WHAT'S NEW AROUND TOWN?

United Fuel Station

Opening late August: United Fuel takes over Shell Servo in Tiaro. To be open 24 hours with new management. PK

New Principal at Gundiah

Welcome Miss Rebecca Brown who is originally from Stanthorpe via Yarwin. Miss Brown is crazy about Math and real life learning. She is looking forward to settling in and meeting the locals.

New Shop in Tiaro

Simply Unique clothing boutique opens up in the Garden Centre diagonally opposite Foodworks. See ad pg 7.

Tiaro Arts & Craft Fest

It's on this month - 32nd Annual Tiaro Art & Craft Festival at Tiaro Memorial Hall and Community Centre, 8th August, 9:00 am - 3:00 pm.

5.7 Earthquake

Did the earth move? A 5.7 earthquake with 2.8 aftershock, and a further seismic event of 4.7 on 31 July. At this stage no reports of damage and there is no tsunami threat forecast. Via FCRC

Above: BPA facilitated a Fraser Coast Regional Council Chat hosted at Bauple Band Hall. Approximately 60 attended the event to ask Councillors questions ranging from bridges to unemployment.

Community Chat-more than just talk?

It is always a good thing when more than just talk is the outcome of a Community Chat.

Col Bowman, an ex-grazier and forester, is well known for championing issues such as native flora and fauna conservation, youth employment and local agriculture. Mr Bowman voiced his concern about Wide Bay's high youth unemployment statistics (highest in Qld) and the rapidly aging farming industry. Mayor O'Connell reported the council has Green Army projects underway.

A request that more programs be applied for was respectfully submitted.

The Green Army was designed for young unemployed people, who would work on an environmental program of value to their community and leave with transportable skills. (Warren Truss MP has just announced round 4 project submissions open. See page 7. - Ed.)

Mr Bowman also suggested the council sponsor a delegate from this area to **Future Farmers Australia's** Youth in Ag Summit in Canberra this month.

Councillor Chris Loft pledged part of his budget to orchestrate a delegate attending Future Farmers.

Bauple Progress Association (BPA) wished to thank the councillors, residents and community group reps who attended the Council Community Chat

and advised that confirmatory notes including questions and answers will be published shortly on www.bauple.com. Independent moderator Gordon Dale, indicated that while different views existed, communication is important for the town as a whole. Gazette

Japanese Relations

Local businesswoman Yolande Bromet seen here presenting the Nutmobile children's book series to the Mayor of Kasukabe city for his prefectural library.

Yolande Bromet, from Macadamia House at Bauple, met a delegate from Fraser Coast's Japanese Sister City at a special function at Hervey Bay. Mr Sainohira is a manufacturer of rice crackers & cookies and co-incidentally had graduated from the same finance university in Tokyo as Yolande. The meeting may have led to the first business relationship between our sister cities. (Way to go Yolande!! Way to go FCRC! - Ed)

Australia Post now accepts Westpac Banking.

Just another way we make life easier!

POST OFFICE Hours Mon-Fri 9am-5pm. Closed 12.30-1pm daily.

TIARO FOODWORKS Now open Mon-Sat 6am-6.30pm, Sunday 7am-6.30pm **Ph: 4129 2138**

GUNDIAH COMMUNITY CHRONICLE

Edition Number 65

Well, seeing we seem to always start our news with the weather, I guess we have reason to do such again. A record high Temp of 34°C in winter is something to talk about! (Our visitors from the border at Tenterfield said it was put on for the tourists - see snow overnight at -4° then race to the coast for a suntan!) Very nice of the Tourism People to do that!

Christmas in July was a huge success with almost 100 people dancing the night away (past midnight). Lex K and his group were once again a hit with patrons travelling from afar to dance a gypsy tap or two. If you like dancing, our Spring Dance is November 7th! If you live outside our delivery area you can request all the news delivered each month to your computer. See www.GundiahGazette.com.au, or call Sandy on 41293215.

Croquet on Sunday The club is getting bigger and will soon be ready to team against other clubs such as Maryborough and the Bay. If you are interested in having a go, come and say hi on Sundays around 3pm at Gundiah Community Place. Sonia 4129 3241.

