Join in the fun with food, rides, bars and entertainment. The Street Party will showcase Aboriginal and Torres Strait Islander Performers from our region. Contact Leon Nehow 07 4125 9366.

Christmas in July at Gundiah

Saturday July 30. 6pm. Join us for our famous Dinner Dances – Christmas dinner and Old time dance, games and fun at Gundiah Memorial Hall with Lex and friends. See pg 12.

Above: Candidates for the House of Representatives introduced themselves to the community on Monday 20 June at Tiaro Memorial Hall.

Seven vie to represent you in Federal Parliament.

The seat currently held by LNP Warren Truss is up for grabs after more than a quarter of a century, and seven candidates put their hand up for your vote.

Unfortunately, the local turnout was very small considering the full house for the recent council event. The Gazette is guessing less than 20 people attended over and above the support groups for the candidates and organisers. There was no need to fight over the refreshments.

Darryl Stewart chaired the meeting well, giving appropriate digs on local issues to be addressed by federal government. All candidates were given 10 minutes to introduce themselves and what they can offer the electorate.

The level of political experience and knowledge ranged greatly between the candidates, but they all exhibited passion and courage to put themselves in the firing line.

Questions from the floor included how exactly had taxpayer money funded their campaigns, concerns about red tape and getting things done, spending and deficits, and money for education.

The Gazette has included information

supplied by the candidates - (see page 10) - with contact details for your convenience.

GUNDIAH COMMUNITY CHRONICLE

Edition Number 75

Well, readers, my stories are a little different now. We moved closer to water – this time it is salt. The first day gave us 5 inches of rain - I mean, why not give it while we worked at Gootchie? Or is HE trying to tell me something... only joking. It has been a long time since I've seen water come down in such torrents.

Lousy Speller. I must tell you I am a lousy speller. (*No kidding?!-Editor*) During the move I came across an English paper from my engineering course during the 60s. My teacher loved the red pencil and never missed a spelling mistake. But on the last page, in red of course, "Trevor you will never be a good speller but I will give you a 100% mark for an excellent report." I thought I was a winner on Channel 7's 'Chance'!! It made me think of the kids and some of the teachers of today – they don't have that problem because they have 'spellchecker'! But would they get 100% for spelling at school?

Eyes only. I went to the eye specialist as I had pains in my eyes and found I have a cataract starting. A friend of ours reminded me that we adults should have a yearly eye check. If you would like a Gundiah chick to look into your eyes, ring Ros at SpecSavers. 4121 0684
Baiting. Just a reminder that the next bait is September. Let's try to increase the properties and ask your neighbours to participate. If you need advice, we recommend you call Col Zemek on the council line or his mobile.

Well readers, that is this month of news and stories and now it is election time coming. We have some advice and recommendation: DON'T WASTE YOUR VOTE!!

Trevor Keightley 0456916111

Writing your Story...

To enact Trevor's plea, the Gazette is making it easier for you to write your own history. Each month we will give you a question or two to hopefully jog some memories or thoughts that you can write, email or dictate. It's easy to start!

Store them somewhere your family can find them OR send them to us at the Museum. We have family files.

1. What is your full name, what are your parent's names and what do you know about your name?

LETTER TO EDITOR

Sports Precinct

I am absolutely perplexed as to how the Fraser Coast Council could make such a bad decision, and because I live in democratic society I am permitted to say so.

This plan was flawed right from the start, to this day and beyond. This could have been so much better a project and been inclusive of all, and every person would have been able to enjoy it. This is not a project for haste, we are talking multi millions of dollars. Already committed \$10 million of rate payers money and Howard not even sewered. I expect Council to undertake due diligence and respect the community that they represent. The report was missing 2,636 signatures opposing. How can they make a decision without all the facts? The Sports Precinct, besides rates, drugs, domestic violence, unemployment etc was the Local Election decider.

Separate surveys were undertaken by various platforms; seems the majority no longer have a voice.

