## ANZAC Day Honoured

For a small local community, much gratitude was shown for the sacrifices of many young men, women and their families for our freedom and country.

**Tiaro.** The clouds diffused the rising sun, and the air was warm for late April as over 200 attendees observed the honour guard, march past and minutes silence at Tiaro's cenotaph and memorial gardens.

Peter Kelly and President Don Jones from the RSL officiated in the service that focused on the 100th anniversary of the RSL and honoured those who served in all the conflicts seen by this nation.

**Miva.** Around 130 people attended the Memorial Service at Miva. This meeting has a very rural, gracious and reverent atmosphere and is held in the CWA

building and grounds annually. Mayor Chris Loft, Gympie Cr Glen Hartwig and Mr McClintock (minister) attended. Troy Odgers (*pictured below with his mother, Pam*) gave an informative and humorous talk of his military service. Alan Preston (*pic*) played the Last Post.

**Gundiah.** A memorial service was included in the ANZAC dance at the Gundiah Memorial Hall 30 April. LEST WE FORGET.

## Bauple Progress Association

Residents, Community Groups and Friends are advised our next meeting is to be held on 2.30pm Saturday, 14 May 2016 at Bauple Band Hall. (Cnr Band Hall Rd and Main St.) Our new councillor, Anne Maddern, will be attending. Membership forms will be available - \$5 annually. Looking forward to your support.

# GUNDIAH COMMUNITY CHRONICLE

Edition Number 73

Well readers, it's May (hard to believe), and the good Lord must have given us a green light as the cattle are saying they are very happy and won't bother eating over the neighbour's fence – YET!! All reports are saying that it looks like no winter again this year.

**ANZAC DAY** service in Tiaro was well attended with approximately 300 adults and children-I think. We must thank the schools for involving their young students more each year. We are proud of them. The ANZAC's that gave their lives will be remembered forever as a symbol of our freedom.

**THE ANZAC DANCE** (30 April) at the Gundiah Hall was a great night with Lex and his band. It was good to see the young people play with the band too - good on you Ryan Kelly and Amy Ross! There was a good crowd and, appropriately, the evening started with a tribute to the ANZACs followed by a truly superb dinner and dessert. Groups of dancers came from Tinana, Bauple and Hervey Bay and the old hall came alive once again. Next dance is in July 30th - see our date savers.

**ELECTIONS.** Well most of you will know your Division 2 Councillor is Anne Madden who just pipped Phil Truscott at the finishing line. We thank Phil for his work with the community during his term. We look forward to working with Anne.

**BAITING.** A good turnout of local farmers was held on 29th April for the council sponsored baiting program. If we can continue this during the year it will help to keep our area clean from feral dogs and dingoes. For your records Col Zemek (FCRC) advises the next bait will be in September. The Gazette will advise and remind you again closer to the time.

## It could only happen in Gundiah..

A Maryborough judge reviewed a local divorce settlement very carefully and decided to award the wife \$700 per week... the husband, who shall remain nameless, thanked the judge and said that he might try and give her a few dollars himself. (boom, boom!) See you next month!

Trevor Keightley 0456916111

## POLICE TALK.

**Speeding:** Exceeding the speed limit by 40km incurs a large fine, and if apprehended a second time, your licence will be suspended and car impounded for 90 days;

**Permit to close a road** - the procedure to follow needs to be requested 30 days in advance of the function being held. You cannot just close a road for an event without permission or you will receive a fine.

### Tiaro Police Division Consultative Committee

With the aim to represent the Community's interests in matters of safety and security and to promote a good working relationship between the Police and the residents, please be advised of the next meeting **Wednesday 4th May 2016** at the Glenwood Community Hall, Glenwood. 7pm. Supper will be served. For further information please contact Lyn Kelman on (07) 4129 3212 or lynanjo-hn@bigpond.com

*(Public meetings are held at different locations on the first Wednesday of every third month, commencing at 7pm.)*

## Lillian

Lillian Coyne asked us to thank those present at her 90th celebration party and those that could not attend but sent their wishes, (some were cooking sausages). She had over 100 present. So I think we will start preparing for her 100th with the Queen. Good on you Lillian.

