## Young entrepreneurs get a hand 'app'

"It takes guts to start your own business, especially for young Australians. They are creating jobs and opportunities, and the Government is taking practical steps to help them." "The new app includes a record-keeping tool, cutting small business taxes, and the \$20,000 instant asset write-off programme," Mr Llew O'Brien said.

Download ASIC's First Business App or visit 'Plan & Start' on [business.gov.au](http://business.gov.au) for valuable information including: checklists, ideas, and advice about planning and setting goals. LOB

## \$150,000 makeover for Tiaro RV site

Work started on the Tiaro RV site on 1st March. (above). RVers are directed to Petrie Park and Bauple.

**Fraser Coast Council demonstrates support for RVs.** The Council has started work on election promises for the Tiaro area with it's upgrade to the RV site.

"The project... should take around seven weeks to complete," Small Communities Development Portfolio Councillor Anne Maddern said.

Darryl Stewart, President of Tiaro & District Chamber of Commerce said, "I'm happy about money spent in our region! We are looking forward to attracting more RVs. More travellers means more business."

Local company Q Civil will undertake the works which includes drainage improvements in Inman and Price Street, a new concrete driveway to make entering and leaving the site easier, planting grassed areas, fencing and footpaths linking to existing footpaths through the Tiaro Memorial Park.

Unfortunately the site will be closed as the work is undertaken.

**Bauple wants RVs too.** 1st March also saw Council unanimously pass their response to the Bauple Committee Report with approval for costs to be managed via the normal procedures.

The Bauple Economic and Community Report, among other things, reiterated the community's desire to have RVs come to town.

Phil Jeffs, President of the Bauple Museum said, "We rely heavily on the RVs coming to town. At the end of the day, if we don't have RVs coming through the town, we've lost 90% of our visitors. We rely on their donations to help support our efforts and to keep the museum open."

"We are really excited the report was passed. We are looking forward to a professional consultant to help plan the best RV site for Bauple," said John Cummins of the BPA who has been tasked with implementing the report and liaising with Council on behalf of the community.

**Consultant?** The Community Report recommends Council hire a consultant to determine the best location for an RV site. However Council's response completely ignores this recommendation and instead tasks the community to decide between two site options.

Anne Maddern said, "It is considered that this matter [professional consultant] can be addressed under item 38 of the Council's response at a future date."

The Gazette asked Mrs Maddern for clarification of item #38 because her statement was in direct conflict with the unanimous Council resolution.

The Gazette has received no response 48 hours after request made. GG

# GUNDIAH COMMUNITY CHRONICLE

Edition Number 82

Well, readers I am not going to mention anything about rain as I will now suggest we moved from our farm to reside in the sandy straights of Hervey Bay even the bigwigs in the Electorate Head Quarters are confused or is it they now more than they are saying, on the serious side my feelings go out to the farmers caught in the drought and hope and pray they can ride it out.

## YOUR NURSERY

For all the keen gardeners in our area (and I am one), let me remind you that the Council's Coast Community Nursey is open the first Thursday of every month. I suggest you pencil it in your diary. Volunteers from the Community Environment Program work hard to propagate native plants for the regions parks, gardens and conservation projects, and, sulphas stock is on the cards at the right price!

The volunteers also will help and offer advice about native plants. The nursery is located at the Hervey Bay Botanic Gardens at Urangan. The first market will be held on Thursday MARCH 2ND 9AM TO 11AM

## LOCALS WIN TOP AWARD

**Tiaro Tourist stopover** wins top award for their motel. David and Narelle Lightbody received the 2017 Gold List making them one of the best providers in the country. Good on you David and Narelle! (Incidentally, they were also sponsors of the Carols In The Country – thank you guys!)

## JOKE OF THE MONTH

Three retirees, each with a hearing loss, were playing golf one fine March day. One remarked to the other, 'Windy isn't it?' 'No,' the second replied, 'it's Thursday.' And the third man chimed in 'So am I. Let's have a beer.'

## Writing your Story...

OR per Sunrise: "The Story of my Life 8. This month's task is to write about "The house of your growing up": What did it look like? Was it a house, a farmhouse, an apartment? Can you remember the view out your windows? What was your bedroom like? What was your doll or animal's name? Did visitors knock or ring the bell? Did you eat in the kitchen? Was milk delivered? Was it a quiet house? Was there a tv? Library?

