## New to Town

**Gundiah:** Mr & Mrs Pasteurel (Wendy & Russ) are the teachers in residence at Gundiah State School for 5 weeks. They have been enjoying the local activities and getting to know the area.

**Tiaro:** Retro Espresso Coffee Shop opposite the Memorial Hall on Mayne Street in Tiaro. Run by Vince Rovere, it's open from 6.30am, 7 days, closing at approx. 4.30pm each day.

He says to come in, relax and enjoy a wide variety of coffee, teas, chai, hot chocolate and any variation in between, with a selection of continental baked biscuits from Melbourne and an ever growing range of treats.

Vince also offers an expanding range of retro retail products with specialist Teas, freshly Ground Coffee and Beans on the way.

## MIVA MEMORIAL

*The Miva CWA Hall was overflowing on ANZAC day with the traditional memorial service held there. Right Alan Prestwood with his bugle. Below: Wreaths were laid at the Honour Board.*

Around 160 people gathered for the Anzac Service at Miva this year. Since 1933 these have been hosted by the CWA, initially at the Miva School and from 1953 in the Rest Rooms.

George Nahrung chaired the first Service and continuing the tradition, Will Nahrung was chairman this year. With few exceptions over the years the chairman has been a Nahrung – George, Alex, Colin or Will.

**The Anthem** has come from 'God Save the King', to 'God Save the Queen' to 'Advance Australia Fair' but little else has changed. Always 11am, always 'The Dead March' played on the piano, laying of wreaths, guest speakers, a musical item and always lunch provided by the CWA ladies. Since the 1990's, 'Reveille' and 'The Last Post' have been played by local Bugler, Alan Prestwood. Alan moved closer to Brisbane some years ago but returns each year to take part in this commemoration.

**Honour Boards** have been added for each new conflict. A plaque for each campaign since WWII has been made

and donated by Mr Ernie Blackwell, who this year donated an Iraq and Afghanistan plaque to add to the display. At the first service, Mrs Alex Nahrung was soloist. Bill Bottrell, a railway ganger from Theebine often sang as did Joyce Sexton who played the piano for more years than we can remember. This year Graeme Jensen performed 'And the Band Played Waltzing Matilda'.

**The Miva CWA** was established in April 1928 with seventeen foundation members. Membership has fluctuated over the years but the spirit of QCWA ideals has not. Their hall is continually being improved through some grant funding as well as hard work by members, their families and friends. The branch is quite strong with new members joining and the community is ever grateful to each of them and their supporters for the Anzac Service and lunch provided this year.

# GUNDIAH COMMUNITY CHRONICLE

Edition Number 62

**The Home Country!** Well readers, this month we have been to Padstow where we had our honeymoon and are writing from Port Isaac which is in Cornwall. Tonight we are staying at a B&B overlooking the sea. Its such a beautiful part of England and the weather has been on our side—sunny with a few showers and temp from 12° to 2°C. It would be nice if I could show my farmer friends field after field of green grass. They have fat cattle and fat sheep. I will not tell you the price, as it will make you cry like I did.

The country roads are 90% single lane with passing bays for stopping to let the opposing vehicle pass, and that's when you can look around in each village and notice the layout.

On our way to get fish and chips for tea we watched the filming of 'Doc Martin' in Port Isaac. We had to chuckle as the director was shouting instructions to the actors to take their coats off, "its supposed to be a beautiful sunny day." Yeah, yeah, I thought as it was only 2°C and the cold wind was blowing 0°C off the sea! Just remind me of those temperatures when we're in the high 30s next summer.

**True Stories.** Well-known local fire identity has a very nice new driveway, that was recently picked up by satellite footage. (21 loads worth - we are certain that it can be seen from Mars.)

Also, apparently the locals reported an incident about pigs flying at the pub... Find out more the last Sunday of next month, when you can see the pig races for yourselves.

**Hall Stories.** As you will see, we have printed the first story regarding the district halls. Joy Edmunds was first with the Bauple Band Hall, but if another reader has more, send it to me as well! If you like, I will come and record the history like we did years back at the Tiaro Memorial Hall.