## FREDERICK BAKER

Englishman, Teacher and Pioneer.

Frederick Baker was born on the 1st January 1844 in Milborne Port, Somerset Shire England. His wife, Wilhelmina Charlotte Suhr (Minna) was born 27th February 1847 in Hanover, Germany.

Fredrick and Wilhelmina married on the 12th July 1872 at the parish Church of St. Giles in the Fields, Middlesex, and mainly lived in the London area before immigrating to Australia. Their first child, Max, was born in England - 14th of April 1873.

The arrival of the Sailing ship "Clara" in Morton Bay on the 22nd February 1875, was the beginning of a new life for Frederick (age 30) and Wilhelmina (age 25) and Max (age 1).

**Family.** A month after arriving they gave birth to Edward, and 10 more children followed: Frederick, Elizabeth, Frederick, Edmond John, Alfred, Herbert John, Eveline, John, Alfred, and Ellen.

**Head Teacher.** After arriving in Australia Frederick spent the best part of his life as a head teacher. He took a keen interest in State and Federal politics and was a very strict man.

**Eagle Farm to Tiaro.** His first position as a head teacher in Australia was at Boggy Creek School near Eagle Farm. He was then transferred to Harrisborough State School near Toombul. In 1887 he was the Head teacher for a small state school at Fernvale near Ipswich, sadly this is where third son, Frederick, died after a short illness.

He continued moving from school to school using his firm hand to correct each schools problems. In 1878 till 1880 in was sent to Postman's Ridge State School, near Helidon, Lockyer

Valley as it was found to be in a very unsatisfactory condition and the attendance was irregular.

In July 1880, Frederick was the head teacher and he also had an assistant teacher to help. Capalaba was at that time a half way point for Travellers on the Cobb & Co trip for farmers between from Brisbane and Cleveland. (cont. p4)

(continued from page 3). In August 1983, Frederick was appointed Head teacher at **Southport** School with up to 123 students. He supervised 3 teachers and Wilhelmina was reinstated as an assistant teacher.

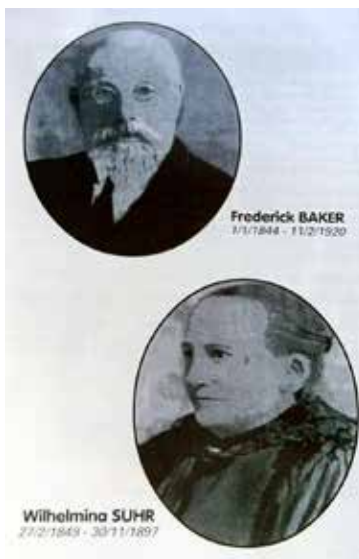

In January 1890, he was promoted to a larger school being **Tiaro State School** and was to remain there until Sept. 1900. There were 4 student teachers and up to 150 children in attendance. The school at that time was a two room timber building with a shingle roof. Outside there was a play shed and a big paling fence that divided the boys from the girls, the old school was situated where the present school stands on the hill.

**Life changes.** It was around 1897 that Wilhelmina became ill. It was said that she spent some time in Toowoomba trying to recover, however she became so ill that she died on 30th November, 1897, aged 45.

Frederick was said to have travelled to Germany in connection with Wilhelmina's estate, when he returned he resigned his position from the education department on the 30th September 1900.

**Bauple Farm.** With the growing of sugar cane, such became a viable proposition which Frederick carried on successfully for the next 20 years. He was one of the first pioneers to grow sugar in the area. He was surrounded by his large family who also prospered in Bauple.

Frederick became ill and retired to Brisbane. He died 11th February 1920 at age of 76. Both Frederick and Wilhelmina are buried at the Tiaro Cemetery.

## QRAA - Supporting Agriculture

QRAA's Client Liaison Officers can provide specific advice to producers about eligibility for these schemes and which approach may be best for each individual farm business.

