

GUNDIAH GAZETTE

COMMUNITY NEWS ACROSS THE TIARO DISTRICT

JUNE 2014

It's Event Month

June shows off festivals across the region, here's just a few:

Relish Fraser Coast. 7 June. Send your taste buds into overdrive experiencing local and regional produce such as exotic foods, wines, beers and coffee from our region. Enjoy an afternoon by the river, live music & entertainment. Mary River Parklands & Wharf St, Maryb'h: 11am-7pm. 1800214789, www.relishfrasercoast.com.au.

World's Greatest Pub Fest, 8 June Dress in your most outrageous costume and set off on this charity fundraiser. Join in a colourful costume carnival, win over \$3,000 for best costumes. Explore heritage hotels and enjoy live music and entertainment. Various Pubs, Maryborough: 11am-6pm. 1800214789, www.worldsgreatestpubfest.com.au. Bus available. See page 4.

Bail-up at Blackswamp Creek. 8th-9th of June The annual western action shooting event will be held again at the Tiaro District Sporting Club, Netherby Rd. Competitors from far and wide come an have a go with lots of fun to boot. Bernie Emmerson 0407 120 562.

International Day. 12th June QCWA Gootchie celebrates VIETNAM. Wear colours of the flag. Talk. Quiz, Raffle and lucky door prize. Vietnamese lunch. Cost \$10. 11am. 561 Gootchie Rd, Gootchie RSVP Lyn Kelman 41293212

Bauple Heritage Trail 14 June Opening Ceremony, walk, stalls, shows, demonstrations and more. 10am-4pm. Federation Park, Bauple Museum, Bauple Dr. 0411102802 www.bauplemuseum.com. See page 3

Mary Poppins 6 July. The festival includes the colourful Grand Parade, hilarious nanny and chimney sweep challenges as well as children's maze building and workshops, Mary Poppins characters, traditional games, rides, steam trains, live entertainment. 1800 214789, marypoppinsfestival.com.au.

Curio Shop colours Gunalda

Above: Carl and Fran moved to the area about eighteen months ago, to "escape the rat race." Their store adds a curious aspect to the local offerings.

Ex-Brisbanites Carl Foster and Fran Ashton have settled into Gunalda and recently opened a new gift and curio shop. You cannot help but notice the brightly painted building across from the park, downtown Gunalda!

"We love the peacefulness, the wildlife, the trees, and that everyone is so friendly here." Fran said.

The couple are very welcoming and invite you to come and browse through their extensive range of curiosities, or to just drop in for a coffee and a yarn.

"We have worked hard to make a visit to our shop an interesting experience, we have many unique and unusual items, and we aim to provide these items as affordably as we can," Fran explained.

We provide free gift wrapping, and we are open from 9am – 4pm Tuesday – Saturday and from 9am – 1pm Sundays. CURIOCITY – Balkin St, Gunalda Contact details: Carl Foster 0417908862 Fran Ashton 0417908854

Oliver the Pumpkin Roller

GUNDIAH COMMUNITY CHRONICLE

GUNDIAH COMMUNITY INCORPORATE

Well folks, a very few words this month due to up and down the highway with Pauline to the foot surgeon at Wesley. The driving is not half of it... then there is the washing, the housework, cooking meals, feeding the dogs, cats, chicken, geese and ducks and, most importantly, me! Bed at 7pm, yeah wish! ha ha! (Trevor forgets to mention feeding his lovely wife! -Editor.)

Bauple Heritage Trail. (See flyer p3). The **Market Stalls** are lined up, the **Vintage Cars** on display, the **Stationary Engines** chugging away and the Dignitaries are bringing **Mary Heritage** and the **Town Crier**. The Museum is getting its final 'Spit & Polish,' as is 'Nosh' the Nutmobile. With lots of goodies to quench your thirst and feed your tummy, all we need is YOU, our friends. Everyone from Bauple and the surrounding District have reason to be very proud of the Museum and our heritage. The TRAIL is a 3km stroll around Bauple, with signs showing you just where the original buildings and businesses were. There's a bus to run you around the trail if the walk is to much. It starts at 10am. **The Official opening by the FCRC Mayor is at noon** with the firing of the Time Canon, and Bauple School Children's Choir to sing the National Anthem. Come along and be in the History of Bauple.

