternoons from 3.30pm to 4.15pm for the Beginners group (ages 5-9) and 4.15pm to 5.00pm for Intermediate group (ages 10 and up). The program is for a minimum block of 7 weeks. Costs will be \$60.00/pupil or \$110.00 for 2 children in the same family. Loan racquets are available each week. For more information phone Matt Watkins on 0417070129 for a sign-on form to bring to the court on 12th October.

Bored? If you're looking for something to do after school, weekends or anytime, our synthetic grass courts are available for hire (day or night) at a very reasonable rate. There are BBQ facilities and some racquets available. For any enquiries or to hire courts please phone Mary-Anne Walters on 4129 2589; MOB: 0438 374 091; Bob & Carol Maxwell on 4129 2391; or John & Lyn Kelman on 41 293 212. Mary-Anne Walters

This month's Salute to the Diggers

Herbert Arthur Snell

Qx21253 PRIVATE – AUSTRALIAN ARMY

Herbert (known as Arthur) was born 31st March 1919 to Charles and Ethel Snell at Wooroolin, South Burnett. Arthur and his 6 brothers and sisters–Viv, Frank, June, Les, Muriel and Trea– had a happy hard working childhood on their farm. He attended the Kenilworth State School and later played cricket for the local team, worked at Kenilworth Sawmill and other farms in the district.

Arthur enlisted in the Army at Gympie on 20th May 1941 at age 22 and was drafted to Singapore. He was taken prisoner at the prisoner-of-war camp at Moulmein Burma with his friend McGhie. He was being transferred on the prison ship Rakuyo Maru with 1300 prisoners to Japan for labour work, when it was sunk by an American Submarine on the 13th September 1944 and many of the prisoners were drowned including Arthur. *LEST WE FORGET*

Next month's Digger will be Edward Gesch. Please contact Trevor Keightley 41292504 if you have further information, photos etc.

Cycle, kayak & fishing on Mary.

It was inspiring to watch the Cycle Qld team build and operate the overnight city at the Tiaro Recreation Grounds.

We take our hats off to the 900 + bike riders of all ages and sizes. Bus tours to Bauple and Petrie Park were popular. However we were overwhelmed by the interest in the guided kayak tour of the river. Two participants were over 70, such enthusiasm even after spending all morning in the bike saddle riding from Hervey Bay to Tiaro. Many local community groups benefited financially from their visit.

Catch for fun & Release for the future fishing competition.

Another opportunity to enjoy the river is at the Catch for fun & Release for the future fishing competition. Registration is only available on site. Petrie Park is the venue with free camping available for the weekend. At the moment, the river is low and clear and we are hoping for a great family fishing weekend. There will be Senior, Junior and Family prizes in numerous categories, so a great chance to take home some good quality prizes. Everyone who registers, goes into the lucky draw for \$1,000 which will be drawn on Sunday afternoon at 1pm. The Borumba Fishing Club are coming up to run Learn to Fish lessons for juniors. These guys are experts at river fishing. Proceeds from the comp go towards assisting the two endangered animals of the river, the Mary River Cod and turtle.