**Loans Available.** With interest rates starting at 2.71 per cent, **Drought Recovery Concessional Loans** offer a unique pre-approval process. This allows producers to apply for loan of up to \$1 million whilst still in drought. Approved applicants can then access funds to undertake planting and/or restocking when seasonal conditions have improved.

**Deadline.** Only available until 30 June 2016 - producers should avoid self-assessing and contact QRAA without delay. Producers are also reminded that applications require a Rainfall Deficiency Report as part of their application.

**Productivity Loans** - Are you interested in boosting the productivity of your current operation by upgrading,

expanding or diversifying, or owning your first farm? Low interest rates are available for one year (3.39%), three years (3.38%) and five years (3.56%) on loans of up to \$650,000 with up to 20 year repayment terms:

**Sustainability Loans** allow producers to invest in projects such as property expansion, improved water infrastructure, enterprise diversification, supply chain and value adding initiatives, more efficient irrigation systems and energy efficient equipment e.g. solar pumps, more efficient heat transfer systems etc.

**First Start Loans** support those aspiring to buy their first farm and facilitate succession planning for those looking to become partners in the family farm.

QRAA's Mark Barrett, will be at Agrotrend Field Days, Bundaberg Canegrowers marquee - May 6&7. Primary producers can refer to [www.qraa.qld.gov.au](http://www.qraa.qld.gov.au) or Freecall 1800 623 946. QRAA

## Green Army recruiting for Mary River flood damage restoration

"Conservation Volunteers Australia (CVA) will be hosted by the Gympie Regional Council to undertake Green Army projects aimed at restoring river banks damaged by flooding and rainfall," Mr Truss said. Sections of the Mary River have been severely impacted by flood events including heavy rainfall from Cyclone Marcia.

The Green Army team will aim to fence and revegetate priority sites along a 6km section of the river to protect against vehicular and pedestrian access.

**Join up.** Enthusiastic 17-24 year olds are encouraged to join the Green Army, which is fast becoming the largest-ever team of young Australians participating in practical environmental action across the country. Participation is open to Indigenous Australians, school leavers, gap year students, graduates and job seekers aged between 17 and 24 years. "Green Army projects are underway around the nation and young people who want to gain valuable skills, training and experience in environmental and conservation fields are encouraged to register their interest", Mr Truss said.

Anyone interested in joining the Green Army can apply through the appointed Service Providers for each state and territory. Contact details for Service Providers are available from [www.environment.gov.au/green-army](http://www.environment.gov.au/green-army).

## New nbn satellite broadband launched for Wide Bay

2 May 2016. Quality broadband services will be available with nbn's Sky Muster Broadband Service commissioned recently. Warren Truss said this is great news for residents living in regional, remote and hard to connect areas as they can at last gain access to affordable high-speed broadband services.

Offering download speeds of up to 25 Megabits per second (Mbps) and upload speeds of up to 5Mbps, the Sky Muster service will provide equal priority to new customers and current nbn Interim Satellite Service users migrating to Sky Muster. Around 5,000 users per month will be connected in the early months of the rollout before scaling up to 10,000 installations per month later this year.

Homes and businesses will be eligible to connect to the service if they are outside of nbn's fixed line and fixed wireless coverage areas. For more information on eligibility and retailers visit:

[www.nbnco.com.au](http://www.nbnco.com.au) or 1800 687 626.

The room is also hired out for those in need of a spacious air conditioned room.

## Theebine Science Adventures

This term Theebine State School are studying Space in Science and Bridge Building in Digital and Design Technologies. On Friday, 22 of April we visited the Brisbane Planetarium at Mt Coolum. Besides the great display we enjoyed the Cosmic Skydome show. We watched the changes in the sky as we reclined in our seats. We were atop the Storey Bridge at one stage and then we were in space looking down on Australia. We saw the change in the path of the sun and moon during the year. We identified planets as they appeared in the night sky. It was a great show.