**Home soon.** Well readers, next month's Gazette will have the Keightleys back home. Enjoy the wet I hear you are getting, and get your hall story to me or Sandra.

*Trevor Keightley*

Thank you. I love receiving this publication. It's very interesting and informative. *Marissa Stevens Gypmie*

*Above & Right: Gundiah School students wave to the Troop Train as it passed Gundiah at approx. 9.20am Friday morning (24 April). Below: GSS Students sang, gave a speech and laid a wreath as part of ANZAC Day activities.*

## Waving to Troop Train.

Gundiah School Students and Theebine students were out to wave to the Troop Train as it passed on the way to ANZAC services in Brisbane.

Ron Groundwater informed us that 'in his day, the children were let out of school to wave to the troops. They threw newspapers and reading material to them.' So, on Friday 24 April in Gundiah, the school children waved too! While they waited for the train to pass, they read ANZAC stories and Mr Groundwater told them about his father's and uncles experiences in WWI. Mrs Pasteurel told them of her parents meeting and marrying during wartime. 270 train passengers, including veterans, their families and local school children were on this leg of the Troop Train's journey from Winton to Brisbane.

GSS students later made a wreath to place on the Cenotaph at Tiaro. Tiaro, Bauple, Gundiah students participated in the choir.

## Lest we forget....

Pauline & I made the decision to salute all our Diggers and comrades the world over. I am in the UK and the emotions were truly present across the country as we watched ANZACs marching in the London Parade sing-

ing Waltzing Matilda along with 1000's of other allied forces, descendants and current soldiers.

All other cities and villages held services across the British Isles. At Gallipoli, Prince Charles and Prince Harry were certainly respected. Harry, read from HP Herbert's 'The Bathe': 'here the dust blows ever in the eyes/ and wrangling round are the weary fevered men/ forever made with flies'. Charles' words: 'Despite the appalling sacrifices made by so many in two world wars we all

Last month's digger, (Robin) Robert Arthur MacKellar's letter appeared in Maryborough Chronicle Saturday 19 September 1916. (Robin was killed in action 29 July 1916): It reads:

LETTER FROM THE FRONT. Mrs A. Mackellar, Bauple, has received a letter from her son Private Robin A Mackellar, written somewhere in France on June 29th in the course of which he states:- "We are still in the training camp but expect to go to the front any day. The weather is fine at least; mid summer here is just like early spring in Australia. I am afraid it will be rather cold for our lads in the winter. Many feel the cold even now. The drill here is first class, the best I have had since going into camp. No doubt they will turn the majority of the Australians into first class soldiers here, but I am afraid it is going to take a lot of us to end this war. Some people think it will end this year, well let us hope it will. Under date July 8th he writes - I will very likely be going up in a few days as I have been warned to be ready at a moment's notice. We will hope for the best and I feel as if I will see you all again, and very shortly too. The war cannot go on very much longer, and perhaps we will all be together again for Christmas. Fancy, I played in a cricket match yesterday against another Battalion, and we won easily. It seemed quite like old times."

have a duty to find ways to overcome intolerance, to fight against hatred and prejudice, so that we can truly say we have honoured the sacrifice of all those that fought that died in Gallipoli and elsewhere.'

NEVER FORGET THAT 250,000 ALLIED SERVICEMEN WERE KILLED OR WOUNDED AND 36,000 ANZACS KILLED AND WOUNDED.

## Down Memory Lane

This the first memory is from our good friend Joy Edmunds...

# THE BAUPLE BAND HALL

I was born in my Grandmothers house in Maryborough in 1933. I grew up roaming around the Sugar Mill and the Bauple Band Hall. My father was a member of the band, it must have been before I was born.

**Old Mr. Tussell** lived just along from us and I have two pieces of music he wrote for me. He would get mad with me if I played the piano and was not keeping the right time. I got that way that I used to run out to the front gate to see if he was coming our way before I started playing.

**Hall Meetings.** When I was young, my Dad, Dave Waldock and old Mr. Arthur Willet were the ones that held the hall meetings together. Sometimes I think one of the Nicolas would come. Merv Willett was the Secretary and Treasurer.