## RURAL NEWS

### Applying for Individually Droughted Property status

With ongoing dry conditions in our area, affected primary producers should consider applying to the Queensland Government for an Individually Droughted Property (IDP) declaration in order to access Drought Relief Assistance Scheme programs.

These include freight subsidies for transporting fodder or water, or for the Emergency Water Infrastructure Rebate. Assistance with other government fees and charges may also be available.

Further information on IDPs is available on the Dept. of Ag website. [www.daff.qld.gov.au](http://www.daff.qld.gov.au) and follow the links. Or call 13 25 23 and ask for an application form. In considering an IDP, producers are encouraged not to self-assess but to go through the application process to find out if they meet the criteria.

The Department of Agriculture and Fisheries Climate Risk Coordinators are available to assist producers understand what they need to know for their individual circumstances.

This area is co-ordinated from Kingaroy office of DAF Ph. 41600717

The State Government usually revisits shire declarations in late March/early April at the end of the usual wet season period, with a Ministerial decision likely after Easter.

The number of IDPs provides evidence towards determining if an area should be declared drought affected by the Minister. Even if your application is unsuccessful, it helps to send a strong signal to Government that all is not well. Also it assists the local drought committee to make a fair determination and, if appropriate, a strong recommendation to the Minister.

### Cane farms to improve reef health

The Coalition Government will invest close to \$10 million for two new projects to help cane farmers at Maryborough, Mareeba, Innisfail and Cairns implement new practices to improve to improve on-farm nutrient management which will enhance the quality of water entering the Reef.

"By working together we can help address the threats and pressures faced by the Reef in a more effect manner," said Llew O'Brien. "The Coalition Government has committed a total of \$210 million to the Reef Trust."

## Remember this?

The Hoover 0307 Single Tub Washing Machine with hand wringer, was the first machine by Hoover at the Merthyr Tydfil factory, South Wales, UK.

It consisted of a single metal tub with the famous "Hoover Boiling Action Pulsator", a spinning disc in the side of the tub which produced swirling currents of water through which the clothes were moved.

It was a basic design, it didn't even have a switch, you just plugged it in and switched it on & off at the wall socket. As it had no electric pump, after washing you simply laid the hose into a bucket or drain, the empty hole in the base of the tub is very small but the vortex it produces is very powerful and it drains very quickly.

This model was great for the smaller family home as you could place it under a sink draining board or in a corner of the kitchen without taking up too much space, a great advantage over a copper or wash boiler.

It was last manufactured in 1957 after selling 325,000 of them. To use, simply fill it with hot water, add your washing powder and switch on for a minute to dissolve the soap powder, then add the clothes, around 4lbs (2kg) dry weight, and wash cottons for around 4 minutes and synthetics & delicates for 2 minutes. After washing you would feed the clothing through the hand wringer to force out the excess water.

*Technical Data: Height: 30 inches, Width: 16.5 inches, Depth: 15.5 inches, Weight: 69lbs (31 kg), Motor rpm: 1425, Pulsator rpm: 560, Water Capacity: 6.75 gallons (25.55 litres) Wattage: 300, Amps: 225/250v AC 50cycles*

This model is on display at Mt Bauple & District Museum.

## The Gibraltar of the Orient

DIGGER NEWS

**February 15** was the 75th anniversary of The Battle of Singapore, also known as the Fall of Singapore that was fought in the South-East Asian theatre of World War II when the Empire of Japan invaded the British stronghold of Singapore—nicknamed the "Gibraltar of the East"—shortly after the invasion of Pearl Harbour. Singapore was the major British military base in South-East Asia and was the keystone of British imperial interwar defence planning for South-East Asia as well as the South-West Pacific. The fighting in Singapore lasted from 8 to 15 February 1942 although this was preceded by two months of British resistance as Japanese forces advanced down the Malaya peninsula.

**About 80,000** British, Indian and Australian troops became prisoners of war, joining 50,000 taken by the Japanese in the earlier Malayan Campaign.