True Story. No stories this month as people are keeping quiet. If you have a story, "go on" let us know, no names are

Above: Preparing for the MUSEUM HERITAGE TRAIL launch in Bauple on June 14th, Nosh the Nutmobile got a make-over! Nosh wants to thank residents John and Col, and visiting backpackers from Holland - Susanne and Julian for his new look. See Nosh and the team from Macadamia House at the Heritage Trail Day celebrating the town and its history. His latest book is available too!

used...Unless it's Lillian.

For the record, I received a thoughtful response to last month's comments, but still maintain that immigrants should assimilate or return from whence they came.

Trevor Keightley (Pommy Immigrant) 41292504

Presentation Night

Bauple Scouts annual Presentation Night

was attended by parents and dignitaries, with our new Joey Scout being invested and all our youth members receiving a certificate. Kynan was awarded 'Most Improved Scout' and Dakota got 'Scout of the Year', while Falcon Patrol took out Patrol of the Year. (As our Cub section has really only got under way, we did not have a Cub Scout of the Year but will have that next year.) All Committee members and Leaders were recognised and the scouts entertained everyone with their singing.

New members welcome We are hoping to sign up a Joey Scout Leader and an Assistant Group Leader shortly and especially welcome more prospective Joey Scouts. Come and say hi to us on Thursdays at the Bauple Rec Grounds. We will also be at Bottle/Lucky Number Stall - Bauple Museum on 14 June. And our **Bauple Bike Gymkhana** (open to the public) is on 2 August.

BPA NEWS

Bauple Progress Association encourages residents to become members this month.

Hero Place to Visit. Many readers would have seen the article in the Chronicle where Fraser Coast Opportunities (FCO) met with the BPA and that FCO would like to make Bauple and the Hinterland a 'hero place to visit'. We are actively pursuing ways for this to occur. Any ideas are welcome. Drop by and see us at our stand at the **Museum Heritage trail** launch June 14th. **Your Voice Heard.** Members are encouraged to be Financial Members in order that rates issues and other council concerns can be represented on your behalf, as requested in the community plan. Annual Membership of the BPA can be renewed on June 14th. So come along and keep our community a special place for people to live and visit.

Community Plan. BPA is progressing the community plan through council. The delay has not been from our end. Enthusiastic members from Progress Associations met to discover many issues are common to most communities. By joining together and becoming one voice we hope to obtain more positive results for all of our communities.

Benefits. Members and non-members benefit from BPA meetings because there is an opportunity to discover what happens in our town. All community members and organisations are invited to come and share their views and news at all BPA meetings. **The next meeting is 6th Aug, 7pm at Bauple Band Hall.**

At the last meeting, the P&C requested assistance with food for breakfasts to best prepare the students for their NAPLAN tests. The BPA assisted supplying local produce and other donations. - an example of how your membership helps to support the whole community.

Management Mtg: Community group roundtable is Aug 3, Purple Building (opp museum) 2pm. Yolande (Pres) 0425 332 398.

The Opening Ceremony

Fishers urged to help protect Mary River Cod

The Mary River Cod, one of Australia's most endangered fish species, is listed as a no-take species under the Fisheries Act in 1994 to help preserve the remaining natural population.

Queensland Boating & Fisheries Patrol officer Russell Overton said, "Possessing Mary River Cod caught in its natural distribution is illegal in Queensland and can carry an on-the-spot fine of \$440 or a maximum penalty of \$110,000."

Mr Overton said that fishers could legally catch and keep Mary River Cod if it is a minimum of 50cm in length and caught upstream of the state's Stocked Impoundment Dams.

Reporting illegal taking to the Fish-watch hotline on 1800 017 116.

For more information visit www.fisheries.qld.gov.au or call 13 25 23.

Something About Mary

Conondale resident Todd Fauser was lured to the headwaters of the Mary River from South Australia several years ago. Inspired, Todd joined a photography club to learn to capture the stunning scenes he saw around him. Todd's award winning image of the Obi Obi Gorge in flood is just one result.

"You would only see the Obi like that for a couple of days of the year," said Todd. "I had to climb out to the rocks in the floodwaters with my tripod."

Todd photographs are on display and

sale at this year's Noosa Festival of Water, Sunday 29th June, 10am-3pm.