**Bridges.** On Friday, June 24 we are having a "Build a Bridge" day here at Theebine State School with our neighbouring schools. Our mission is to build a bridge that will withstand a nominated weight – out of straws! We have visited some of our local bridges too, investigating the materials and method of construction and the purpose of the particular design.

**Our 'Kops in Kilts'**, the Queensland Police Pipes and Drums Band, will also perform on this, the last day of term. The community is welcome to attend the performance which we are assured will again be fantastic. Jo McCormick

## Gootchie Girls Gossip

MAY 2016. Well we are about to be saying, "It's our turn for some rain!" It doesn't seem to be happening here in Gootchie. I'm sure I don't know when Autumn is going to start, although its getting nice and cool for sleeping.

**This month: K&C** 26th May. (That's Knitting, Crochet, Cooking, Photography, Flower arrangement and Jam and Pickle-making competition. +Tombola.) See our flyer on p8.

**International Day** on June 16th & **Scrabble Challenge** Sept 22nd.

**ANZAC Day.** This past month we took morning tea for the residents at Petrie Gardens with traditional ANZAC biscuits, of course! They held their ANZAC Day three days early. It was lovely! Dennis recited the Ode and read 'Flanders Fields'. It was all very moving. Then on Monday I laid a wreath at the Dawn Service in Tiaro on behalf of the Gootchie CWA.

Above & Right: Gootchie & Tiaro QCWA members do the pub to pub walk from the Royal to Hideaway Hotels. They earned a cool drink before the walk back.

**Walking Women.** On April 29th, the Gootchie Girls all went on a walk supporting the 5th annual Associated Country Women of the World (ACWW) Walk. This is also the 5th year we've joined with the Tiaro Girls for our "Pub to Pub" walk and back. The original idea was that women all around the world would walk as a group, on April 29th, to raise money and promote ACWW as a way to link women world wide. This year Lyn, Delores, Maggie, Gail, Jill and myself enthusiastically walked along from the Royal to the Hideaway. On the way back we were even more enthusiastic, as with brollies up, we made a dash for home.

Had it not been such a overcast day our numbers would have been greater... but there is always next year!

That's about it for this month's Gossip, so until next month, take care and remember—"The nicest thing about the future is that it always starts tomorrow."

Pauline & the Gootchie Girls.

## New QCWA Units for Tiaro

The proposed QCWA Burnett Division duplex to be built in Tiaro for use by the aged, low income, or disadvantaged people would be an advantage for those wishing to remain living in a community that they are familiar with.

The first stage of the 2x2 Units was opened in May 1994. Stage 2 commences on May 3rd with a completion date in late July. These two bedroom units will be available for rent. The Burnett Division will then have four Units on this site.

QCWA over the years has always had foresight to provide facilities and support for people in need in rural areas, whether it be residential, drought, domestic violence or just someone to talk to.

Gail Nancarrow, Chairman 4129 2237.

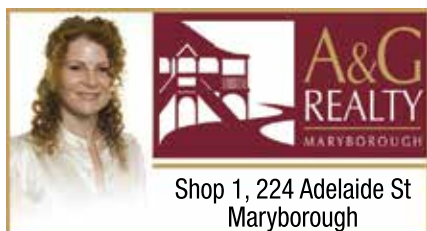

## Tiaro QCWA News

**Improvising.** The CWA have just held their Hoy Tombola, with a wonderful crowd gathering for fun and hopefully win a prize. Through the door came one of our regulars, that had turned 90 years old the day before, no cake, what will we do? The watermelon was spotted, and with a candle on top became the cake, one might say healthier??

**If you enjoy craft,** every Tuesday you'll find a lovely group of ladies chatting, and clicking and making new things under the watchful eye of Gail Warwick in the Hall from 9am-3pm. Contact Gail on 41292551 for details.

**Our meetings** are now on the 1st Thursday afternoon at 4.30pm on a trial run to enable more members to attend. Now is the time to join if you would like to become a member.

Secretary, Gail Nancarrow Ph 41292237
