## Garden Lucky Draw

**Monday 1 Aug 1pm.** One lucky gardener will win 2 nights for 2 overlooking the water at Woodgate Beach just by purchasing products at Grenfell Street Nursery in Tiaro over the past 3 months. Hurry down and get your lucky ticket with a plant purchase before the draw. See Advert pg 7.

## Glenwood Arts Festival

**Saturday 6 Aug 10am-4.30pm Glenwood State School.** Join Glenwood for their inaugural Art Festival with entries from far and wide vying for the prize money. The fun also includes Jumping Castle, Arty Stalls, Singers, BBQ lunch and delicious food available and much more...Entry by gold coin donation to enjoy the gallery.

Irene 0434511910 [glenwoodcs1@gmail.com](mailto:glenwoodcs1@gmail.com).

## BPA Meet & Greet Q150

**Saturday, 13 August, Q150 building, 2.30pm.** All invited for a meet and greet with a brief meeting. All memberships due. Bauple Progress Association in the news-p7. BDRGA's Bauple Bash p 8.

## Seniors Morning Tea

**Tuesday, 16 August.** Don't forget to RSVP. See page 11.

## Glenwood Swap Meet

**Saturday 23 Aug.** 13th Annual event is a credit to the organisers. Entry \$3 Adults. See Calendar p13.

## We want to hear from you

Send in your news: [gundiahgazette@gmail.com](mailto:gundiahgazette@gmail.com).

Young bullriders came from as far away as Sydney, Toowoomba and Brisbane to chase the incredible prize money on offer at the Gundy Pub Bull Riding on Sunday 24 July. Approx 300 attended.

## Bull Riding draws crowds in Gundiah

Next time you're in the area, you need to drop into the Gundy Pub to hear about the bull riding adventures and winners from Dan Hourigan, owner of the Prince Alfred Hotel at Gundiah. *All of it will be absolutely true!*

Winner of the event, with 78 points was Travis Franklin from Tiaro who took prize money totalling \$1195. Tied for second was Matt Jekowski and Kenny Highland with prize money of \$595 each. Junior Bull Riders, Tye Thompson & Deon Dora, tied for 1st with \$100 prize money each. Sunday, 18th September is the next Bull Ride and Dan is looking at Saturday night Bull Rides in the future. Gazette

## Simple Facts

By Peter Patrick

Dear Editor, There are some very, very simple facts at play here.

1. There has never been a documented case for banning RV's from the Bauple Rec Grounds. save that the words "Complaints have been raised" has been used as the entire basis for expelling RV's. This does not even constitute reasonable anecdotal evidence.

2. The non documented complaints appear to be based on the notion that RV occupants might be paedophiles. This is in profound contradiction of the facts as far as such criminals are concerned. These dreadful humans prey on children from occupations that bring them into contact with potential victims. Thereby Scoutmasters, Schoolteachers, Priests and so forth are professions dogged by the presence of people who prey on children for sexual gratification. The simple fact here is that the touring population of grey nomads is so depleted of the company of children that no would-be paedophile would bother traveling in or with such company.

3. The present inadequate RV facility in the high point of the Bauple Township has no toilet nor dump point, has no narthex or gathering place and no privacy for travelers. It has placed at the centre point of the township at a time when all other Local Governments were re-locating RV facilities, which can never be made elegant pieces of architecture, from places of prominence to less conspicuous locations. (Continued p2)

# GUNDIAH COMMUNITY CHRONICLE

Edition Number 76

Well, good readers, another month draws us closer to Christmas, time to start looking for the ultimate gift for your husband...oops...child). I hear 'Pokemon Go' is a favourite. But what does it do???

**THE BRIDGE** As you can see from the photo the Gundiah bridge is being rebuilt and I am told that the superintendent of construction is that little grumpy man in the foreground. He is keeping a watchful eye on the work. If you recall, about 4 years ago he drove his ride on mower across the rickety bridge and held up traffic both ways when his engine ran out of fuel. I heard it was a protest move as he could not sleep during the day with all the trucks pounding across. I guess he and Warren Truss came to an agreement!

**SWAP MEET OF THE YEAR.** It's time again to buy somebody's throw outs, also food, grog and music so keep that date of the Sat 20th clear.

**ARTS AND CRAFTS.** This is the month where you can see the art work of our residents and friends at Glenwood Aug 6th and Tiara Aug 13th.

**DANCE.** This Saturday 30th is the "Christmas in July" Dance at the Memorial Hall, so come along and dance to the music of Lex and friends and enjoy an early Christmas dinner and pudding!