The British prime minister, Winston Churchill, called it the "worst disaster" in British military history. Almost 15,000 Australians were taken prisoner when the island was surrendered to the Japanese. The only Australian decorated in this campaign was Lieutenant Colonel

Charles Anderson, Commanding Officer of the 2/19 Battalion. He conducted a fighting withdrawal to Parit Sulong during which he and his men were cut off and suffered heavy casualties. Anderson led them through four days of heavy fighting in a bid to reach Allied lines. For his leadership, his protection of his own wounded men, and for repeatedly risking his own life Anderson was awarded the Victoria Cross.

Anderson was taken into captivity on 15 February 1942. He endured the misery and squalor of being a prisoner of war, commanding "Anderson force" on the Burma-Thailand Railway. Despite a high rate of death and illness, "he maintained a high level of morale among his men ... all of whom would have followed him to hell and back". After the war he returned to farming. In 1949 he was elected to parliament as Country Party member for Hume, New South Wales, and served three terms.

# The Anne Report

Hello everyone. Another month has passed. How quickly time flies and it is time to update again.

**CEO** Fraser Coast Regional Council recently terminated the contract of Lisa Desmond, the Chief Executive Officer.

This decision was not taken lightly but it was done in the best interests of the Council and the capacity of the organisation to move forward. As Councillors, we are focused on doing the job we were each voted in to do, and believe that it is essential to hire a new CEO who can lead the employees in a positive way and fulfil the mandate of Council.

There will be many changes in the way Council operates over the next few years as we have commissioned a number of reports into various areas of Council and these reports have come back with significant recommendations which will be implemented in an ongoing basis.

**Small Community Development** Advisory Group Meeting: 9.00 am to 12.30 pm, 2nd March 2017, Reception Room, Maryborough Town Hall.

**Peter Kenyon Workshop:** Monday 3rd April, 8.30am to 1.00pm, Brolga Federation Room. RSVP

Peter Kenyon comes from Western Australia. He is a well known expert in assisting small communities to develop their talents into commercial and community opportunities and events. He has a web site called "Bank of I.D.E.A.S." which showcases many of the ideas that other communities have taken up and developed.

Here is the opportunity for you and other members of your communities to come along and listen to an inspiring speaker and maybe pick up and develop an idea that suits your community. I'd love to see you there.

**Budget:** The budget process is underway and I have noted many of your requests to put into the budget process while being aware that works delivered will be on a priority basis. If you have anything further that you think is needed and the cost justified, please let me know in the next week or so.

**Rates Review Committee:** The rates review committee continues to work through the process of trying to ensure that rates are fair and equitable across the whole of the Fraser Coast Regional Council. A big thank you to community members who have given much time to this process. There is still a way to go, with modelling on impacts being undertaken by the consultant. This has turned out to be a very big but necessary job and the consensus of the committee is that we need to take as much time as necessary to ensure we have the best possible outcome.

Until next time, best wishes

Anne Maddern FCRC.

**COMMUNITY WORKSHOP**

These workshops will provide an exciting overview of the practical tools required to create vibrant and successful communities, outstanding initiatives and new partnerships for growth.

**"Vibrant and enterprising communities and small towns require innovation, entrepreneurship and strong local leadership"**

Peter Kenyon, Bank of I.D.E.A.S. founder is a social capitalist and community enthusiast who has worked with over 2000 communities worldwide to facilitate fresh and creative ways that stimulate community and local economic renewal.

**COMMUNITY WORKSHOP**

When: Monday April 3  
Location: Brolga Federation Room  
Time: 8:30am - 1:00pm  
Target Group: Representatives from the Fraser Coast Small Communities Advisory Group Progress Associations.

Pictured above: Derryn Hinch meets with Jannean Dean in Canberra

## "It is time to get real in the dealing of healing"

Jannean Dean of the Glen Lazarus Team, and resident of Hervey Bay said, "Recently I spoke at Parliament House on the assault on our democratic rights when it comes to medical cannabis. Derryn Hinch offered to join Jeanette Maynes and myself a day earlier when we were discussing the National Sex Offender Register and attended shouting 'free the weed'. It is entirely hypocritical that cannabis is not available to treat a multitude of human problems and illnesses."

**Cannabis medicine** should be made available to all those that may benefit or need it. Cannabis is one of the most valuable natural plant medicines, treating glaucoma, epilepsy, asthma, insomnia, eating disorders, muscle spasms, cancer and the list goes on.

Cannabis has served mankind for thousands of years and it could rejuvenate rural Australia. The phobia and inhibitions people have about cannabis would be better put aside and recognise this is not a drug related crop."