Me and my cousins who lived across the lane, would have lots of fun in the hall when dad was cleaning up or seeing to the Carbide lights. They smelt a bit. To clean the floor which was considered one of the best in the District, Dad would fill a large bag with sawdust then sprinkle it with kerosene then one of the kids would sit on the bag and be pulled around the hall. I came a buster off it one time and I remember my mother holding me down across her bed and Dad pulling out the splinters out of my bottom.

**Social Hub & the War.** The hall was very active and something was always going on, if it wasn't a dance, during the war, we were taught tap to toe dancing. The Americans were camped close to Lillian's house and would come to the hall, one was a good piano player and

every one would gather around and sing. When I told my kids they thought we were idiots.

Once a month, anybody who could make netting would gather in the hall and make camouflage netting. I would help dad who made his own fishing nets.

We also had concerts in the hall for the Red Cross. Soon I was commanded to sing and Lillian's Mum (Mrs. Davis) would play the piano to accompany me.

**Movies.** Later on when I was in my early teens, a fellow would come around in a van and show movies. Quite often they would break down and there would be lots jeering from the razor gang. I heard years later, (don't know if this is true), that they found the man murdered, killed by his offside who was always with him.

Joy added "Thank God for the Bauple Band Hall, or other wise I can imagine there would be a lot of old maids residing around the area."

*Thankyou Joy, we look forward to future stories! We invite others to share with us a story about your local hall. If you like we can come out and record it. Trevor Keightley*

QUEENSLAND POLICE - TIARO BRANCH

## POLICE TALK

**Road Safety.** The Easter school holiday period has been a busy one for us on the roads, with a major increase in traffic as holiday makers make their way up and down the coast. Unfortunately, the state did see a sharp rise in serious traffic incidents with Tiaro included. Please, when driving on our busy roads, slow down, plan ahead, rest regularly, and be courteous to other road users.

**Lock it Up.** A recent incident has again highlighted the need for residents to be more aware of their properties and vehicles security. When leaving vehicles unattended please ensure the keys are with you or kept in a secure place. If you leave your keys in your vehicle you provide any would be thief with an easy opportunity to steal your pride and joy.

It is a ticketable offence for leaving keys in a vehicle when unattended but that doesn't compare to losing the vehicle itself when it could easily be avoided. Remember to "Lock it or lose it".

**Driver Training.** Maryborough Rotary Club support a Program called R.Y.D.A. (Rotary Youth Driver Awareness) for year 11 students. This programme has been running for several years now, with a good attendance from Maryborough High Schools. Some Hervey Bay Schools are now joining in. Sergeant Steve Webb is of the opinion that the programme is a large part of the reason this area has a lower accident rate for the under 25 drivers.

**Next public meeting** Tiaro Police Division Consultative Committee on Wednesday 6 May 2015 at the Glenwood Community Hall, Pepper Road, Glenwood at 7 pm. Supper will be served. For further information please contact Linda Harris on (07) 4193 9256 or lha5442@bigpond.net.au

## Appeal from Bopple Surgery

We have had multiple complaints from patients that they cannot get an appointment with Dr. Suzy Baudoeuf for six weeks. However, when offered an appointment straight away they refuse to see Dr. Reka Juhasz.

Dr. Baudoeuf has great faith in Dr. Juhasz' knowledge, medical professionalism and care.

Dr. Juhasz was engaged by this surgery at great expense to both our surgery, Dr. Juhasz and her young family in order to assist Dr. Baudoeuf in meeting the demands of the community.

If Dr. Juhasz is not supported by the community we are concerned that she will be forced to leave. The scenario to this is that Dr. Baudoeuf will burn out and the surgery will close.

As a community, the choice is in your hands. Please welcome and support our new doctor.

### THEEBINE STATE SCHOOL NEWS

#### Nahrung's Museum Visit

Theebine students had a wonderful visit to Nahrung's Museum. Students accompanied by a parent, completed written tasks as they wandered through the amazing array of historical items. It was interesting how tasks required so much manual labour and time in the past. A highlight was the butter making for the scones Mrs Odgers had made—it tasted creamy and fresh.

**Live to Learn** Theebine State School is striving for excellence and we have high expectations of our students, par-

ents and both administration and teaching staff. These high expectations have 99% of students on target for achieving benchmarks in reading by the end of Term 2 rather than the end of year!

