COMMUNITY NEWS ACROSS THE TIARO DISTRICT

OCTOBER 2016

Above: Walter and Lisa set up shop at Gunalda to rescue those among us who have been searching for that great cream bun for decades.

## Help Jodie Ride for kids

In Australia, 3 children die of cancer every week. Please sponsor me and support my challenge to fight kids' cancer and save little lives! I have from the 1st October until the 31st to reach my goal of 500km. I will be hitting the roads of Tiaro and the surrounding areas to click off an average of 15-20km/day. I have previously taken part, riding over 1000km and raising over \$4000. This year I am riding in a team with my Auntie who is currently fighting her own cancer battle. She asked me if I would take part again this year so that she could help give something back. I was more than happy to join her BigEng team and put my kilometers towards her nominated 200km. To donate just search Jodie Franklin on [www.GreatCycleChallenge.com.au](http://www.GreatCycleChallenge.com.au). All funds raised will support the Children's Medical Research Institute to continue their work to develop treatments and find a cure for childhood cancer.

## Fresh Bread now at Gunalda

MiBakery offers freshly baked bread, cakes and pies hot-out-of-the-oven at Gunalda.

Walter Woods and Lisa O'Brian are trade qualified bakers and pastrycooks and offer a delicious array of in-store traditional baked products and old fashioned favourites. They boast natural and locally sourced ingredients. You can sit down with or take-away Genovese Coffee, Chic teas and cold drinks as well. Yes, they can help you cater for your BBQ or party. You can find them on facebook or give them a call.

Lisa and Walter collectively have 50 years of experience in the baking industry between them. They have chosen Gunalda for it's opportunity and store features.

Take some time to make your tummy happy, say hi to Lisa and Walter in Gunalda, at 2/1 Birdwood Avenue, next to the Real Estate. They are open Tuesday to Saturday 5am to 2pm. Phone 0411430170. # GUNDIAH COMMUNITY CHRONICLE

Edition Number 78

WELL readers, from the other side of the world, g'day! So, here I am writing for the Gazette 52 years after being shipped to Aus for 2 years as a £10 Pom. (Gavin, so sorry to say *I will be back!*)

**UK Travelogue.** We are on a 7 week holiday in the UK and we have enjoyed beautiful weather! 3 weeks to date with sunshine all the way, and the hottest day on record for 105 years.

The one thing we have noticed is the TRAFFIC. Everywhere's a 'car park', as we say in Australia. The Bruce Highway is nothing, I can assure you, compared to peak hour here.

However, we have enjoyed Mother Nature's countryside, the green fields (note, not called Paddocks), the brilliance of the flowers, bumble bees chasing the pollen... but Autumn is coming.

Last week we toured Kent, staying in lovely traditional B&Bs. Leaving Southampton, we took the coast road to Hythe, Ramsgate, Broadstairs, Margate, Canterbury and back to Southampton; a distance of 560 MILES. The whole area is basically white cliffs... I am sure Pauline enjoyed me singing along with Vera Lynne 'The White Cliffs of Dover': It was interesting to see the hundreds of trucks arriving from the continent (EU) to go through Border Control checks. Apparently they often find illegal immigrants.

The Ramsgate Tunnels brought back memories, they were dug to house the families of Ramsgate during the war; up to 60,000 slept in 3 miles of tunnels to protect them from the German bombs. Also interesting were the Wind Turbines out to sea around Ramsgate and Margate Sand Banks. Only 77 of the 116 were in operation.

*(Editors note: this is the Engineer's view of the UK. Pauline's version will be very different.)*

Next month we will be travelling to the Midlands where Pauline lived as a child. If you ever get the opportunity to travel to this wonderful country, I'll be happy to escort you as your guide... all expenses paid of course.

**The new Bridge.** I have checked the progress of the new Gundiah bridge with Gavin, the Site Engineer, and he is happy with the work to date. When finished he intends to cycle over it to the school each day. That's if someone will lend him a bike!!!!

## Letters to the Editor Hooning in the Forest

2016 has seen an outbreak of 'hooning' on motor bikes and in cars around Bauple Forest. It seems that not only teenage louts but also older drivers have been booked by the Police. They now have the problem under control, however, the dangers of serious injury or worse can be seen by the small white crosses (being placed by family members) along the side of roads in Queensland. These remembrances are of young drivers and unfortunately, other innocent people killed in these crashes.