Bauple Museum Once again your Museum is looking for volunteers to clean, man the doors, etc. You don't have to be an expert in local history. You will find it's a great way to help your community and make new friends. Contact Pauline on 41292504 for further details.

True Story Well, a secretary in a local organisation ran out of the shower to answer the phone and was caught in a terrible predicament, so we are told. She was undressed on one side of the hallway and the bathroom and her clothes were on the other. That was not so bad, given the country location, nobody can see you, right? Wrong. It just so happened that the president of the organisation was coming up the path to the open front door. What to do? *Oh, if only we had video phones!* The secretary thought for a minute on how she could escape... Then it struck her, she said, "Fred (*not his real name*), do me a favour and get the mail from the post box!" He took off to the mail box at 100mph and she did same to the room to get her clothes. The moral of this story is take the phone in the bathroom with you! IT WAS SUNDAY and believe me this is a true story. Trevor Keightley 41292504

Gazette reaches 5 year milestone

Above: Another tough day in the office! Sue Anderson sorts accounts and press releases for this month's Gundiah Gazette, while keeping an eye on the calves. Sue Anderson is our bookkeeper, news gatherer, print manager and one of our distributors.

Happy Birthday to Us. From humble beginnings in 2009 and distribution to 105 households in Gundiah, the Gundiah Gazette now enjoys a readership across the world, not to mention a distribution to approx 1200 households in the district.

Many Hands. Did you know that many hands make the Gazette work? Over 100 volunteer hours from the Gundiah community and beyond keep you informed every month - intrepid reporting, tall-story writing, news gathering, calendar & event sourcing, history research, editing, collating, planning, proofreading, printing, distribution, advertising sales, bookkeeping and more are some of the jobs that need to be done. Volunteers and budding newspaper editors are always welcome.

Thank You to our Advertisers. Advertising funds (and grants) allow the Gundiah Gazette to cover the costs of producing this newsletter each month. Thank you especially to our long term advertisers. Excess funds are distributed to the community in sponsored events like 'Carols in the Country', distribution

Stop and Shop campaign not for the hinterland.

Council has launched the Stop and Shop campaign to attract RVs, caravans and grey nomads into Maryborough and Hervey Bay.

RV travellers have to spend a minimum of \$10 in a local business and show their receipt at the Maryborough or Hervey Bay Visitor Information Centres to obtain a 'Stop and Shop' voucher to stay for up to 20 hours in designated long parking areas.

"Stop and Shop creates an incentive for the RV market to stop and enjoy our attractions and explore our shops in exchange for an overnight stay at designated Stop and Shop rest stops," Councillor Stuart Taylor said.

"We want them to explore the region and stay longer in one of our fantastic local caravan parks." FCRC

Down Memory Lane MY BAUPLE SCHOOL YEARS

BY JOY EDMUNDS (nee Waldock).

I started School at the Bauple State School on January 1938 when the second World War was starting to rumble in Europe.

My mother, two sisters and brother had all been at this school years before I came along.

We had a Headmaster, Mr Rowe and one other teacher, Miss Mateer. She boarded with Mrs McKellar and Miss Gladys McKellar.

I remember we were each given quite a large garden which we had to look after. That suited me as I came from garden-families.

We all walked to school and some children, who lived further out rode horses to school. We had a horse paddock and Forestry plot – Mr Rowe had us clean it up and taught us about growing trees for forests. He also taught us how to find out the height of a tree by laying on the ground. (Years later, when I got married, my husband was looking for big trees for somebody who wanted some for bridge girders. Anyway, he thought that I would be handy, so down I laid and I could not remember anything else about how to measure, which did not go down too good with him.)

When I was 7 or 8 the war was getting worse I started to get upset at night I heard airplanes going over at night, (never heard an airplane at night) we had been told. I think at school we had to have trenches dug in case of bombs, especially because of the sugar mill, which at night during the crushing season was lit up like a Christmas tree. I found out later that it was the Americans flying to Townsville to be ready for the Japs.

At Bauple at that time we had soldiers all around us camping everywhere. One Doctor from camp near Bates Sawmill used to come up to our house every so often to treat my mother who had an ulcer on her leg.