Now we have no money, no promise of funding and not knowing the final cost and not everyone will get to enjoy it, but I bet all rate payers will continue contributing. To date most projects have run well over budget, so expect costs to rise. Lucky, they have a bit of cash stowed away for these types of bad judgement calls. 'Reminds me of the Wide Bay Water Fiasco. So many questions still unanswered.

Tiaro's Sons...

Herbert Claude RAYNER

Private # 1994B. 47th Battalion, 3rd Reinforcement. World War I

Herbert Claude Rayner was born on November 30, 1896, in Tiaro, the second son of Henry Rayner, 31 and Alice Rayner nee Ingham, 24. Herbert

Alice & Henry Rayner
circa 1895

and his siblings were second generation Australians, with his father also being born in Tiaro and his Grandfather immigrating from Norfolk, England around 1858.

His two brothers, Clemence and Edgar and a sister, Mabel, attended Tiaro State School and were of the Presbyterian faith. Herbert lost his father and grandfather around the age of 13.

Herbert was 19 when he enlisted on 18 February 1916. He was single and employed as a labourer.

His Unit embarked from Brisbane, Queensland, on board HMAT A46 Clan Macgillivray on 1 May 1916.

He was killed in action in the Battle of Messines on June 7, 1917, in Belgium, at the age of 20. He has no known grave and recorded as buried in Ieper, West-Vlaanderen, Belgium. He is memorialised on the The Ypres (Menin Gate) Memorial (Panel 27), Belgium.

Medals: British War Medal, Victory Medal

Next month we will salute Herbert's cousin: 4125 Pte John Alexander RAYNER. As always, please contact me if you have further information. Trevor Keightley 0456 916 111

Lamington Bridge turns 120!

Lunchtime History Talk

Friday July 8, noon at Maryborough Library. Maryborough's famous Lamington Bridge will be the subject of the next lunchtime local history talk to be presented by Deputy Mayor George Seymour at the Maryborough Library. Built 120 years ago in 1896, the Lamington Bridge has survived every flood following the record 1893 flood that destroyed its predecessor.

Down Memory Lane: The Browns of Bauple

Scottish descent. John Brown's grandfather, Daniel Brown, was a Scottish school teacher. His father, Archibald Crawford Brown, emigrated in 1879.

John (Jack) Brown was born in Taroom Qld, on 17 June 1883. Jack 'came from Bundaberg' to Bauple to work in the Sugar Mill.

Married. In 1914, he married Hannah Dempster, daughter of Martin Dempster and Hannah Gee of Bauple—early settlers in the area. Hannah's grandfather was from Northern Ireland. Hannah and John settled in Bauple and had 6 children – Edward (Ted), William Crawford (Bill), Archibald John (Archie), Elison (Elsie), Grace and Alan James (Jim). All the children attended the Raby/Bauple State School.

Bill, Ted and Archie were all members of the Bauple Brass Band. Bill and Ted both enlisted in the second World War and saw service overseas in the Middle East.

Mill Workers. All the male members worked in the Sugar Mill during crushing season and did odd jobs during the slack.

John was Secretary of the School committee and was heavily involved in the Committee founding the seaside resort of Tinninbah (Tinnanbar).

The family loved sport - Football, Cricket, Tennis and fishing. The boys were all good footballers and Archie played for Maryborough. The family would walk out to Tinana Creek when the creek had fresh in it. They were all

keen dancers and went to the dances at Bauple, Gundiah and Tiaro.

John died at age 60 - 21 October 1945 in Maryborough and was buried in Tiaro Cemetery. Maryborough Chronicle 30 October 1945 stated 'John's death was sudden. John was a resident of Bauple, but had also resided in Gympie for some time, where he was a member of the Pirates Club, a rugby union team. At the time of his death he was working for the Bauple Sugar Mill... He left behind a wife, four sons and two daughters.' TK

The Anne Report

Hello everyone

Here are a few details from the Council meeting 15 June:

Small Communities Portfolio. I am tasked with looking after the interests of all the outer lying communities, both in Division 2 but also in other divisions. Small communities are great to work with and I'm very much looking forward to catching up with everyone over a period of time.