**BAITING.** Just a gentle reminder that the next baiting date is in September. More later

**JOKE OF THE DAY.** Two cows were standing in a paddock. Daisy said to Dolly, "I was artificially inseminated this morning."

"I don't believe you," said Dolly.

"It's true, honest, no bull!"

Trevor Keightley 0456916111

Simple Facts - continued from page 1

4. The exclusion of RV's from the Rec Grounds appears to be some kind of vendetta to defeat the commercial and personal objectives of the Bromet family. The truth is that the township needs RV's in numbers to make a shop viable. Since the Bromets closed the shop in 2012 there has now been one case of a shopkeeper closing down altogether and another team curtailing opening hours to about one day a month for lack of visitors to the township.

5. The township has never been considered in terms of whether it functions as a township. Without visitors we have no shop and with no shop we have no visitors so the aged folks are disadvantaged by lack of facilities and folks like myself and my good partner watch as our retirement plans are wrecked. By wrecked I mean that we bought here because there was a shop, in fact there were three shops - the post office / corner store, a coffee shop / local arts shop, and a fairy shop. The viability of those shops has been destroyed - our retirement plan is in distress.

6. Bauple community was in times past, a wonderful community wherein people worked together for the community ... Federation Lane was apparently paved by local enterprise rather than council. The museum was / is the pride of the community. Now it is facing a need to close it's doors. The museum opened at some time in the past. By mid 2005 it was the pride of the township and attracting visitors in good numbers. The attached graph reports visitor numbers as I have collected and collated from the museum visitors books since May 2005. A disaster since September 2012 in graphical form. (The graph shows that in the last 7 months of 2005 over 800 visitors toured the museum. The museum will be very lucky to have 300 visitors in the entire passing of 2016 thanks in large portion to lack of tourists.

7. Whether you like the Bromets or hate the Bromets.... if you can get into the helicopter and review the big picture, and the attached graph, you can see that the Bromets promoted Bauple. From there the whole township profited on the back of the Bromet family's work.

**So I ask please...**Can we forget about personalities here and examine the facts and documented evidence. Without tourists Bauple township has no shop. We have evidence to prove that point. This evidence derives from the unhappy experience of locals who tried with such ventures, through to the condition of the shop immediately preceding purchase by the Bromets - a flea pit through lack of maintenance no

doubt in consequence of lack of income. The township has been in steady decline since the closure of the shop and the shop was closed through lack of opportunities to market Bauple / bring in customers in sufficient numbers.

So far we have had a conga line of people in high places, so offended by the Bromets holding their feet to the fire, that they are unable to mount the stairs into the helicopter. The rage against the Bromets is killing a whole township.

The township can relate to the Bromets in whatever way it likes. But without visitors we have no shop, regardless of whomsoever owns the damned thing. Without a shop we have no township and...**We deserve politicians who can understand that!** That, good people, is that ! Thank you if you have read this far.

## A Sunlit Picture of Hell: Battle of the Somme

Many of our younger population may have never had the opportunity to study the history of this war. It was the bloodiest of all wars. It started on 1st July 1916 and culminated in November 1916 with over one million casualties. These casualties figures put an end to future trench warfare and likewise to the cavalry.

For many years there was criticism for the way the battle was fought. This criticism was based on the appalling casualty figures of 420,000 British army (60,000 on the first day), 200,000 French and 500,000 German.

The saddest thing to me about the loss of these soldiers was that many of the army had never seen warfare and many were as young as 16 years of age. They mostly were "Kitchener's Volunteers", enlisted from the posters spread around the British Isles and which were called the 'pal groups' – groups from the same towns and villages fighting together.

Australian Military history showed that on July 19th we had 5533 casualties and 2000 dead.

However, the gruesome death and injury totals don't reveal the true scope of the horror. There are more than 450 cemeteries dotted across France and Belgium; some have 450 graves and some 32,000. Walking through these memorials to the war dead is emotional and shocking. Each headstone reveals a tragedy, some have no name or just a simple line "Here lies an unknown soldier". Some of the dead were as young as 14. Every month, on average, the remains of 6 WW1 dead are found by farmers ploughing their fields.

I have visited the Western Front twice with my younger brother, and hope to visit again this September. I recommend the opportunity to visit and relive history of WW1, is one worth taking. LEST WE FORGET *Trevor Keightley 0456916111*

## Tiaro's Sons...

### John Alexander RAYNER

31st Battalion 10th Reinforcement  
Regimental No. 4125 World War I

Cousin to last month's Digger, Herbert Claude Rayner; John Alexander Rayner was also from Tiaro and a second generation Australian. He was the fourth child of Robert Isaac Rayner and Elizabeth Paula McKenzie.