Some of the children's fathers had come to school and made a large trench for the children in case of bombing. We had been practising to see if we could all fit in to it. Anyway Mr Rowe's wife had a brother who was in the Australian air force. He said he was flying up Bauple way and on a certain day and time we were to all be in the trench. The day came we were all so excited we could see the plane circling above us. The next day he rang Mr Rowe and told him to make sure that if a plane came over to crouch down and not look up as all he could see was a line of white faces, good job we never had to use it.

We invite others to tell us about their lives, growing up in our beautiful area. Contact Trevor Keightley 41292504

Bauple State School Junior Grades 1939. Back Row: Gloria Baker, Mavis Chapman, Noela Wheeler, Ronnie Rowe, Edward Burns, Geoffrey Hutchings, Keith Eastwell, Jack Davis, Pearl Vollmerhausen, Edna Merrick, Maureen Buckingham.

Gundiah Memorial Hall's Christmas in July Dinner Dance (pictured right) on July 25th was a great success. 93 people were catered for and tables had to be cleared to make way for the dancers. Many thanks to Lex K and band. The organisers and band have recreated a traditional event that is quickly becoming very popular again. *Gazette*

NEWS IN BRIEF AUGUST 2015

GUTCHY BRIDGE UPDATE

Phil Truscott reported that FCRC is still negotiating with the State regarding getting finance for the Gutchy Creek Bridge and they are looking at a Plan B. "I would ask that people don't hold their breath as these things take a while when there is so much money involved. I would also like to thank those people that sent letters of support for the bridge- much appreciated. When I have some more concrete news or dates I will let you know." *Phil Truscott 0448 051 462*

NETHERBY ROAD REPAIRS

For a fair while now I have been driving on Netherby Road and noted the small

section that seemed like, if you're impatient like me, was taking too long to fix. I am just writing to let you know that Council has just done (see photo) minor repairs to flood damaged section of Netherby Road until major repairs can be undertaken next year.

The road was damaged when Cyclone Marcia hit the coast in February 2015. The restoration project has been approved by the Queensland reconstruction Authority. Council is having designs prepared for all approved roads repairs. This is a time consuming process and designs are anticipated to be ready for construction in late September.

The next step is tender the approved works and engage a contractor to undertake the restoration works - potentially a contractor will not be able to commence work until late this year with the works not finishing until next year. It is a long process, but it has to be followed to ensure that Council is eligible for the available funding. *Cr Phil Truscott.*

Historic Baddow House will soon open its doors

Baddow House was built in 1883 for Maryborough pioneers Edgar and Maria Aldridge. "It really is a rags-to-riches story; neither of them were born into wealth and Maria actually arrived in the colonies as a convict," Cr Seymour said. "The house was designed by architect Willoughby Powell and constructed by builder Fritz Kinne. "Both Powell and Kinne were highly respected in the colony for their skills," Cr Seymour said.

"Baddow House will be open from 10am to 4pm on Saturday, Sept 26. Maryb'h Open House (26 & 27 September) will feature more than 36 heritage buildings as well as 17 private gardens. FCRC

SCHOOL BUZZ JUNE-JULY 2015

Trivia Night Full House

A big thank you to the community of Theebine and District for your support of Theebine's State School's June Trivia Night. (Pictured above.) This was a new concept to some of our community and with a little trepidation, and much preparation, our Quiz Master and former Theebine SS student, Joy Royce did an excellent job as MC. \$1500 of prizes had been collected from local business houses, and a mixture of competitions and the chance to buy some answers kept teams competitive. Again, thanks to our small P&C group who again were outstanding with preparations and conduct of the event. Heartfelt thanks to Joy and her husband who travelled up for the evening. It was reassuring to have Joy constantly emailing late into the night to fine tune our trivia questions, PowerPoint and copious lists and recording sheets. We look forward to more Trivia in 2016.

Theebine Adventures

The last day of Term 2 was action packed starting with a performance by the Brisbane based **Kops in Kilts**, then **An 'eggcellent' day** was had by all at the Theebine and Gungalda State School Annual Egg Drop Competition. Weeks of preparation went into the designs, which aimed to allow the egg to land safely and in one piece! Some

very interesting designs provided lots of entertainment as the crowd of students counted down each drop.