**Jobs, jobs and more jobs.** Why are we not attracting the growers and a vital industry to the Fraser Coast?"

## Tiaro Pharmacy celebrate 6 years with Tea & Cake

**Fazel Tims** is grateful for all the support from his customers over the past 6 years and has a good relationship with Tiaro Medical Centre as well many medical centres in Maryborough. "6 years is a good start! We are planning to be here for the long haul," said Fazel, owner and pharmacist who has invited locals to drop in for some Tea & Cake on 15th and 16th March.

**Besides their friendly service,** low wait times, easy parking and 'can do' attitude, Tiaro Pharmacy offer free blood pressure testing, Webster packs (medication packing service), and, have a Justice of the Peace available in store on Tuesdays and Thursdays.

Fazel encourages his customers to call ahead if they are coming from out of town, to ensure they can fill your script on the spot.

"We have a nice range of giftware on sale at the moment," reports Carolyn, who invites everyone to come in for a great bargain.

Come and see Fazel, Carolyn and Tamal Monday through Friday, 9am-5pm, at 2 Inman Street, phone 4193 9212. GG

## Bauple's 2017 Student Council Representatives

My name is Lara Walmsley and I am very excited to introduce to you the student council representatives of Bauple State School for 2017. We have Jack Thompson who has been voted in as secretary, Amelie Brischke, who has been chosen as treasurer this year and I am very happy to say that I have been chosen for the role of president this year. We have already come up

with some ideas for our school where we can raise funds and have fun and hopefully learn some things along the way. Between our student council team, school captain, teachers and fellow students, I know that 2017 is going to be a great year of achievement for Bauple State School. This year we will give and achieve only our best!

## Theebine School News

**Four New Preps!** Theebine State School is enjoying 15 students in Term 1. We have four fantastic Preps who are coping with our routines and have fitted in wonderfully with the help of our very caring 'older' students.

In Science, we have been having fun with an investigation of magnetism.

The Preps, Year 1 and Year 2's are learning to respond to picture books. The Year 3's are reading great text 'Matty Forever' and investigating evaluative language to write their own narrative. The Fantasy novel, 'The Silence of the Forests', is our Year 5 novel. The year 5's are discovering how to analyse character development to write a fantasy chapter. Thanks to Mrs Crossley all students now have a reading pillow.

Mrs Schelbach and Mrs Mac went to a Jolly Phonics workshop in Brisbane last Friday. The early start and long day was a very worthwhile. With our 4 new Preps it was a great reminder of the importance of phonemic awareness and it also gave us some new ideas to help students to improve reading and spelling. We have mostly been playing inside

during the hot weather and enjoying our air-conditioning. Any play outside has been based on 'getting wet'!

We are looking forward to our first excursion to Mooloolaba tomorrow, Friday 24 for Surf Skills. *JMC Theebine SS*

## Easter Meet'n'Greet

Theebine Hall's Easter Meet n Greet is on Tuesday 11 April. Starting at 6pm, there'll be the usual BBQ along with raffles, entertainment and supper at the Easter Meet n Greet. ## Water cycle tours

Fraser Coast Regional Council is holding a free water cycle tours in Maryborough (Tuesday, March 21). The bus tour will provide an opportunity for residents to learn more about the region's water treatment plants, the water treatment process, water conservation and reuse methods. See: [frasercoast.qld.gov.au/wbw-community-education](http://frasercoast.qld.gov.au/wbw-community-education).

To book your place, email Carol. McKeough@frasercoast.qld.gov.au or phone 1300 79 49 29.

## Significant Tree Register

The Fraser Coast Regional Council launched the Fraser Coast Significant Tree Register to help the community and the Council ensure that particularly significant trees were recognised and appropriately managed.

"All trees are important in their own way, but like anything, there are some that hold particular significance, be it for historical, botanical, environmental or cultural reasons," Cr Seymour said.