John was born 14 May, 1894, and attended Tiaro State School with his 4 brothers and 2 sisters. The family was Presbyterian.

He worked as a Station Master, and lived on Bridge Street, Tiaro, when he enlisted at the age of 22 on 7 April 1916. He was assigned to the 31st Battalion, 10th Reinforcement; Roll Number 23/48/3 and embarked from Brisbane on board HMAT A36 Boonah on 21 October 1916.

John was killed in action 26/27 September 1917, at Polygon Wood, Belgium, aged 23 years and 4 months.

His place of burial Tyne Cot Cemetery, Passchendaele, Belgium. Australian War Memorial 119.

#### LEST WE FORGET

*As always, please contact me if you have further information. Trevor Keightley 0456916111*

**Our tribute** to Albert Graffunder, May 2016, was noted by Brice Kaddatz of Gympie, who is a great great nephew of Albert. He has provided the following:

### Albert Christopher Julius Graffunder

No. 462. 2nd Australian Light Horse Regiment.  
KIA May 14th. 1915. Quinns Post. Gallipoli.

Albert's name appears on several honour boards in various localities, however he was not necessarily a resident of those places.

In 1914, Albert Graffunder left his farm at Kolijo, near Calen, north of Mackay, to offer himself in the defence of free people, including we who enjoy our liberty today. Having served firstly in Egypt, and then sent to Gallipoli disembarked, Albert was killed in action at Quinn's Post, among the very

Albert Graffunder c 1915

early casualties of that catastrophic engagement.

Albert had established himself as a capable soldier, expert horseman and one who displayed leadership qualities. We might not have expected less, given the available accounts of his service.

Brice had the privilege of visiting Albert's grave at Quinn's Post Cemetery in 2015, the only family member to have done so in the 100 years he has lain there. Prior to this, Brice visited Albert's former farm at Kolijo, from where a pair of Hames Hooks, known to have been part of Albert's draught horse equipment and salvaged from the original farm shed long since flattened by a cyclone, were presented by the family who purchased the farm from Albert's estate 100 years ago. These hooks were used to mount a family tribute plaque, presented to the Hampden State School Museum at Kuttatubul, on Anzac day 2016. RIP Albert. Lest We Forget. *Ev. Brice Kaddatz*

# The Anne Report

## BUDGET.

I, and other Councillors, heard the message loud and clear that large rate increases were hurting our residents badly and to that end we have worked very hard to ensure Council has kept the collection of rates and fees down to a 1% increase (less than CPI). BUT, at the same time the budget allows for the continuation of the normal work such as road maintenance and garbage collection, etc.

**Property Values.** This year there has been a revaluation of site value by the Department of Natural Resources and Mines. For residential properties on the minimum rate, the increase in rates is 1%. For properties not on the minimum rate, there are generally changes in the rates depending on the change in valuation. Where valuations have gone up, the increase in rates can be more than 1% (not many properties are affected) and where the valuation has gone down, rates will have decreased (significantly more properties affected). The majority of residential landholders will see a 1% increase only.

## CAPITAL WORKS

In Division 2 the budget also allows for capital works programs such as upgrades to Schultz Park and Woocoo Park in Tinana, park equipment in Tinnanbar

and Maaroom, walking tracks in Tuan, Maaroom and Boonooroo, some drainage works (Sanderling Drive) Poona, road construction at Arborsixteen Road at Glenwood, Bauple Drive and Mackellar Street at Bauple, upgrade to the RV facility in Tiaro, some cycle ways and paths and major upgrades to the Teddington Weir water treatment facilities.

## LAND PROTECTION OFFICER

Both James Hansen and myself, supported by the majority, lobbied for an increase of \$100,000 in the budget for agricultural issues. This increase will give an additional Land Protection Officer to assist with the management of noxious weeds such as Giant Rats Tail grass.

## INNOVATION HUB

The budget has set aside \$600,000 for the development of an innovation hub in Maryborough. We are clearly hearing the need for Council to support and assist business to develop and grow so that we have increased employment. The Hub will be designed to allow the development of fresh ideas, taking them through to a practical business, supporting and mentoring existing business and supporting the set of new business. Until next time, keep well and safe.

*Anne Maddern*

## Rural Succession - Sow The Seeds Early

QRAA: Wednesday 3 August, Bundaberg.