**Un-thought-of consequences** of this Hooning can be jail-time, large fines and/or compensation for the driver causing this serious injury and damage, plus, the accident insurance can be wiped if alcohol, drugs or illegal mechanical modifications to the vehicle are found to be the cause of the incidents.

**Another consequence** can be the Police record of the incident and outcome which could prevent this driver applying for a Government job or Australian Passport to travel or work overseas at some time in the future. So I would ask parents to ensure your young ones are aware of their responsibilities for the safe operation of motor vehicles.

## Thomas Gifford Robinson

Private 2679, 13th Battalion, 8th Reinforcement, Embarkation Roll 23/30/2. and 45th Australian Infantry Battalion.

Again, we are unsure of this Digger's exact connection with the Tiara District between 1912 and 1915, and why he is listed on our Honour Roles. Thomas Robinson worked at many different jobs and there was evidence he was in Queensland in 1913...

Thomas Gifford Robinson was the youngest of 6 sons of Captain John Robinson and Jane Moodie of Weisdale, Shetland Islands. He was born January 1892, West Hartlepool, Durham, England.

He left London bound for Australia, arriving in Sydney 18 Jan 1912 at age 20. He worked as a 'trimmer' on the *Suffolk*, sailing from Brisbane to Sydney in Sept 1913.

Thomas worked as a tram guard before enlisting at Liverpool NSW on 16 June 1915. His place of association was Sydney, care of Mrs King, 109 Cromwell St Sydney.

He was assigned to the 8th Reinforcement, 13th Battalion and his unit embarked from Sydney, New South Wales, on board *HMAT A54 Runic* on 9 August 1915. He transferred to 45th Battalion 3 March 1916 and served in Gallipoli. Thomas spent time in hospital with diarrhoea and pyrexia in Mudros, returning to Alexandria on 3 Jan 1916 before embarking for France. He disembarked at Marseilles 8 June 1916 and was killed in action 6 August 1916. He has no known grave, and is remembered on the Villers-Bretonneux Memorial, Villers-Bretonneux, Picardie, France.

T.G. Robinson was awarded 1915 Star, British War Medal and Victory Medal.

WHAT'S HAPPENING

## Local book launch

Deb Carrol tells her own story about how she grew up knowing she was different, and why she kept it a secret for many years.

'Reflections' is her first book with stories and poems on loving, living and healing. A book written with insight, and charm, and very Australian humour. Deb did not like poetry at school, but through her writing she was able to let out her thoughts and feelings about everyday life experiences.

Deb Carrol also has a natural ability with her hands in the way of healing—a unique way which is subtle but powerful.

You're invited to meet the author at her Book Launch at the Maaroom Progress Hall on the 18th of October at 10 o'clock, and at the Maryborough Municipal library on the 20th of October. The book can be bought for \$20 or via email [feelingtrue@bigpond.com](mailto:feelingtrue@bigpond.com).

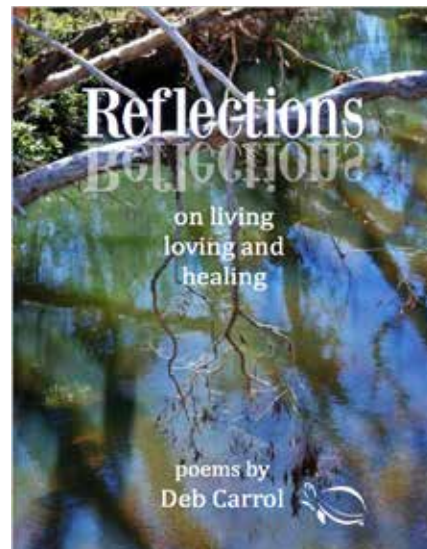

The Gazette will feature some of these poems in future editions. Thank you Deb.

## Down Memory Lane The first Schools in the Bauple area.

**1887 'Mt Bopple'.** The first school was the Mt Bopple Provisional School which opened on the 7th February 1887 and was situated on the southern bank of the Redbank creek. It closed in 1933.

**1901 'Raby'.** Raby State School, No. 966 was established by gazetted notice in Bauple township on 19 September 1900 and opened with 58 enrolments in 1901. (see pic below.) By August 13, 1920 a request was submitted for it to be called "Bauple" School was denied because the Mt Bopple Provisional School was only 3 kms north of Raby School. Nevertheless, on 16 May 1935, after the closure of the Mt Bopple School in 1933, the department of Education changed the name of the township school from "Raby" to "Bauple" State School.

