

GUNDIAH GAZETTE

COMMUNITY NEWS ACROSS THE TIARO DISTRICT

OCTOBER 2017

Judges check the level of 'schmickness' of over 60 entries to select 15 winners for the Father's Day Show & Shine at the Royal Hotel in Tiaro early September.

On Father's Day each year the Royal Hotel and members of the Social Club of Tiaro & Surrounds Inc. (SCOTS), get together and organise Tiaro's Annual Father's Day Show & Shine.

This year's event had a fantastic number of entrants and was attended by around 300 to 400 car and motor bike enthusiasts, mums, dads and children who came along to admire the bright shiny coloured, sparkling chrome machines with deep black tyres on display. One could hear Dad's telling their son's about their own stories and adventures of similar cars and bikes they once owned.

Some highlights they saw on the day were the 1960 DKW Bumblebee, the Hagon, and Gilera Jubilee 1959, the bright red hot rod known simply as 48, and the 1942 Blitz Jet. There was something to get the hearts beating of anyone with the slightest of passion for the smell of petrol and those gleaming machines, so admired by all who see them.

The winners: MOTOR BIKES- Vintage pre 1970, Alex with his Gilera Jubilee 1959; See page 2.

Above: Wesley McDonald, 12yo, is on a winning streak, taking the poddy calf ride at Kenilworth in September and at the Gundy Pub on Labor Day weekend. He is being sponsored in part by Gundy Pub & EastCoast Images.

Gundy Pub Bull Rides making history

Next year is the 150th anniversary of Gundiah's Prince Alfred Halfway Inn on the Cobb&Co Coach route from Maryborough to Gympie. Some say it is the longest standing liquor license in the area.

This year, Dan from the 'Gundy Pub' as it is more commonly known, is making history as he has sponsored a series of Bull Rides, teaming with Weller Productions to create a very popular event that attracts people from all over Australia to compete and spectate. This year's Finals will be held Sunday 10th December, 2017, 1 pm start. **The 2018 Gundy Pub Jackpot Super Series** (\$20,000 in cash and buckles to be won) dates are: Round 1 Saturday February 3rd, Round 2 Sunday April 1st, Round 3 Saturday July 21st, Round 4 Sunday 30th September, Finals Saturday 1st December 2018.

Another young fellow who is making history is Wesley McDonald, 12, (see p7)

GUNDIAH COMMUNITY CHRONICLE

Edition Number 88

Well good readers, 86 days til Christmas... hint, hint.

I do feel sorry for the weather reporters on the news each night trying to make it sound like there's a possibility that "it may rain." At this week's markets, the problem discussed amongst us old boys was 'Rain' and 'Where are all the bloody dams?'

The Death of a Whale. Mum and Dad, I suggest, will have to explain to their young children the reason why sometimes whales have to be put to sleep... such as was the baby whale this week. A sad event considering all the hype we have about whales.

Thanks. The Hervey Bay Base Hospital, Ambos and Police I would like to take this opportunity to say thank you for looking after me last week, hope it does not happen again.

Our Gavin. Well, if you recall last month, Gavin had a run in with the Fisheries Dept for fishing in a green zone, but he was not charged if he purchased the relevant maps etc. Fancy expecting him to use and understand them! Well, he thought that he would be safe if he went up the river outlet instead. WRONG! He threw the anchor out and baited up 8 lines and went to sleep. When he woke, he found the dingy had circled with the tide causing his fishing lines to wrap around one another... I wonder if he ever got home?

Todays joke Drunk, Ole Mulvihill staggers into a Catholic church, enters a confessional box, sits down, but says nothing.

The Priest coughs few times to get his attention but Ole just sits there.

Finally the Priest pounds 3 times on the wall. The drunk mumbles, "Ain't no use knocking, there's no paper on this side either."

Ute, Sonya and Mick with their Holden HZ 1977; and Peoples Choice, Gillian and Sam with their Holden Torana 1978.

The day was a huge success with many market stalls, entertainment for the children and lots of food and drinks—a great community atmosphere throughout the day!

A big thank you to the Royal Hotel Tiaro, Phil and Toni and staff for organising such a fantastic day. Thank you to Simon our MC and all our sponsors, who come to the party every year! A special thank you to SCOTS members ALL the volunteers who gave their time and skills in setting up, running the event and packing up at the end of the day. And thank you to everyone who came along and supported our special Annual event in Tiaro.

Gavan Berger President SCOTS.

Remembering

The Remembrance Day ceremony will be held at the Tiaro Memorial Park at the Cenotaph on Saturday 11th November at 1050 for 1100.

This will be held in conjunction with the community markets and we ask the public and stall holders attending to respect the ceremony, the reason for it, and the inconvenience it may be considered to be by some.

Any group, or person, wishing to lay a wreath at this remembrance ceremony, can contact Tony Pope 0408 988 081. A limited number of wreaths can be supplied.