With stamp duty on family farm transfers now removed and the interest rates for primary industry productivity loans dropping on 1 July, rural succession is now a more affordable reality for many

Queenslanders. To take you through these changes and what they mean for your succession plan, QRAA's Mark Barrett, will be a guest speaker at the upcoming **Rural Succession Information Sessions in Bundaberg on Wednesday 3 August.**

Presenters will speak about:

- how QRAA's low interest First Start loans can assist in family succession and help the next generation of your family make their start

- building a passive income, succession strategies and insurance considerations tax concession information

Call QRAA on Freecall 1800 623 946 to find out more about this event.

## Down Memory Lane A CHILDHOOD IN BAUPLE

As told by Marie Duncan (nee Anderson)  
Part II (Part I appeared in Dec 2014 issue.)

I was born in 1911 and lived in the Bauple area most of my childhood: Our first home in those early years was a shed on a banana and pineapple farm which my father worked on Bauple Mountain.

**c1920.** When I was about 8 years old, we moved from the farm to a tin shed in Bauple.

**c1924.** Our house in Bauple was built some time later by Uncle Tom Mills, husband of my father's sister Jacobena, who lived in Tiaro after his discharge from the army at the end of WW1. The house with 2 shops in front, appeared like a mansion after the tin sheds which had been our homes for so many years. My parents used one shop as a general convenience store and the other was leased to Duncan & Stewart, Drapers. Duncan & Stewart used the shop as a base from where they made welcome runs to outlying farms – their truck loaded with everything from curtain material to pins and needles. When Baker's shop closed, people would come to my mother's and buy items such as butter, tin crab, cigarettes

and tobacco. Our shop, to the best of my memory, carried articles similar to all convenience stores of that period.

One stock item that I remember was the fireworks! They were displayed in the shop window. I don't remember how it happened but I borrowed a rocket and we lit the fuse... Instead of it going up, it went sideways right into the shop window. It set all the fireworks off. What happened after that is a little vague, but I think I took off on my bike up the mountain and hid.

As a young girl Bauple often appeared to me to be a god-forsaken place surrounded by nothing but bush with nowhere to go and nothing to do to fill in time. So on Sundays, my sister and I would dress up and walk through the bush looking at the birds and trees. We carried a parcel of salt and used it to make the leeches drop off. We were a mess with blood all over our bodies and our dresses were completely blood stained.

Another attempt to fill in time saw us at Bates sawmill. We slid down the hill of sawdust and at the time it sounded like fun, but came at the cost of countless itches and scratches not to mention the mess it made our clothes.

Stay tuned for Marie Duncan's Part III next month. Trevor Keightley, Bauple Museum.

## Gootchie bottleneck causes accident.

Saturday 23 July; an accident on Bruce Hwy at Sheehan's Road traffic was diverted via Gootchie Road bottle-necking at Bauple Woolooga Rd intersection, across the railway bridge from about 2.30pm. The Johnston family reported it was absolute chaos, as there were school busses dropping off children who had to then cross the road, cars merging onto Bauple-Woolooga Rd causing another accident about 4.30pm between a truck and car, adding to the congestion. Fortunately no one was hurt. BJ

## Writing your Story...

This week's question:

**2. Where were you born, why were your parents there and what is the significance of that town or place?**

## Theebine Triumphs at Athletics

25 July 2016. After 17 Years an Athletics Win!! More team work was evident in our school's great win last Tuesday at the Theebine District Athletics Carnival in Tinana. We marched proudly onto the Athletics oval and shouted our school war cry. It was a SUPER day, brilliantly organised by Debbie Briske from Bauple SS and Chelli Tarlington (Parke SS).

Thanks to Ashleigh Casey for helping us put together our School War Cry for the day. Super excited by the Athletics Carnival was Kaiya Daniels, who was the Under 9's Age Girls Champion on the day. Congratulations to all the students at Theebine for their amazing efforts and team spirit!

Louise Parry. Acting Principal. 0475965447

## Fraser Coast takes another step towards being smoke-free

Local governments will get \$50,000 to prepare for the new smoke-free laws effective September 1 and Councils will have power to create local laws banning smoking at public outdoor areas.

Mr. Saunders said that "the smoking rate on the Fraser Coast is currently at 16.8%, which is above the state average of 12%."

2014: Thelma Bradford (Theellie) with her grandson Jon, and two great-grand sons Kooper and Darius. Three out of four generations together!

## Thelma Joyce Bradford

(nee Davey) 1929-2016

Thelma was born on the 23 September 1929, the firstborn of George and Mary Davey of Glenwood. She was soon followed by Mary and Jean, Johnny, Frank, and June. The Davey children went to school first at Kannighan and later at Glenwood. Growing up she helped at home and did domestic work for Kelihers and other families in the area.