Sports Precinct. The report on the Sports Precinct was delivered, however, I have serious concerns about the validity of the data underlying the report. I am concerned that there will be significant on-going maintenance and management fees, ...the sporting communities away from the precinct will miss out on funding and upgrades, that there no consideration of facilities needed for older people to keep healthy and well...[and] that residents are not supportive of the idea. I voted against continuing with the precinct.

De-amalgamation. I moved a motion to acknowledge that there are a significant number of residents who feel disenfranchised as demonstrated by a petition tabled in Parliament and referred to in public participation at the May meeting..and to have a report on a process that might be followed for the consideration of the community. The motion was defeated 2/9.

Mobile Council Officers. Council will investigate an option to have mobile Council officers to out lying areas.

Bauple Sustainability. Even though the Bauple community is looking to grow their economic base, my motion to investigate re-opening the RV site on the Rec ground and therefore extending the RV options was defeated. The council feels we need to look to other options to grow the economy and are looking to members of the community to assist.

Less Funds for Foreshore. There has been a lot of work carried out on the Esplanade, it looks very nice, but now it is time to concentrate on other areas of Council responsibility.

RVs. We are collectively working to grow the RV industry. It seems numbers are increasing at the RV park at Tiaro and that is a start. Keep safe and stay well.

Pam Odgers leaves home after 49 years in Theebine

At Right: Pam Odgers with her eldest son Troy from Townsville enjoy a sendoff from her Theebine friends in June.

Pam's Farewell

Following the hall meeting on Monday afternoon 6 June, committee members and others gathered together to farewell Pam Odgers who's leaving the district after 49 years.

Active in the Community. Pam and her late husband John have been active members of the community in all the year's they've lived at Theebine and encouraged others to do the same. The Theebine scouts, school, hall, church, masonic lodge, fire brigade and Miva CWA all benefited greatly from their involvement. Pam willingly shared her skills in the kitchen at functions and ensured everything was done to a high standard.

Stories were told by representatives from local organisations who acknowledged her involvement over the years. Many of these stories related to Pam's aversion for the colour green, but surprisingly none mentioned the Silver Wedding Anniversary when the Odgers children presented Pam and John with a "Love Swing" which promptly suf-

fered an "unplanned disassembly event" which left the couple seated on the floor in the middle of a crowd of a hundred or more, in the Theebine Hall. They had been blindfolded for the presentation so this came as some surprise.

Pam leaves with many wonderful memories of her life in Theebine and friendships made here will continue on. Everyone wishes her well in her move to Hervey Bay where she grew up and went to school.

Pam will be sorely missed... *Kathy Dakin.*

Moya celebrates 100

Tiaro beginnings. Moya Stockwell was born in 1916 at Maryborough's Lady Musgrave Hospital to timber-cutter Ted Stockwell and his wife Cassie, and lived in Tiaro with her eight brother and sisters. Moya attended Tiaro State School, Maryborough Girls Grammar School and then trained as a teacher in Brisbane. After teaching on the Darling Downs, Moya married Fred Sonnenburg in 1941 and they had five children who attended Tiaro State School and high school in Maryborough.

Moya was very active in local affairs in Tiaro and taught at the State School until the family moved to John Street in Maryborough in January 1962.

Maryborough. Ms Sonnenburg taught briefly at the Christian Brothers' School and at Central State School until she retired at age 60. She travelled overseas a number of times and was a volunteer with Meals on Wheels and was president of Maitlia Potters (Bottle Brush Crafts) for many years.

Sunshine Coast. At 89 she sold her home and moved to live with her daughter on the Sunshine Coast. When asked for her thoughts on reaching 100 Moya said "I just accepted getting older, but after I turned 90 I wondered about the future". "I hope to have good health, so as not to be a burden on anyone." "I have really enjoyed my grandchildren and now their children; I'm Great Gran to them." (She has 12 grandchildren and 16 great-grandchildren.) She said she loved gardening, which along with yoga, kept her fit and healthy. (FCChronicle 18.6.2016)

Theebine School Science Adventures

Local Bridges Excursion

Thanks to Mrs Jenny Nahrung we were able to visit local bridges, not only discovering their construction and purpose but hearing local tales and history.