## The Anne Report

Greetings friends and welcome to spring! Here are recent Small Community Development matters of note:

**Great Response.** A meeting was held of representatives of community organisations in all of our outer communities. I was thrilled by the number who attended and we did have apologies from some unable to send representatives but we will keep them in the loop. It was a good meeting with a sharing of ideas, issues and problems. Minutes were taken. At this stage, I have perused the draft minutes and have made notes of those areas where Council may be able to assist. The next stage is to talk to Council staff and then send out the minutes with actions proposed. There is no point in having a meeting without follow up action, even if it takes some time. The consensus of the group is that there will be a follow up meeting, probably in November.

**NBN Towers Approved.** At the last Council meeting, Councillors unanimously voted to approve town planning applications for the last three NBN sites in Glenwood. Due to physical constraints of land and development and limitations on NBN technology, it was impossible for the development applications to comply with town planning requirements. It was at that point that Councillors had to determine if the community interest outweighed the non compliance with the town plan (which is there to assist good community development). In this case it was determined by Councillors that the community interest far outweighed the town planning issues which primarily came down to visual amenity. We trust that we have made the right decision for Glenwood.

**FCRC Mobile Customer Service.** The other motion of note passed at the meeting was for a customer service provision to outlying areas - primarily a specially developed van, to be taken on a regular basis to the various outlying areas and providing such services as information on Council services, projects and brochures, some receipt of payments and logging of general enquiries, mobile second hand book exchange utilising excess books from the libraries and a capacity for community chats. An exact itinerary is yet to be determined and the construction of the van needs to be undertaken. It is my expectation that the service will start early in the new year (to avoid the Christmas break). This is a trial only and it really comes down to "use it or lose it". I am grateful to the Councillors and Council staff for the opportunity to trial this service to our outlying communities.

**Holidays.** I will be taking leave from 28th September to 15th October - with a view in part to seeing how other communities do things. I believe it is always good to take some thinking time and to look outside of ourselves for fresh ideas. Keep well and keep safe. Anne

## Gundiah School celebrates 130 Years with Cricket & Open Day

Over 130 years ago, the first students of Gundiah State school began their education. Those students gathered at the original site approximately on Tram Road from 1886. Student numbers fluctuated with local industry until the school was moved to its present site as an amalgamation of the Gootchie and Gundiah Schools in 1934.

**Saturday 5th November 2016.** Join present and past students and teachers for a formal ceremony and cake cutting then a BBQ lunch. Spread the word and sign up your team for a friendly cricket game for the afternoon.

**Familiar Faces.** Familiar faces far and wide, come and support our celebration, share your stories and sign our guest book.

## Independent Rates Review

15 September 2016. Council is looking for a company to undertake an independent review its rates structure.

Finance Portfolio Councillor Rolf Light said, "The primary objective of the review is to develop a simpler and equitable rating structure."

Council collects \$78 million in general rates from 49,871 properties across 33 different general rating categories. It also collects \$67.6 million in water and sewerage charges; \$16.6 million in waste charges and \$4.2 million in other levies and special rates.

"The aim is to have the review completed by November 30, 2016 in time for the 2017/18 budget."

More information is available at on the Tenders and Quotes page [www.frasercoast.qld.gov.au/tenders](http://www.frasercoast.qld.gov.au/tenders).

## Mayor Loft should be supported for exposing systemic corruption

"The community must get behind Mayor Chris Loft and other Councillors in their push to have allegations of corruption involving previous Councils investigated by the Crime and Misconduct Commission (CCC). It appears there are quite a few people keen to deflect the truth, agitate and steer the community away from having the facts disclosed," Ms Jannean Dean said today.

"It is of the utmost importance that we understand how things operate and I believe it is in our best interests to stop targeting the process or Councillors, as questionable dealings and murky arrangements have plagued our region for too long."

"I am extremely disappointed in the Queensland State Government. It appears they have done nothing to assist the Mayor and this has given him no choice but to bring the matter to everyone's attention."

"I am also led to believe that the Fraser Coast Regional Council (Council) has not supported the Mayor and nor has it provided staff to assist him in work needed to research serious issues of corruption. If the Council has nothing to hide then it should be supporting our Mayor to undertake his work in cleaning up the region."