She met and was courted by Sam Bradford and they were married in March 1949. The following year Roy was born, followed by Lionel, Alan, Christine, Janice and lastly Shane. Together, Sam and Thelma worked their farm at Glenwood with Sam picking up extra work at the Kanyan sawmill owned by Rolly Lawrence. After the big drought in the late 50's, they sold the farm and purchased the house at Hervey Bay where many memorable family weekends were spent. They continued working in the Glenwood region with Thelma picking beans and Sam continuing at the Kanyan sawmill. Upon Sam's retirement they sold the Bay house and settled in Bauple. Sam passed away suddenly soon after.

She was a keen gardener, good cook and

was fond of animals, keeping many and varied pets and birds. Always willing to lend a hand in the family and the larger community she joined the CWA and was always available to aid her friends in times of difficulty. Her grandchildren and great grandchildren were her special joy. She visited the Northern Territory to see her grandchildren born so far away. She delighted in visits from her ever growing family and the large collection of photos gracing the walls of her home are a testament to the close bond she shared with them.

Thelma loved a night out and from dances to cent auctions, school concerts and visiting musicians, she was a regular attendee at most local functions. She attended the local Hoy and Bingo days and the Lions Ladies Luncheons right up until the last couple of months when her health deteriorated.

During her final days she was surrounded by her family and her sense of humour never waned, joking with her daughters as they shared a cuppa. She leaves behind a large family who forever hold her in their heart.

Rest in Peace Mum.

Bradford Family

## Renewed call for Cricket Enthusiasts

I am looking at the possibility of having a local\* representative team selected to play a Sunday social match or two against one of the Maryborough clubs, probably at reserve grade standard. Matches could be played alternatively here and in Maryborough.

\*Local includes the districts of Tiaro, Gundiah, Munna, Miva, Theebine, Bauple, and Glenwood.

We have a full set of good quality cricket equipment as part of some grant monies, so if anyone is interested in such a proposal, whether young or old, please contact the **Gundiah Gazette today on 0400442118 or gundiahgazette@gmail.com.**

Remember, the new cricket season is only 8 or so weeks away.

Darryl Stewart. President  
Tiaro and District Chamber of Commerce

# ALL STATES TRAINING

PROUD TO TRAIN AUSTRALIA

allstatestraining.qld.edu.au 4123 0415

# RV Friendly

by Darryl Stewart,

The current Fraser Coast RV Camping Strategy has been proved to be an unmitigated disaster with travellers shunning the Fraser Coast in their thousands. [As a member of the committee] I can assure you that the strategy recommended to and adopted by Council was NOT a unanimous decision, but was a preconceived concoction of Cr. Taylor, the CEO, the Office of the CEO, the tame Council appointed Chair, and the commercial Caravan Park operators. Opposing points of view were either ignored or not able to be discussed by decree of the Chair. The records of meetings were even adapted to suit.

**FACT: The RV market is worth up to \$5 billion annually Australia wide, with about \$3 billion spent in Queensland alone – this is fully 20% of the State's tourist income.**

I understand that the recently completed review of the strategy has now been ratified by Council. The review is possibly a little more attractive to RV travellers, in that the stupid permit system in the regions has been dropped, but not so that anyone would notice.

The Fraser Coast does not have Caravan and Motor Home Club RV Friendly status and Cr. Taylor does not consider it a prohibiting factor. The documented RV industry average daily spend starts at around \$150 and heads north from there. How much business is by-passing the Fraser Coast by Council refusing to become RV friendly?

This region is crying out for greater economic development, more business and more jobs. Yet Cr. Taylor says that he and his colleagues are happy to virtually ignore a huge, increasing market that has

## Bauple Internet Kiosk opens.

*Above: Pat & Brian Davies have volunteered their time in many community groups and organisations, including Children, Youth and Family services, P&Cs, Neighbourhood Centres, Broadband for Seniors, and know their way around a computer. They have been successful in gaining grant money to fund the new Bauple Kiosk and for securing premises with the BPA to benefit local residents.*

money to spend and that largely passes us by on the highway.

Our present caravan parks would also benefit from more people, who do not have on board toilets and showers, coming to the region via recommendation of the RV travellers. He may also find that a significant percentage of RVs that do have on board facilities will choose to stay at established caravan parks because of the facilities they offer.