Arafin and Oscar found their surname on the Dickabram Bridge monument. We learnt that bridges made life easier for residents.

Students used their iPads to record a historical item for their paintings, which were entered into the Heritage Art Competition.

We didn't need to go far to see the pylons and bases that hold up bridges. Behind the school we discovered the old structure for the railway bridge over Slatey Creek.

And of course the new structure for the Electric Line over Slatey Creek.

We thought it would be a great idea to go down to the creek again and look for tadpoles. We enjoyed our lunch under the new railway bridge.

Mother's Day.

We celebrated Mother's Day with a High Tea. Our local mums enjoyed dainty sandwiches, smoked salmon and cream cheese mini pikelets, strawberries dipped in chocolate and mini-cupcakes, all made by students. Mums then took home a hand-made bath bomb and a rose! Remember to always thank your hard-working mum. Above: Decorating the mini cupcakes.

Bauple Progress Assoc. calls for computers

Internet Kiosk. Discussions have been underway with local businesses and community to start up a free internet kiosk at the Purple Building in Bauple opposite the Museum. This is designed to help anyone with everyday computer problems like connecting to Centrelink, applying for passports, finding out information, Google searches, learning about Facebook and more.

They plan to offer printing, scanning and other business services for a small cost if needed.

Barbara Cummins from the Bauple PA said, "We are applying for grants and are looking for support to get this idea up and moving. If anyone has a computer to donate to the community, we are looking for as many as possible."

Thank you. John Cummins said he would like to thank Anne Maddern for her support and attendance at meetings. "The council has been great," he said.

Next Meeting. The next meeting for the BPA will be held on Saturday 13th August at 2.30pm - they are currently confirming the venue. Please contact Barbara for details, 0411 692 558. baupleprogressassociation@gmail.com.

NEWS IN BRIEF

Tinana Interchange starts August

Upgrade works are expected to begin in August on the \$38 million Tinana Interchange. The Georgiou Group had been selected to undertake the works. "Works will include the construction of a new overpass on to Maryborough-Hervey Bay Road, off-ramps and the introduction of a wide centre line treatment." *Warren Truss/Llew O'Brien*

Be your own bodyguard - Karate for all ages

Above: Mark Walkerdon (far right), and students at Kumiai Ryu Martial Arts System in Maryborough stand 'guard up' after a grading session on Tuesday night. Fitness and self defence training is valuable for all ages. Contact Mark on 0427 784 543 to find out how you can be your own bodyguard.

Local Objection to Sports Complex.

Darryl Stewart, president of Tiara Chamber and long term president of Maryborough and District Junior Cricket Committee, sent a lengthy rationale to Fraser Coast Councillors urging them to note local objection to the Hervey Bay Sports Precinct. He didn't mince words. They didn't listen. His main points were:

- no provision for cricketing facilities
- no provision for junior football
- no athletic and field events catered to.
- oversupply of hockey fields, football fields
- facilities proposed are winter sports (except tennis) ~ complex unused for 50% of the year.
- no provision for seating at least 10,000
- peak time congestion (eg., Saturday mornings for junior sports) with
- no provision for parking vehicles close to fields
- little or no consultation with local associations.
- no regional interest in permanently playing all sport at Nikenbah.
- not situated centrally~access issues
- minimal permanent job increase.

"In short, it is the view of many regional and rural ratepayers that the concept is ill-conceived and designed to benefit the residents of Nikenbah and Hervey Bay, is being promoted in the wrong locality so that it will never be utilised as a major regional sports complex and there seems to be many aspects either under planned, over-planned or not planned at all. If Council wants a minority of the residents of Hervey Bay and, more particularly, Nikenbah, to have a new sporting precinct over and above the already existing sporting facilities, then it is strongly suggested that the present and future residents of Nikenbah and Hervey Bay pay for it. There are many other well-used regional sporting facilities that could really do with an injection of funds to improve the standard of far more sports than those to be accommodated at the Nikenbah proposal."