There are currently seven trees on the Significant Tree Register. Submissions for trees to be considered for entry on the register can be made online: <http://www.frasercoast.qld.gov.au/significant-trees>

## Monthly market for native plants

## Bauple Scout Group doubles in size

**Wow!!!!** Reaching out and inviting new kids to join did it pay off! Yes Sir, an increase of over 50%!

**Party & Awards.** Our breakup Xmas Party at Rann's place was fun with a 'Joseph & Kynan moving up to the Scout Section ceremony', a Nerf Gun Capture-the-Flag battle, slippery dipping and 'Boomerang cooking' for Natalie, Maya, Joseph, Kynan and Luke. Those 5 Scouts have now been presented with their **Golden Boomerang**. There is only one award that above that – the **Grey Wolf Award**. It's been a long time since this was awarded at Bauple Scouts, but it looks like that drought may be broken by our Natalie.

**More Fun.** Last weekend we camped out at **Craignish Scout Ground** and had a whale of a time playing on the beach and splashing around in the water. We did various challenges, fished, cooked on a fire and enjoyed a Treasure Hunt among heaps of other things.

This weekend we have Abseiling and Archery. Next month we have planned a canoeing campout at Dunethin Rock on the Maroochy River.

Oh yeah! The 'out' is in Scouting at Bauple Multi Section Scout Group!

**Come and visit** us sometime! We meet Thursdays from 4.30–6.30pm at Bauple Recreation Ground, Forestry Rd, Bauple. Our Scouts are between 6 & 18 years and we always welcome new members, leaders and parent helpers.

Find us at Queensland Scouts and Facebook 'Bauple Scout Group'. Call Leanne / Darren Phali (Scout Leaders) 04811-25024. Harmen Fabriek (Joey/Cub Scout Leader) 0466-187-803. (Group Leader Sandra 041818-5442 will resign on 31 March).HF

Top and Right: Campfire hot chocolate is the best. Fishing at Craignish.  
2nd Row: Singing around the campfire with Rann. Sliding at Christmas.  
3rd Row: The Awards Ceremony at our break up.  
Bottom: Our Scout pontoon on the dam. What a life we have!

## Find a Frog in February

As at 24 February MRCCC had 300 frog sightings representing 22 of the 42 species that reside in the study area. Three of the threatened species of the area have been located.

Close to 60 people have made an extra effort to make a note of what they share their patch with.

The Queensland Museum's guide 'Frogs of Southeast Queensland' is available for free to those who send in their frog records this month. See [www.mrccc.org.au/find-a-frog-in-february-citizen-science/](http://www.mrccc.org.au/find-a-frog-in-february-citizen-science/) or email the MRCCC at [admin@mrccc.org.au](mailto:admin@mrccc.org.au) or phone on 07 5482 4766, 0408 749 162

## News from Tiaro

**Tiaro District Community Centre**  
Firstly, I would like to thank the many folk of Tiaro and district for nominating me as Citizen of the Year for the Fraser Coast. I am very humbled and honoured to receive such an award.

**Tai Chi.** The John Horrex Room is now ready for the usual Tuesday morning Tai Chi 8.30am-9.30am, having new people arriving weekly, and more enquiring about Tai Chi. Do come along for some relaxing, easy exercise on Tuesday mornings.

**Broadband For Seniors Tutors**  
are being kept busy, and are anxious to see what changes will take place in the near future. Our new Ipad and Tablet and new printer have arrived, and the

Tutors are keen to help anyone wishing to learn them. If you're having a problem with any computer learning visit the helpful guys and gals at the Tiaro BFS. Their aim is to please.

**The Friday Social Group,** and the Gardening Group will hopefully start to shine in March, the weather hasn't been kind to gardeners, but with many prayers we could see some water from the skies next week, making all farmers and gardeners happy folk again.

**Tiaro Radio.** John has struck gold, gaining a couple of extra hands to help out in the radio room, and maybe another coming on board soon. Keep listening, see if you know the voices on 107.1 your local radio. Sponsors will be needed to keep us on air, so please give this some thought in the future.

## Lillian stars in "Having a Voice"

Lillian Coyne (above) and Phyllis Klupp are the first subjects for the Fraser Coast Libraries' oral history project – Having a Voice.

The Maryborough Library will screen a film featuring Lillian and Phyllis for the first time, to launch this project during Women's Week. The event will be introduced by former mayor Barb Hovard, on behalf of the Maryborough Wide Bay and Burnett Historical Society Inc.

Deputy Mayor George Seymour said that the project was about recording and preserving different aspects of the region's history. "There is history all

around us in the memories of people. We want to make sure this history isn't lost."