We are all in favour of promoting existing business and creating new business in our region, but some businesses may have to adjust their marketing strategies for a rapidly and permanently changing market to enable the Fraser Coast to grow. *Tiaro & District Chamber of Commerce*

The world is changing; services are heading online including banking, health & medicare, social welfare, centrelink, social media etc. The kiosk in Bauple is aimed at providing a facility for people to access these services online, stay connected; in a friendly relaxed environment. Whether you know what you're doing, or need some help, the facility is now OPEN.

This i-Kiosk also offers

- 1) broadband for seniors - the training package has been secured by the BPA to help those new to computers, step by step learn how to use devices
- 2) english as a first language
- 3) JP services - Monday

Pat and Brian collectively have over 20 years experience training and educating people with technology. They are locals to Bauple so drop down and jump online this month.

The i-Kiosk is open **Monday to Friday 9am to noon**. It is located opposite Bauple Museum, in the Purple Building, entry via side verandah. Enquiries: Pat 4193 9239. [davies.pat@gmail.com](mailto:davies.pat@gmail.com) BPA

## CHILL 'N' CHAT: Mental Wellness Group.

If you'd like to meet some new people, and gain support on your mental health recovery in a friendly, supportive, non-judgemental environment, then come along to the Chill 'n' Chat mental wellness group, held every Wednesday at Queens Park via Walker Street (opposite Brolga Theatre), 10am - Midday. Free tea & coffee will be provided with the group facilitated by support workers from the Personal Helpers & Mentors program. All are welcome to attend! For more information please contact Sue 0409 006 696 or Michael 0407 842 733.

## POLICE TALK.

Today (6 July) is my last day at Tiaro, I am heading to the wild, wild streets of the Gold Coast after 5 years of enjoying Tiaro and district hospitality.

It has been an adventure and a pleasant experience here and I have enjoyed helping those in this community.

I will be passing the baton to S/C BURKE [to put articles in the gazette].

Michael COLEMAN S/Constable, Tiaro

## The Tiaro Police Division Consultative Committee

aims to represent the Community's interests in matters of safety and security and to promote a good working relationship between the Police and the residents.

GENERAL MEETING Notes. 4th May 2016

•Combined Rotary clubs from Maryborough & Hervey Bay offer driving skills program for Grade 11 students.

•Driver Reviver is now manned by the Lions clubs of Gunalda and Gympie.

•Crime Prevention meetings held in Tiaro Community Centre Rooms.

•Glenwood: vehicles speeding, trail bikes and 'hooning' issues to be addressed.

•The next meeting will be held 3rd August 2016 at the Bauple Band Hall, Bauple. Supper will be served

For further information please contact Lyn Kelman on (07) 4129 3212 or [lynanjohn@bigpond.com](mailto:lynanjohn@bigpond.com)

# MICHAEL WEEKES SAYS

**Bauple unites!** All and sundry must be sick and tired of all the bad news in the world today. Even more so when the bad news extends down to your very own communities. It's not my desire to tear at old wounds so, for those not in the know, let's just say Bauple has had problems for a while now and this has prevented many wonderful and diverse people from participating in community life.

**Healing.** As many would be aware, my deepest wish for Bauple has been for healing and a progressive, positive feeling to replace the bitterness that has enmeshed itself in this wonderful little village. So it is with a great sense of hope and pleasure to announce that fruitful initial meetings have taken place between the presidents of the Bauple Recreation Grounds and the Bauple Progress Association. These meetings have been designed to bridge some gaps and build some trust between organisations who have often been at loggerheads.

**Congratulations.** It is incumbent upon me to congratulate these groups for putting the past aside to work together for the benefit of the whole of Bauple and the wider community. While these are just baby steps for now, we must act to support positivity in our communities. With this in mind I would like to extend an invitation on behalf of the president of the **Bauple Progress Association** to their next meeting which will be held Saturday 13th August at the **Bauple Recreation Grounds' Q150** shed at 2:30pm. This invitation goes to all Bauple and Hinterland residents who are prepared to work cooperatively and in friendship for the progress of beautiful Bauple.

Michael Weekes [michael@michaelweekes.com.au](mailto:michael@michaelweekes.com.au) 0498 580 563.

Above: **Tiaro QCWA Executive & Visitors** - (visiting executive), Gail Nancarrow, x Nancarrow, Gail etc and Julia Arthur with little Wilhelmina Grimwade in the front.

## GOOTCHIE GIRLS' GOSSIP

**JULY 2016.** I'm back! We have finally moved into our new home at the sea side. It's a complete change of life style. We do miss walking the paddocks and telling the cows all our highs and lows and have them mooooooo in sympathy. We do miss all our friends down there in 'Gootchie Land' and around.

It has been a hectic few days with all Branches AGMs we've attended.