"Frankly, the Fraser Coast cannot afford to support such a narrow aspirational and extremely limited benefit project either now or into the foreseeable future. There are many other major infrastructure proposals across the Fraser Coast which would have far more benefits for all Fraser Coast residents." *Darryl Stewart*

MICHAEL WEEKES SAYS

Hats off to Councillors Maddern & Hansen. As it happens I was at the last Fraser Coast Council meeting on the 15th of June and sat through a marathon session. I left the council chambers feeling concerned.

Our Division 2 Councillor, Anne Maddern, has rightly put forward a number of motions on behalf of the community. She also voted according to community wishes.

She demonstrated evidence of community concern in regards to the Sports Precinct, De-Amalgamation, Hinterland Economic Sustainability, Tourism etc.

Interestingly, the other councillors' general response to these motions was to not accept the facts that people had concerns. They didn't want to inflame issues by seeking more information about them or discussing them.

Sticking your head in the sand is not the correct approach...

Trying to ignore people who are angry about being ignored is not an intelligent strategy, and, as demonstrated, only inflames the issue. This is *exactly why* there is such a push to investigate the possibility of de-amalgamation in the first place! Lets not forget the anger about the sports precinct which got the green light again and has now had \$10 million sitting aside for this project.

Maddern is but one councillor who will be dealing with small community development in the divisions of Cr Hansen, Light, Everard and Chapman. Surely the rest who focus on Hervey Bay proper (3) or downtown Maryborough (2) should not be ignoring her efforts and voting for indifference. Hats off to councillors Maddern and Hansen, you made a start, now you will be judged by how you follow up. To the rest of council, lots of room to improve here.

Mark your Diary: The MRCCC invites you to be part of Mary River Month between **World Rivers Day** on Sunday 25th September and the **Mary River Festival** at Kandanga, on Saturday 12th November 2016.

MARY RIVER MONTH aims to create a focus on the Mary River and the Great Sandy Strait to raise awareness of what makes this part of the world so special and to encourage more people to get involved in creating a positive future for communities and ecosystems in the catchment. We'd like to have a special focus on hands-on, experiential activities, collaborative opportunities and creating a feeling of connectedness throughout the catchment.

Get involved by assisting with one of MRCCC's events or by holding your own event during this period – (your event needs to relate to catchment management and to the building of knowledge and networks around this theme). We'll list your event in the MARY RIVER MONTH Calendar and we'll do our best to cross promote and encourage support for your event. Keep up to date with the latest events here:

Above: Students and parents from Gundiah State School are the brightest coloured bunch of athletes around as they start their Fun Run in May. Middle: Oliver Westbury receives an award for his fund-raising efforts. Right: Tiny Madison Kennedy is the biggest fund-raiser for the day! Congratulations to all for an excellent event!

FUN RUN A SUCCESS

The students of Gundiah State School would like to extend a thank you to our local community for sponsoring them in the Adidas School Fun Run on the 17th May. Our students were able to raise \$3001.59. Madyson Kennedy was the highest fundraiser for Prep-2 class raising \$730.69 and Oliver Westbury raising \$426.63 for the 3-6 class. Most importantly the day was filled with plenty of fun, exercise and good food.

Holiday in your own back yard

The Fraser Coast's amazing countryside is full of natural beauty, hotels from bygone eras and small towns oozing country charm. These school holidays, take a relaxing drive past national parks, sugar cane and macadamia farms and watch fat cattle snaking along well-worn watering rouse. Discover the ancestral home of the Macadamia nut at Bauple, explore the Mary River at Tiaro and discover rich mining heritage at Howard. There is a lot to discover in your own backyard.