#### Cross Country at Gundiah SS

After 2 weeks of practise it was great to hear the Cross Country was still going ahead at Gundiah in spite of some

showers. This combined with the Easter Hat Parade, East Egg Hunt and farewell of Mr Seaniger, provided a wonderful last day of term. Thank you to Gundiah State School P&C for your catering and care around the cross country course. Best of luck to the Seaniger family and we hope to see Mr Seaniger in his new role as Principal at Gympie South. JMc

## Rossendale Tennis Club HITS 80 YEARS

The Rossendale Tennis Club has now been operating for 80 years. WOW!! Not a bad innings! Our current members and patrons enjoy the vastly improved courts and facilities that have resulted from years of successful sourcing of grant funding to finance the up-grading of our previously dilapidated and out-dated facilities. Many locals remember what it looked like and appreciate our efforts to improve what is essentially a community asset. Our club provides localised weekly sporting opportunities and maintains and operates the courts for the benefit of the community. We are confident the club will operate for many years to come provided more young people in the area get interested in playing tennis. Coaching is the perfect way to start a lifelong love of tennis. It's a great sport!

**Hot Shots Coaching.** Gympie and District Tennis Association Coach Matt Watkins will commence the Hot Shots Coaching program on Friday 8th May at the Rossendale Tennis Club. Lessons will be held Friday afternoons from 3.30pm to 4.15pm for the Beginners group (ages 5-9) and 4.15pm to 5.00pm for Intermediate group (ages 10 and up). The program is for a minimum block of 7 weeks. Costs will be \$70.00/pupil or \$130.00 for 2 children in the same family. Loan racquets are available each week. Please Register with coach Matt Watkins on 0417070129 before Friday 8th May.

**Recent AGM.** Bevan Day was re-elected as President, Mary-Anne Walters as Secretary and Lois Small as Treasurer. We welcome a new vice-president – Kel Small.

The club is going well with 9 Juniors and 15 Adult members. We have now added a new category - Support Members - of which we currently have 24.

Thank-you to all the members who updated their details on Tennisconnect and gained \$5 for our club. We welcome all new members to the club and hope you utilise our facilities, the discounted court hire and use of ball machine.

**New court hire fees** - Non-members \$12/hr per court for night hire, \$8/hr for day hire. Members \$10/hr per court for night hire and \$5 for day hire.

The courts are located at 38 Bauple-Woolooga Road – just off the Bruce Highway and opposite the southern Bauple entrance/exit. To hire courts or for enquiries contact Secretary M-A Walters on 07 41292589 04 3837 4091. mwalters198@gmail.com MAWalters

NEWS IN BRIEF - APRIL 2015

## Gundiah's Gutchy Bridge gets 2 lanes...maybe

Councillor Phil Truscott has approached the Federal Member for Wide Bay and Deputy Prime Minister to talk about upgrading the Gundiah Bridge.

"The bridge is very important, for locals and as a road or regional significance," Cr Truscott said.

"It is a major route for agriculture, freight and passenger transport linking the Wide Bay Highway and Darling Downs to the Fraser Coast," he said.

"It is also every important for Gundiah district families as it links the school to the town.

"The talks with Mr Truss were very good. While it is too early for a result I am hopeful that funds can be found to replace the bridge with a wider structure that can also accommodate a walkway for school children."

Council allocated \$1.2 million in this year's budget for bridge works.

"We will need state or federal government assistance to undertake such a big project," Councillor Truscott said.

## Technology Challenged?

Need someone to step you through computers and new technology?

Try **Broadband for Seniors** at Tiaro Community Centre from Mon to Fri 9-12noon. Ask Brian 41939239 or Michelle 0439741747

Try the new **Technology Tool Bar** at Maryborough Library – a gadget-topped workbench with five different technology tools to explore, including smart devices and laptops. Library patrons are able to familiarise themselves with the tools and the functions they offer. Library also offers basic computer classes.

Tech-savvy... Library technician Deborah McCall shows Brett Powell the devices on the Technology Tool Bar at the Maryborough library.