**Petrie & Wake.** Maggie and I went to our regular Petrie Gardens visit for morning tea and a natter. This month we had a few quizzes to test our brain power - mine is not much good compared to the Ressies in there, they are as sharp as a tack! We then went across to the Bauple Band Hall to prepare and serve afternoon tea for Thellie Bradford's Wake - a wonderful and very-well-thought-of lady.

**Gootchie AGM** combined with Tiaro at the Gootchie Rooms was the next day, so it was afternoon tea again there. Julie Arthur chaired the meeting for both.

Our new executive were announced. Sadly, Grace isn't able to come any more as she and Terry have moved to the sea at Redcliff and Val is down at Beachmere.

**Seniors Morning Tea.** This month we will be catering for 'Seniors Week' on Tuesday 16th August at the Bauple Band Hall. So if you're an 'oldie' come along and join us at 9.30am; enjoy a natter or a sing-a-long and free morning tea.

**Scrabble Contest.** Our now-famous Scrabble Contest will be held at Gootchie on September 22nd, so looking forward to seeing you there. Be warned, Diana will possibly be there, trying to win the cup back again! So come along for a day of fun and laughter (as we certainly aren't serious about our spelling) and enjoy a lovely lunch plus morning and afternoon tea. All this for the cost of \$10 including the entry fee to play. Even if Scrabble isn't your game, come along and join in the fun and the food for \$8. So, till next time, take care on the roads, drive safe and be considerate of others.

Pauline and the Gootchie Girls

# BIG SOUND FOR A LITTLE BUDGET

Local professional sound system designer Peter Patrick of Scientific Acoustics is pretty good at making a lot of noise and very chuffed about a sound system he designed to suit a local problem.

He was approached by the members of Tiaro RSL, and consequently Imbil RSL and Gin Gin RSL have benefited.

Tiaro wanted a replacement PA system that was going to be used for ANZAC day and other public gatherings of 500 or more. It had to be portable and not cost an arm and a leg. (The Gin Gin RSL had around thousand at their 10:00 am ANZAC service and the Imbil group needed it to be in the middle of the main street.)

"It looks simple, it is simple, but there's a deal of science under that simplicity," said Mr Patrick of the specially designed system that can transmit clear speech over the size of a small oval to crowds of 1000+, runs on batteries (eliminating power cables on a field), accommodates a number of combinations of microphones both wired and wireless, and includes a CD player and MP3 recording and playback.

There are now three others of this specially designed unit in existence.

"Gary Long of Profile Dynamics at Rosendale made the speaker pole mount, and the whole enchilada costs about \$5,000 delivered and demonstrated," said Peter.

"While it is not the World's best Hi Fi for audiophiles, World's loudest PA system to strip paint from underwater submarines nor the worlds best DJ system, it does deliver clear speech to a large audience on a budget."

The boys at the RSL were really pleased as they were not planning on stripping paint from submarines...

"The new extension speaker system test was a beauty. The standard of workmanship and quality of the build was exceptional. We were delighted," said Pete Kelly of the Tiaro RSL.

A variant of the array has been permanently installed above a school assembly building to cover the whole grounds for "Lock Down" etc.

Call Peter on 0409 344 683 for more information.

SGK

Pictured is RSL President Don Jones and Peter Patrick of Scientific Acoustics with the speaker system.

## Respectful Lad

Joseph Macintyre of Gundiah State School was awarded the Gundiah Memorial Hall Award for 'Showing Respect to Peers and Staff'. Pictured also is GMHA President, Owen Thomson who gladly awarded the trophy. Joseph's mother noted that Joseph was wearing his pajamas for Pajama Day at Gundiah State School in this picture.

## Caravans

Council will trial a 20-hour Stop&Shop site in Howard for six months as part of moves to attract more RVs and self-contained caravans to stop in Howard and Torbanlea. At the same time Council will increase site fees for RVs and caravans using the Torbanlea Recreation Reserve to be in line with nearby commercial caravan parks and introduce a max. three-night stay.