See Todd's images: www.mrccc.org.au/2014/05/mary-as-you-have-never-seen-her-before/

BITS TO KNOW

Pictured: Councillor Phil Truscott and Mayor Gerard O'Connel visit the site for the new Tiaro Interpretive Centre

What is going on near the Tourist Information Centre in Tiaro? It's the Tiaro Interpretive Centre. The project includes a timber deck with shade structure beside the Tiaro Visitor Information Centre. A sculpture of a Mary River turtle will be displayed on the deck with stairs and a pathway to outdoor displays giving information on the river and its unique inhabitants such as the lung fish, Mary River Turtle, Mary River Cod as well as Indigenous totems and information. Developed in conjunction with the Tiaro Landcare Group which has instrumental in raising awareness about the turtle and saving the unique animal. The project should be completed by the end of June, weather permitting. Council received a \$60,000 state grant towards the \$150,000 project. *FCRC*

Nature Play passports to book kids better health

The State Government is encouraging Queensland families to make the switch from screen-time to green time, and sign-on for Nature Play. The initiative provides children with personalised 'passports' full of nature-based 'missions' to help increase the amount of time spent in unstructured outdoor fun and an easy way for children to develop their brains, their self-confidence, and their social skills. Children can register to be part of the Nature Play program through www.natureplayqld.org.au, and kids can then access their passport and mission activities online. *AMaddern*

Tiario Interpretive Centre

Helmets Please

Parents, please be aware of your child's safety. Tiaro Police have observed an increase in the number of youths in the area not wearing bicycle helmets. A verbal warning has been given to some of these youths already. Bicycle helmets go a long way in protecting your child from serious brain and head injuries should the unthinkable happen. Unfortunately, we have attended such incidents where a serious head injury could have been avoided. The older youths should be setting an example for the younger inexperienced children. A Traffic Infringement Notice can be issued to the parent of a child permitting the offence of failing to wear bicycle helmet. We would prefer to avoid this and see the kids in our community wearing helmets for their own safety and your peace of mind."

*Michael Coleman S/Constable.

BOPPLE SURGERY TIARO MEDICAL CENTRE

New Doctor Update: Significant progress has been made in securing the services of a second doctor at Tiaro. APHRA has approved our application. We will advise when a definite start date is known.

Fees Update: Our aim is to continue to be a Bulk Billing practice and thereby keep medical fees affordable. We are aware of the long wait to get an appointment with the doctor. Lately, many patients have failed to attend their appointments without notifying us. Other patients needing attention could have been scheduled and this has been a financial drain on the practice. Reluctantly we have started to implement a \$20.00 "failure to cancel" fee to encourage patients to become more considerate of others in the community who also need to be seen.

We have also introduced a \$5.00 fee for repeat prescriptions collected outside the scheduled appointment times of **8:30am-9am**, this should help to streamline our day so that we can see more patients. *In other words, if you collect your scripts before 9am, you will get them for free.*

Hours. Please be aware that we are closed between 12-1pm every day. For more info please contact our Practice Manager, Glenn Genger, who is available at the surgery on Mondays, Wednesdays and Thursdays. 4193 9171.

Avenue of Araucarias planted in Queens Park

Council has planted an avenue of mature Araucarias along the rail corridor in heritage-listed Queens Park in Maryborough. "There is historical evidence of an avenue of Araucarias in that area," Cr George Seymour said. The botanical gardens have been at the heart of Maryborough since the mid 1860's and were gazetted by the Queensland Colonial Government in October 1873. "Queens Park is one of Australia's earliest botanic gardens and is an important part of Maryborough's distinctive character," he said. Council is always conscious of the need to preserve and promote its heritage features. "FCRC

Local History Talk

Local historian Ron Allen will host the Lunch Time Local History Talk at Maryborough Library, Tuesday, 10 June from 12noon.

T I A R O ' S S O N S

Albert Victor Bracher

Sergeant, 25th Battalion A.I.F WWI

A Bauple Hero

Albert Bracher was born in England in the Parish of Morton, Worcestershire. He served 5 years in the Royal Navy as a purchaser and worked in the cane industry in Bauple. Albert owned a farm at Bauple and it is understood to have been a relation of well-known Bates family of Bauple. He enlisted on 15th February 1915 at the age of 27.

Albert was credited with being the first district soldier mentioned in dispatches. Albert, then a sergeant in the 25th Battalion A.I.F was mentioned for his bravery during a clash with Turks on October 29th 1915. An extract from the Army corps written by the commanding officer reads: On the night of October 29th, Sergeant A. V. Bracher and Lieutenant H. Page carried out a particular daring piece of reconnaissance work to within a few yards of enemy trenches. There they came in contact with 2 Turks, one being disabled with the officers revolver. The other, whilst in the act of lighting a bomb, being shot by Bracher. The 2 soldiers obtained a supply of bombs from the remainder of the patrol and proceeded to throw bombs at the fallen Turks, gaining very useful information as to the enemy's disposition.