BAUPLE PROGRESS ASSOCIATION

# Open Letter

**Dear Mayor O'Connell, Cr Truscott, Bauple Recreation Ground executive, and Macadamia House directors**

In 2010 our town got together and identified a vision for Bauple. It was endorsed by council in a community plan in 2011.

Somewhere along the line, some locals and Council lost direction and failed to refer to the community's aspirations in this plan. The BPA's aim is to build the foundation for Bauple to ensure our town progresses.

**If we want the aspirations of the town to be achieved we must work together.**

Therefore, we would like to invite all parties to a meeting with the BPA executive and Mr Bruce Saunders MP in order to discuss options for the most effective use of Crown Land for the betterment of the community at large.

Those on the BPA executive with commercial interests in the town will stand down from their positions for this meeting.

It has been requested the meeting be chaired by Bruce Saunders. We look forward to your participation for a speedy resolution.

Yours thankfully,

John Cummins, Vice President,  
Bauple Progress Association (BPA)

*NOTE: The 2010 Bauple Vision document facilitated by FCRC and 30+ Bauple residents suggests a lot of sensible ideas for community improvement and growth. See <http://www.bauple.com/bauple-vision-plan.html>*

## AWAKE to SNAKES

We have a large number of venomous and non-venomous snakes in our region and their bite can range from deadly to infective. The non-venomous snake bite can contain bacteria which can cause serious infection while the bite from a venomous snake is meant to kill the victim who was bitten.

The Tiaro Food Works Post Office has posters of the snakes in the Sunshine Coast Region which will help in identification of the species of snake and aid with the correct treatment. However ANY snake bite should get medical treatment as soon as possible particularly with young and older people.

**Immediate first aid** such as keeping the patient calm, apply pressure bandages and restricting the movement of the bitten area of the body part e.g arm or leg splints will slow the movement of the venom through the body tissue till medical treatment occurs so the correct treatment of snake bite is important knowledge to learn.

**Snake bite treatment kits** are spread throughout the Bauple and Bauple Forest townships and the people who have these kits display this information on a sign on their front gate and know how to use the kit.

**Research stresses the importance of** -Keeping the patients still.

-Not washing the bitten area as the type of snake may be identified by the venom on the skin.

-Applying the bandage and splint correctly so the patient will be comfortable. The bandage may be left on for 2 hours and only removed by medical staff.

-Marking the bandage where the bite is.

-Writing the time on the bandage when the bite occurred.

-Immediately calling the Queensland Ambulance Service to report this medical emergency—they will organise the quickest and safest means of collecting the patient. A panicked response to this emergency can cause more injury if, for example you become involved in a car accident through driving too fast.

Google "Treatment of Snake Bite" for a good video clip by Qld Ambulance on the correct application of a bandage and splint and other good info regarding snake bite, other types of bites and stings.

June 6 **Relish Fraser Coast** - FCRC

14-20 **Rural Fire Brigade Week** RFB

July **Mary Poppins Festival** -FCRC

July 18 **Tiara Field Day** TDCC & Landcare

### Tiara Field Day Just Got More Exciting

As a result of a generous sponsorship offer from HYNE TIMBER, admission to this year's event will be free. HYNE management felt that this event is of such value to the community that by making it free entry more families will be encouraged to attend and reap the benefits of the day.

**For cattle producers** there will be presentations from John Bertram and Geoff Niethe. John and Geoff are highly respected as the pre-eminent researchers into reproduction and nutrition in the beef cattle industry in Queensland. John specialises in bull fertility and genetics and will talk about bull selection and how to select for desirable heritable traits. Geoff is a lead researcher on cow reproduction and nutrition and will cover that subject. This is a rare opportunity for district cattle producers to gain direct access to a wealth of knowledge from people who are regarded by industry leaders as best in the business. And it is free. John Bertram will also judge the led steer competition.

**Other bits just in.** •Qld Office of Fair Trading will impart knowledge on how to not have your identity stolen along with your money. •ABC gardening guru, **Tom Wyatt** will solve your garden problems. • Horse training display by the **Quantum Savvy** group and •Working sheep dogs as well as the very entertaining •Fly Ball dogs. *And so much more.