"I also urge everyone to exercise calm, stop, listen and be informed properly. We must also exercise patience as this will all take time. I encourage anyone with any information that may assist with the Mayor's investigations to contact either myself or the Mayor."

**We cannot stop natural disasters but we can arm ourselves if we 'Get Ready'**

Don't wait until the last minute when mother nature has chosen to unleash her fury—flood, cyclone or other natural hazard—to get ready.

Such events are not a regulated to Monday to Friday 9am-5pm timetable and, many times occur late at night, early morning and more than likely on a weekend. Doing the preparation now will serve to put you and your family in a stronger position. Prior preparation will go a long way to minimise the impact on your lives and the lives of your loved ones and others. It will also be an integral part of minimising any damage left behind.

**Start Now.** The Storm/Flood/cyclone season starts 1 November 2016 and runs through to the end of April 2017. So, why not 'Get Ready' now.

The Bureau of Meteorology have predicted there will be generally higher rainfall across Queensland this summer.

**Start Here.** What are some of the steps you can take to be prepared and 'Get Ready'? Here are a few only:

- Trim trees and overhanging branches
- Check the condition of the roof; clean the gutters and downpipes so water can flow away freely
- Check your home and car insurance
- Do you know where to turn off the water, power or gas supply.
- Don't forget about having an emergency kit or an evacuation kit.
- Work out a plan on what you are going to do with your pets
- Get to know your neighbours and in particular persons with a disability who

you may be able to assist.

- Be alert, tune into your radio or television for weather and warning updates
- Log on the Bureau of Meteorology website; follow Fraser Coast Council Disaster Management Facebook page or website

• Join the Disaster Management Community Coordination Committee established in your area—assist them to build community connectedness.

• Take time now to check:-

**frasercoast.qld.gov.au** (open up 'Community' and then go to 'Disaster Management' where you will find a wide variety of advice). Stay up to date on information when an event is predicted or unfolding.

**Getready.qld.gov.au** (information on preparation, actions and recovery)

**Bom.gov.au** Bureau of Meteorology  
**State Emergency Service** 132 500  
**Ambulance Service** Phone 131 233  
**Electricity (Ergon)** 131 670 (Life threatening emergency)

**Police/Ambulance/Fire** 000 (Life threatening only)

Above all else remember that disaster resilience is up to you and you do have a role to play and be prepared. FCRC

## Act, so your family and property are safe.

Preparation is vital when it comes to reducing the threat & severity of a bushfire. An unprepared property is not only at risk itself, but may also present an increased danger for neighbours.

Look at the simple things you can do, like mowing the lawn regularly & removing combustible materials like dry leaves & branches in gutters & yards to reduce your risks.

## Rossendale Tennis Club Inc.

**Fridays.** If you were to call into the courts on a Friday afternoon you would see lots of young players, from all around the district, enjoying the Hot Shots/ coaching sessions run by Coach Matt Watkins. Then on Friday night starting at 7 pm, you could join in the fun as club members participate in mixed doubles social tennis. The number of players varies as many of our members are globetrotters and retirees. Otherwise they are there having a laugh and a chat, while getting a good dose of exercise. What more could you ask for? Maybe another night would suit better or you might prefer to start your own night? Just ring and ask – it can be done!

**Get Active.** We would love more locals to get active and put 38 Bauple-Woolooga Road in their GPS so they too would find our little gem of a club. It's been operating there since about 1935 so it's probably time you paid a visit. For the many young adults around the area who played at the courts as kids - it has vastly improved since those days! We'd love you to think about making the time to hire the courts – day or night. It is only \$8 an hour for day hire and \$12 an hour for night hire. To join Rossendale Tennis Club you only pay \$30 for a year, \$10 for Juniors. So cheap!

**Term 4 Hot Shots/coaching** will begin on October 14th at the Rossendale Tennis Club. Please contact Matt on 0417 070 129 to book your child in for Term 4. Lessons will be held Friday afternoons from 3.30pm to 4.15pm for the Beginners group (ages 5-9) and 4.15pm to 5.00pm

Above: 2nd group Term 3 players at Rossendale Tennis Club with coach Matt Watkins (white shirt).

for Intermediate group (ages 10 and up). The program is for a minimum block of 7 weeks. Costs will be \$70.00/pupil or \$130.00 for 2 children in the same family. Loan racquets are available each week. **ALL PLAYERS WHO SIGN UP WILL RECEIVE THE NEW HOT SHOTS TENNIS SHIRT!** Cash payment or Cheques payable to Brett Cottrill please. Direct Deposit : B A COTTRILL BSB 014585 ACCT 583359786, with students name as reference. Get Started Sporting Vouchers are accepted to join the club and for coaching. "Congratulations" to all the kids and parents for getting involved in a sport that can last a lifetime.