**Dump Point Policy.** Meanwhile, the cost of regular pump outs has ended investigations into installing a dump point at the Tiaro RV site. While the dump point and tank could be purchased for \$10,000, it could cost between \$9,000 and \$18,000 a year to pump out the tank and take the material away for treatment

Council endorsed its policy of only installing dump points at sites where it can be connected to a reticulated sewer. **FCRC Camping options**

27/7/16 Farmers across the region could be opening their gates to RVs and self-contained caravans and campers under changes to the Fraser Coast Planning Scheme. **FCRC**

## Census Night-August 9

Mr Saunders MP urges Fraser Coast to be counted in the upcoming census, if just 1% of the Fraser Coast Regional Council's population of close to 100,000 are not counted, Queensland could miss out on \$5.3 million in federal funds. [www.abs.gov.au/census](http://www.abs.gov.au/census)

Miva Branch's new Executive with Gympie & South Burnett Division President - Mollie Kratzmann, & State VP Central Region - Jan Street. L-R: Mollie Kratzmann, Steph Mitchell (Branch International Officer), Bev Schloss (Treasurer), Jan Street, Katrina van den Brenk (Secretary), Lyn Bunkum (President) and Sue Newth (Vice President). Absent: Caroline Butcher (Vice President).

## Miva CWA Girls excel

Miva Branch of the Queensland Country Women's Association held its Annual General Meeting on 20th July 2016.

**A successful year.** President Lyn Bunkum gave a report on activities which included that Miva CWA has had another full, enjoyable and successful year. The Branch held a Morning Tea for Cancer, Anzac Day Service and a Spring Fair which were all very well attended. Miva has been represented at all the Division Meetings, the Central Regional Meeting and the State Conference. The Rooms and grounds have been well maintained and are in good repair. The Branch has made donations to some very worthwhile organisations through the members' hard work in fund raising and have also supplied funds to the QCWA Public Rural Crisis Fund and State Administration. The community at Miva and the families of members are very supportive of the CWA and we are always grateful for their help in their activities.

Miva was well represented in the State competitions with Kerry Carlson's art work gaining 1st places, Katrina van

den Brenk getting 3rd place in the Public Speaking and Jane King taking out the Photography shield for the State. Many Miva members were very active in the running of the QCWA State Conference last year in the Gympie Civic Centre - lots of work, but lots of fun, and a very rewarding task.

Members have also been active at Gympie & South Burnett Division level - with Bev Schloss being the Zone 3 Vice President, and Katrina van den Brenk the Division Secretary.

**Guest Speaker** at the AGM was Mrs. Elizabeth Power of "Mercy Ships Australia" who spoke of the wonderful work they do. Mercy Ships is a unique medical hospital ship charity which has transformed the lives of more than 2.5 million people in the least developed countries for over 37 years. Surgeons, nurses and other staff volunteer their services and pay for their own expenses so they can treat more people. Elizabeth is based in Gympie and willing to talk to other groups too.

**The incoming Miva Executive** is Lyn Bunkum (President), Sue Newth and Caroline Butcher (Vice Presidents), Katrina van den Brenk (Secretary), Bev Schloss (Treasurer), and Stephanie Mitchell (International Officer).

The Branch meets on the 1st Wednesday of each month at 9.00am in the QCWA Rooms at 1186 Miva Road, Miva. We would welcome new members. Contact Lyn 54836383 or Katrina on 0407 637691.

## "So what is SCOTS?"

The Social Club of Tiaro and Surrounds (SCOTS) is a new charity-come-social-group formed by like minded individuals who gather socially at the Royal Hotel. The group has been running for a little over 12 months. Some events you might recall were the **Australia Day Celebrations, Street Life Family Fun Day, Father's Day Tiaro Inaugural Show and Shine, and a totally free Children's Christmas Eve Party.** These events, or similar, hope to be run on an annual basis. While during the year the Club holds social outings like a Gympie Race Day or perhaps a fishing trip, or other social outing of interest.

**Join Up, Help Out.** Why not come and join us? Become a member or come along to our events and support us by purchasing food or drinks or come along to the Royal Hotel each Friday evening and support our fabulous meat raffles.

Whatever you decide. SCOTS really appreciate your help and support.

Gavan Berger. [presidentscots@gmail.com](mailto:presidentscots@gmail.com)

## VILLAGE AT RIVERBEND

24 July 2016 - Terry and Tonya Blake own a medieval-style village; Victory Village at Riverbend, somewhat by chance.

"We only planned to build a Barn and a Fortified Manor House, ('The Castle,')" says Terry Blake, carpenter by trade, "but all medieval castles had a village of sorts and so the village grew while we were waiting to finalise plans for the Manor House."

This village includes to date; an Inn, Tailors and Tinkers Workshops, olde-style Shoppe, Stables, Blacksmiths, Carpenters Workshop, workers cottages, animal dwellings and yester-year gardens. Located 12 kilometres south-west of Tiaro, Riverbend has had visitors from as far away as England.

You may like to visit Victory Village at Riverbend... just call the Blake Family -0499 343 007 or visit [www.facebook.com/victorycastle1](http://www.facebook.com/victorycastle1)