Redclaw. We visited the famous local Cherax Park Redclaw Aquaculture Farm at Theebine. Mr Moore gave of his time to show us life on an aquaculture farm. Having investigated these unique crustaceans at school, it was great to actually see and touch them up close. What was really interesting was how far this local product had been sent around the world. Thank you again Mr and Mrs Moore.

Jo McCormick

Above: The Theebine and Districts Athletics Day - Being the smallest school at did not dampen Theebine's spirits. Cheyene was able to obtain a 1st in shotput and a 3rd in discus.

Fastest parents in district!

Gundiah parents won the relay at Theebine District Sports Day in a decisive victory! This is a first, as far as we can discern.

Pictured below from left - Gundiah's new fleet-of-foot principal, Miss Rebecca Brown, Jim Ebert, Sonia Kennedy and Michael Sal.

BAUPLE BICYCLE GYMKHANA

This year's Bike Gymkhana attracted 26 competitors.

Bauple Scout Group had a lot of positive comments on the day, and there was a suggestion that next year there should be a category for the adults! (We did have that in the early years.)

Unfortunately the number of nominations received on the day led to a delay in starting the day's events as the competitors names have to be entered onto all the score sheets, and during lunch break and the final event, time has to be found to print the extra certificates as well as enter all the scores onto the master score sheet to determine winners. It gets pretty stressful trying to keep to a schedule in these instances.

It is planned to present the engraved medals at the **Bauple Bash**. A big 'Thank You' to all the helpers on the day, it was much appreciated and helped to keep things going. The lucky winners this year are as follows:-

Under 8 Olivia Baker -Gold

Quinn van Muyen-Harris -Silver

Under 10 Hayden North -Gold

Isaac Da Ros -Silver

Under 12 Jaycob Baker -Gold

Noah Da Ros -Silver

Under 14 Eyerus Dale -Gold

Join the Green Army

4 August 2015. Applications for projects under Round 4 of the Green Army programme are now open.

"We want local people to join the Green Army and work on local projects in our region. I also encourage local groups to come forward with ideas for Green Army projects," Mr Truss said.

"Community organisations, Landcare groups, natural resource management organisations, environment groups, Indigenous organisations, local councils and others can now nominate for new Green Army projects that have a clear focus on environmental conservation or National or World Heritage places."

"For young people aged between 17 and 24 in the Wide Bay region, joining the Green Army is an opportunity for paid work, while receiving practical experience and training in land management and environmental conservation.

"Placements in Green Army projects run for 20-26 weeks and young people may gain certificate 1 or 2 qualifications during the course of their placement.

"The Green Army encourages practical action to support local environment and conservation projects and will provide training to 15,000 young Australians by 2018," Mr Truss said.

Applications for projects under Round Four of the programme close at 3pm on Wednesday, 16 September 2015.

QCWA Cooking Comp - a tasty success!

May we offer our congratulations to the **Tiaro Farming & Lifestyle Field Day** Committee for a very successful day. (July 18th) As this was the first time that a Cooking Competition has been held at the Field Day we were really testing the waters because in the past we have usually had a Food stall.

On the day we received 43 entries in the various sections. The most popular cakes were the Boiled Fruit Cake and the Children's Under 12 Patty Cakes. Both sections had 9 entries. The Chutney class also had 9 entries, and we received entries from some gentlemen! In fact, between them they took home 3 first prizes. A new section to the cooking was using a Slow Cooker to cook your cake and this was judged by Simon Christie, husband of Paulane who has written a recipe book just for Slow Cooking. We would like to thank her for a donation of one of her books for the winner. Our judges were Alison Easton and Jill O'Shannassy who had a difficult time making decisions between all the lovely entries.

The Gootchie Girls would like to thank the Tiaro Farming & Lifestyle Field Day Committee for suggesting our Cooking Competition and maybe in 2017 we will have 100 entries in the Competition.

If you have any enquiries please ring Lyn Kelman on 4129 3212