**Our courts** are located at 38 Bauple-Woolooga Road – just off the Bruce Highway and opposite the southern Bauple entrance/exit. To hire courts contact B & C Maxwell on 41 292391 or J & L Kelman on 41 293212. See you at Rossendale! Mary-Anne Walters 41292589

## National Landcare Awards winner from Dagon

23 September 2016. The MRCCC is incredibly proud to announce Steve Burgess is the winner of the 2016 Bob Hawke National Landcare Award. This prestigious award celebrates individual excellence in the promotion and adoption of Landcare and sustainable agricultural practices. An amazing achievement for an amazing person and so well deserved. Congratulations Steve! [admin@mrccc.org.au](mailto:admin@mrccc.org.au)

Federal Member for Wide Bay, Llew O'Brien, congratulated Stephen Burgess, of Dagon, the winner of the 2016 Bob Hawke Landcare award, who was recognised at the National Landcare Awards gala dinner in Melbourne. Stephen Burgess has run Wurraglen Nature Refuge for nearly 20 years and has successfully developed the property, combining sustainable market farming and light grazing. Stephen's blend of

biological and organic farming principles combined with holistic management practices demonstrates every aspect of the Landcare ethic.

"Mr Burgess' contributions to Landcare will continue to make a real difference across the region long after his projects have been realised," Mr O'Brien said.

"The work of Mr Burgess is making a lasting contribution, not only to the health of our land, but to the economic and social prospects of Wide Bay.

## Bauple Economic Committee

Anne Maddern, as per the Council Resolution of 27th July 2016, appointed the following committee members to research and develop a plan for economic and community development for the Bauple Community:

**Joanne Coyne** (Chair), former Councillor with the Tiaro Shire Council, **John Cummins**, president of the Bauple Progress Association Inc, **Ann Cleary**, a new resident of Bauple with business and marketing skills, **Shawn Kelly**, experienced in business, marketing, tourism and real estate valuation, **Robyn Peach**, board member FC tourism & events.

This is only one step in the process to grow the economic and community development of Bauple.

Anne Maddern, Small Community Development

## Bauple Needs You!

•Do you have an idea, concept or suggestion that may benefit yourself and the growth of the Bauple region?

•Do you have a new business idea that you would be willing to share with us?

•Do you have a desire to contribute to the short and long term rejuvenation of the Bauple community and region?

We invite you to forward a written submission to us outlining your idea, business plan or suggestion, in particular:

- How your idea will boost the Bauple regional economy in the short, medium or long term, and
- What you think are the main obstacles that may hinder you in achieving your goal, and
- Your suggestions as to how to overcome these obstacles.

Your submission will be on the public record and will form part of the report presented to the FCRC Bauple Economic & Community Development Committee.

Deadline: Friday 12 October. [bauplecommittee@gmail.com](mailto:bauplecommittee@gmail.com) or delivered in a sealed envelope to the Bauple Museum, Attention to the Committee.

## Bauple Museum AGM

Bauple Museum's AGM was held 27th September. A very pleasant meeting was chaired by Cr Denis Chapman who designed the building and told of the amazing community spirit that built the museum. John Horex relayed the support Tiaro Council received from many regional businesses. A consultative board or trusteeship was discussed to ensure the objectives of the museum were held intact and future steering committees will have the benefit of collective wisdom. The new executive are Phil Johns, President; Jenny Mills, Vice President; Dianne Taylor, Treasurer; and Jenny Regal, Secretary.