The screening will be on Monday 6 March at 11am. It is a free event but bookings are essential by contacting the library on 4190 5788. FCRC

Above: Deputy Mayor George Seymour and group leader Margaret Wroe inspect the memorial for Robert Travis who was a Maryborough merchant.

## Friends of the Cemetery

The Friends of the Cemetery group is finally at take off stage thanks to the hard work of volunteer Margaret Wroe and Council staff.

The recent completion of a Conservation Management Plan allows Council and the Friends of the Cemetery group to work together to preserve the cemetery's heritage values, in particular monuments of local significance.

The group will co-ordinate volunteers in monument cleaning, top dressing, weeding, placing plot numbers on graves and assisting with garden maintenance.

"The Maryborough cemetery is a really important heritage site," Deputy Mayor George Seymour said.

If you would like more information about the group or would like to volunteer, please email Margaret via [margaretwroe@bigpond.com](mailto:margaretwroe@bigpond.com).

## Tiaro QCWA News

The new Units are now occupied with happy tenants. We are fortunate to have 4 units in Tiaro fully occupied long term.

**Hoy** has started up again, being held on the 2nd and 4th Wednesdays monthly.

Sorry ladies I got you all excited about the air conditioning, but was advised we need to upgrade the power first, which will cost about the same as the air con. We CWA ladies will find a way to keep you cool & happy while doing your craft or playing Hoy, you can count on us.

**Hoy+Tombola** Wed 12th April 11am.

A "BIG" thank you to CWA&Lions Ladies for entering me in the Australia Day Awards- a lovely surprise, and a great honour. Gail Nancarrow.

Above: The Gootchie Girls eagerly wait for the photography competition to be judged.

## GOOTCHIE GIRLS GOSSIP

Well, we started the year off by having our annual spring clean but it was so very hot the rooms got no more than a 'Lick and a Promise' but looked good. Our first meeting of the year was very good and we have 2 promised new members for when the memberships are due that's a positive step forward for the new year.

We discussed our Branch contest day which was on today and although we were few in numbers it was a fairly good day financially and a very good day of fun and friendship. We had 60 entries in the photographic section and 4 in the dressmaking section. All were extremely good in their own categories. Sandra Groundwater Kelly was our judge for the day and a hard job picking the winners:- Rachel Loveday won various 1sts & 2nds. Karl Chapman won various 1sts & 2nds. Dakotah Marengo won various 1sts & 2nds. Leam Loveday 1sts & 2nds. and Jesse Hewson won various 2nds.

We also had Sheryn from Maryborough to give a "Lorraine Lee Linen Party" which was lovely such beautiful linen, Towels and household 'stuff' etc.

Lyn was absent again being still up at 'Carnor' Nr. Darwin where their son

Matt is still quite poorly but Amber did a terrific job pulling us all into line and organizing it all. Well done Amber!

We have such a lot going on through the year that we hope you will come and join us for fun and friendship. And as we all pray for the rains to come for us and all who need it, remember, *some-day everything will make perfect sense*, so for now laugh at the confusion, smile through the tears and keep reminding yourself that everything happens for a reason.

Pauline and the Gootchie Girls

## Busy Start for Miva

The first meeting of the QCWA Miva branch for the year in February was a chance to get together and have a good catch-up chat. The Rooms had been cleaned and cupboards sorted by June Nahrung and Lorraine Gardiner during the holiday break. Thank you.

**International** Officer Stephanie Mitchell attended the State International weekend in Maroochydore. Speakers also included the Treasurer and South Pacific Area Vice President of the Associated Country Women of the World (ACWW). Back at Branch, Stephanie gave an introduction to Nepal and recommended "Friends of Nepal" facebook page for good photos.

**Our ANZAC Day Service** plans are well underway. This 11.00am Service is run by the Branch at its Rooms each year, with a light lunch served afterwards.

**Social Media.** The branch will open a facebook page and a gmail account for branch use.

**A Miva Book Club** has recently been started-please contact Caroline Butcher on craigcaroline@bigpond.com

**Shed.** We need a storage shed for storage of items we own, so prices for the buildings, foundations and labour are being investigated.

**Miva Branch's 90th Birthday** will be celebrated in 2018 so plans are being formulated. Miva's Stephanie Mitchell recited a poem she wrote for Miva's 75th Birthday in 2003.