EDUCATION:- all children at school get educated according to their needs • better access to University & TAFE

•> better jobs from getting a great start & learning through life

Internet:- ensure NBN rollout uses fibre optic technology where you get lightning fast internet access •> getting future jobs will require participation in the digital economy

ENVIRONMENT:- more protection & better care for the Great Sandy Strait, Mary River, Noosa River & Lakes •> jobs growth comes from eco-tourism & more jobs when improvement happens

with recreational fishing
HEALTH & AGED CARE:- save Medicare so you can visit a doctor without worrying about costs •> healthy communities benefit everyone & provide jobs caring for others. 0428 243 074, Lucy. Stanton@AustralianLabor.com.au;

4. Llew O'Brien is committed to Gundiah and all Wide Bay communities and if elected will provide strong, effective representation to deliver results. Llew is married to Sharon and he has served Wide Bay for 16 years as a police officer, and was recognised three times in the past 12 months for ethical, diligent conduct.

Llew O'Brien will deliver a \$20 million Liberal Nationals Government Wide Bay Burnett Jobs Package (WBBJP) supporting businesses in the area to create local jobs.

The WBBJP, supported by Government and driven by the community will create more local jobs and build a stronger local economy. Contact: widebay@lnpq.org.au / 0467 042 624

5. Bron Marsh, The Greens

6. Bruce Mayer I am the Family First candidate for Wide Bay, am the eldest of 5 children raised on a local dairy farm, After year 10 studied an electrical trade before serving Army National Service then returned to original employment in Brisbane, Mackay and Longreach. I then attended discipleship course in YWAM Goulburn and served another 2 years as mechanic, handyman and small bus driver. I returned to Maryborough, employed in electrical trade building electric and diesel electric trains for total of 21 years. I have been an active church member for 32 years, volunteering in local not-for-profit organisations and recently married a war widow. I have

a heart to see the Judeo-Christian heritage restored to this Nation. 0407 656 000 widebay@familyfirstqld.org.au

7. Barry Cook comes from a professional nursing background.

"Immigrating to Australia from Canada, I grew up on a rural farm and after graduating from University, I worked many years in specialty areas of health care. I am committed with the same ethics and integrity as I am bound in my professional career.

Committed to looking after our farming community and giving them the right to protect their family business.

Decentralization of government dept in Brisbane. Queensland is such a diverse state, these dept should be in relevant rural areas such as agriculture, main roads and health care, bringing jobs and growth to the these communities.

Recently the CEO Mr Chris Tanti of Head space has took a redundancy sighting the reason of, he believes this will be the end of this national support system. Federal funding will come under the 31 newly formed Private Heath Networks." - Katter Aus. Party

4 Forgotten Life Skills

CAN'T TALK NOW? Do you use text and emojis to communicate?

From letter writing to ballroom dancing to making the perfect cuppa, here's a reflection on essential skills we have lost over the years and how our lives could be enriched with their return...

1. Tripping the light fantastic. Remember that old-fashioned, two by two, romantic dancing? Regular ballroom dancing has been associated with a lower risk of dementia and healthier heart...

Revive the romance and attend Gundiah's Christmas in July Dinner & Old Time Dance - see p12. (or Bauple Dance Lessons every Tues - see pg 8)

2. Letter Writing. When did you last pen a letter or even a postcard to a friend? It is a cathartic experience to take some time to express your thoughts and enjoy the art of penmanship. You may be rusty, but it is well worth it.

Why not take up the challenge to write your life story. See page 2.

3. Teaching (and learning) self reliance. Are your kids capable of cooking, ironing, budgeting or getting themselves somewhere on their bike? How are you at balancing your budget and growing vegetables or any of those habits?

These holidays may be a good time to do a project with your child or grandchild. See p5.

4. Making good tea. No dunking here, we mean honest to goodness tea leaves and dainty porcelain or a good billy!

Why not save the date for the Seniors Morning tea in August and enjoy the time catching up with those older and wiser! See QCWA p 11.