**Sunday BBQ.** Exciting news is that the Sunday BBQs will now be held on the first Sunday of the month at 3pm. All welcome. Gold coin donation for sausage sizzle. Join in to make friends and meet your neighbours. *Jennifer Regal 0416002615*

## Roulettes visit Maryborough

**12 October, 2016.** Royal Australian Air Force Roulette Display Team comes to Maryborough Airport at 4:15pm. The Roulettes perform breathtaking displays, using only hand-eye co-ordination to fly at speeds of up to 590 km/h. The six Roulettes may experience up to 4.5G during a display in their PC-9/A aircraft. [www.airforce.gov.au/](http://www.airforce.gov.au/)

## Supporting local start-ups

Federal Member for Wide Bay, Llew O'Brien, said the Liberal Nationals Government's \$23 million Incubator Support initiative would provide matching grants of between \$10,000 and \$500,000 for the creation of new incubators in regions or business sectors with strong links to international trade, and for existing, high-performing incubators to expand their services. Applications are now open. [www.business.gov.au/incubator-support](http://www.business.gov.au/incubator-support). *Llew O'Brien MP*

## Scrabble Day Memorial

QCWA Gootchie branch Annual Scrabble Day was held on September 22nd 2016 with 21 people in attendance and 16 serious Scrabble players.

The day was in a way remembering Diana Wilson who instigated the original Scrabble Day Challenge in 2004, with the first contest in September 2005. Diana passed away prior to our day on September 13th after a long battle with cancer. Members were pleased that Diana was well enough to attend our August meeting; Diana will be missed by all who knew her. The winner this year was Grace Rae (one of our members who has recently retired to Redcliffe), second was Sue Olsen (Gympie) and 3rd was a newcomer from Maryborough Bronwyn Blair.

Diana's husband Don also came along for the day where he donated 2 of Diana's Scrabble boards for our use in future games, of which the Branch is most appreciative. Terry Tomsett was a great MC and organizer of the Scrabble games for the day, he and Grace drove up especially for the day. It was a great opportunity for everyone to catch up. *Lyn Kelman*

# MICHAEL WEEKES SAYS

**Who would have thought that the Fraser Coast was a hotbed of political intrigue?** What we get to witness is only a fraction of what must be really going on. From my involvement and discussions with many community groups, the cover-up / pay-off is reported to go something like this: *do not criticise the council, support who the bureaucracy wants you to support and you will get funding and find your life made easier. Alternatively, if you do criticise council or support the wrong councillors, you will not get funding (if you are a community group), projects approved, or if you are a business you might get lots of council inspections until they find something wrong, permits denied, or roadblocks.*

What this does is seriously undermine our democracy, freedom of speech and the faith of the citizens in the many good people who work for our council.

**Enter Mayor Loft,** who at the last election, promised to do a full review of problems at council and to fix them. Now it is clear to see that the power games going since then have prevented full implementation of this promise but at least he is following through.

I am frustrated that the public doesn't get to know more about what the allegations are, but I do respect that processes need to be followed. It is clear that there are systemic problems within the Fraser Coast Regional Council, and we will never know unless there is a full and independent inquiry into this organisation since inception.

**In the mean time,** though, the Mayor has my full support for standing up to the power games, deception and influence in politics and bureaucracy in this region. To those sticky ones involved in the cover-up; the more you prevent the truth emerging the more mud will stick to you when it all comes out.

*All the best, Michael Weekes. 0498 580 563 michael@michaelweekes.com.au*

# Tiaro Community

Another Annual Meeting over, this time Tiaro District Community Centre Inc.'s (TDCC). The new Executive for 2016-2017 is President: Ian Roberts, Secretary: Gail Nancarrow, Treasurer: Judy Nancarrow.

**Emergency Help.** Mal Churchill presented a mobile phone to help with the communication side in the event of an emergency happening in our area, for this we thank FCRC. We were presented with a Defibrillator and a new First Aid Kit at a separate meeting earlier in the year. There will be on-going training for all those that would like to help out, in an emergency.

**Volunteers.** If by chance you have some spare time, and have a love for helping others please contact us and join our busy team. Our Meeting is the 3rd Monday of the month at 6pm. Membership is only \$5.00 a year, covering you with insurance while you are volunteering your time. The Radio, and Broadband for Seniors all come under TDCC's insurance.

**Community Markets** held on the 2nd Saturday of the month at the Memorial Hall need your support. Fruit and veggie stalls are in great demand, as are all stall holders, so please contact us and come along. All sites are free, running from 7.00am-12noon.

**Tiaro Broadband for Seniors,** now have five tutors, working Mon, Wed, Friday, 9.00am-1.00pm, Tuesday and Thursday, 10.00am-3.00pm. Do drop in if help is required, or just for a chat, you are most welcome.

Contact TDCC Secretary Gail Nancarrow 41292237.

## NEWS IN BRIEF

### School Leavers' Guide for Year 12 students

Federal Member for Wide Bay, Llew O'Brien, has released a School Leavers' Guide for year 12 students.

"The 2016 edition of the School Leavers' Guide is a useful resource, containing a range of information that is designed to help year 12 students prepare for life after school," Mr O'Brien said.

"Year 12 students have many choices and decisions to make about the future and it's important to consider all of the alternatives and the support that is available to help them reach their goals."

"The School Leavers' Guide provides a summary of the options, including education and training, financial assistance, employment programs, and other information, which may help to inform those decisions."

"The guide will be distributed to secondary schools in the Wide Bay electorate. It is also available by telephoning my office on 1300 301 968."

## Miva Branch News

Miva members are busy preparing for their Spring Fair, (see poster) and will also help at the Munna Creek Music Festival the following week.

At their September meeting they chose to support Brunei as the Country of Study for 2018, and discussed Resolutions to be voted upon at State Conference in October.

International Officer, Stephanie Mitchell, spoke on whales and other wildlife in Greenland, noting Northeast Greenland National Park is the world's largest national park.

Seven Miva members attended the Gympie & South Burnett Division AGM at Tin Can Bay. Miva still has two members on the Division Executive - Bev Schloss (Zone 3 Vice President) and Katrina van den Brenk (Marketing & Publicity Officer - a new position) - as well as Branch President, Lyn Bunkum. LB

## Bauple Bash

The 2016 Bauple Nut Bash was another community success, with plenty of kids enjoying the free activities including, jumping castles, rock climbing wall, Apex train rides, fairy floss, games and Nut Cracking competition due to sponsorship by Maryborough Apex Club. Adults enjoyed the variety of market stalls and art and craft displays & raffles run by the Bauple Progress Assoc. Thanks to the Bauple School P&C and the Bauple Band Hall for providing great food for the afternoon and night. Entertainment throughout the afternoon and night was supplied by Merv the Minion music man and our very own Bhopple Faeries with 'The Shills' performing on stage after another awesome display by the Mad Ron's jet truck and Vulcan Fireworks.

The Nut Cracking competition was hotly contested with Ben Smith from U.K. being the ultimate winner and Bec Coote from Bauple coming in second. Ben managed to get 15 whole kernels in the 3 minutes. Thanks to Matt & Mary for sponsoring the Nut Cracking Competition.

As always the tug-o-war was a popular activity and thanks to Tiaro Pharmacy for their support. The afternoon was kept running smoothly by our very own MC - Mary, and a big thankyou to Helena for her great Minion piñata, that unfortunately had to be destroyed for the kids to enjoy the contents.

Thanks also to F.C.R.C., Bruce Saunders M.P. and Beach to Basin Plumbing for their support and to our small committee of helpers. *Debbie Brischke BDRGA*

## 2016 Melbourne Cup Day Tuesday, November 1st

Gootchie QCWA will again be holding our Annual Melbourne Cup Day with all the usual fanfare: Prizes for the prettiest hat, the lady wearing the colours of the Winning jockey and of course a great Sweep. There will be raffles and a monster Tombola held during the day. Doors open for morning Tea at 10am.

A reminder that we have changed our meeting day to the second MONDAY of the month at 9.30 am with craft to follow. This day suits more people and we are hoping we may attract some new members.

Please contact Lyn Kelman on 4129 3212 or Secretary Amber Chapman 0429 798 641 *Lyn Kelman*

Above: The Prize Draw for Grenfell Street Nursery's holiday for two mentioned in our August issue, was Daphne Fry from Bauple. Drop in to say hi to Karen Fawke at her lovely nursery on the corner of Grenfell and Bruce Hwy in Tiaro and enjoy her small patch of paradise.

The editor gets to meet an array of interesting characters in the course of duty. A recent new-comer to the area is Bruce, who has contributed some excellent trivia and prose to the Gazette. Look out for more each month...

## Use By Date

Lyrics by Bruce Johnston

Well they gave me the pension  
Now I can grow old  
Just sit back and watch me retire  
I'll sit here and drink tea  
And smoke too, I think, see  
Until my use by date expires.

(Chorus) Some people grow old  
Some people stay young  
Some go fishing and liar-ing  
But I'll sit here I think  
And have another drink  
Until my use by date expires

Now when we are old  
or so I am told  
we all end up sick, no joke  
Is it the wine, beer or spirits  
or something else?  
No, its (cough) (cough) them  
bloody old smokes.