Members welcome. Any person interested in joining the Tiaro sub branch can also contact Tony as new members are always welcome. *Tony Pope RSL*

Armistice Centenary Grants

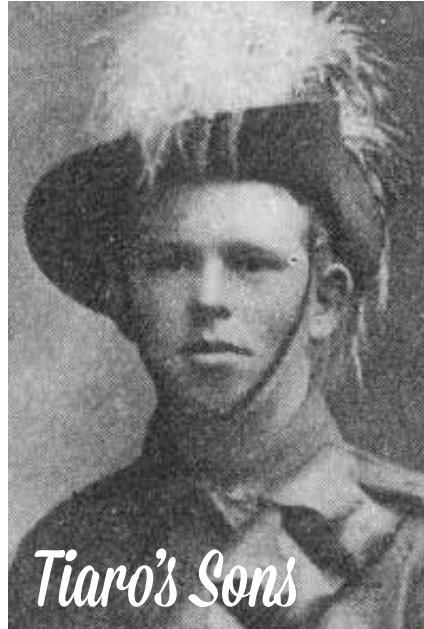

"Next year, Australians will pause and reflect on the 100th anniversary of the end of the First World War. Australia's population was less than five million people, yet 416,809 men enlisted, of whom more than 60,000 were killed and 156,000 wounded, gassed, or taken prisoner," Federal Member for Wide Bay, Llew O'Brien said, encouraging ex-service organisations and community groups to submit expressions of interest for funding local commemorative projects to mark the 100th anniversary of the end of the First World War in 2018.

Funding from \$3,000 to \$50,000 is available to support local community projects and activities that commemorate the end of the First World War, and remember Australian service men and women from all conflicts.

Expressions of interest should be emailed to Llew.O'Brien.MP@aph.gov.au by 5pm on 13 October 2017.

Organisations selected to apply for funding can submit their applications between 11 November 2017 and 28 February 2018.

More information is available at www.dva.gov.au or by calling 1800 555 254.

Leonard Howard Neilson

*Gunner, Service Number 20850. WW1
9th & 12th Aust. Field Artillery Brigades.*

The Gazette previously published a story Sept 2014 on LH Neilson, but much more has come to light about this 'big' young man from Gundiah since that issue.

Leonard Neilson was born 5 Jan 1896 to Detlef and Rachel Neilson of Mountain View, Gundiah. His father was from Denmark and his mother from England and they had married in Maryborough. Leonard was one of 13 children. His mother died in 1905 when he was 9, and his father remarried 5 years later.

Leonard described himself as a labourer when he enlisted at the age 19 (but claiming he was 21) on 15th November 1915. He was assigned to the 9th Field Artillery Brigade, 33rd Battery as a Gunner. After training he embarked from Sydney on board HMAT A8 Argyllshire, 11th May 1916, landing in Devonport on 10th July 1916, and then to the battle fields in France on the 6th Jan 1917 and assigned to the 12th Battery in Feb 1917.

Leonard was killed in action in Belgium on the 25th September 1917, aged 21 years. Eyewitness reports said "Len" had

been killed by a shell at Zillebeke. The shell had exploded just outside his gun pit and a splinter had taken the top of his head off, killing him instantly. The ground was held.

His fellow soldiers described "Len" as well built, "big in every way". He was fair haired with brown eyes, 146lbs and 5' 9 3/4", although most claimed he was "almost 6 foot".

Leonard Howard Neilson is buried Plot 7 Row A, Grave 16 in The Huts Cemetery Dickebusch Belgium, 3 miles from Ypres. His awards were the British War Medal, Victory Medal, Memorial Plaque and Scroll.

He was reported missing and an enquiry was made into his death late 1917 and confirmation of his death and burial was sent to his father dated 6 October, 1919. Photographs of the grave site were sent with pamphlet, scroll, memorial plaque and medal in 1922. These were but small consolation. LEST WE FORGET

GARDENING TIPS

BY KAREN FAWKE

Well, spring is finally and truly into gear even through the dry conditions we are experiencing. A welcome relief of rain will hopefully be here soon.

Aussie Bees. This month I want to talk about our little Australian native bees. They are stingless and if you look at them long enough you find yourself relaxing. They are here in my nursery all the time dancing and floating about on the flowers. Keeping Australian native bees is a hot topic in Australia mainly for environmentally reasons. Our honeybees have been declining, spurring people on to conserve Australian native bees. These bees are a non intimidating member of the ecosystem. They do produce delicious sugarbag honey in a small quantity but more often or not they are kept mainly for a pollinating source. Some reasons you may want to keep a hive are contributing towards the protection of the species, as forests and trees are being logged even more today destroying their native habitat. Some of us are allergic to the honeybee stings and find that keeping Native Bees are more beneficial.

Hobby farmers may prefer native bees to pollinate their fruit and nut trees. A great education for children, to show them first hand how native bees pollinate.

Certain native bees are attracted to plants the pollen of which is contained in tube flowers. They use a method called buzz pollination to access the pollen, vibrating the flower to make pollen spurt out. A static electricity charge then draws the pollen back to cover their bodies. As they move from flower to flower the process is repeated, resulting in correct pollination.

I have just received a colony of native bees in the nursery. They are amazing little creatures; doing their bit to safeguard our native plants; existing and co-evolving with native plant species for millions of years.

If you are interested in native bees why not pop into the nursery and have a peak for yourself. Until next time...

Music at Munna Creek

Once again the Munna Creek Hall will come alive and rock to the sounds of the annual 2017 Munna Creek Country Music Festival from Thursday 19th to Sunday 22nd October.

The Music Festival has been an annual event since 2011 with proceeds helping to restore the historic Munna Creek Hall. From a sad state of disrepair about a decade ago, the hall has been restored to a community building of which the district can be proud. Future developments are planned and will include completion of hall painting and expansion of sporting facilities.

The Festival has grown substantially over the years with 300 vans camped on the Recreation and School Reserves last year. Many country music lovers arrive early at the beginning of the week, to set up camp and take advantage of the tranquil bush setting which surrounds the hall. They also enjoy the informal music sessions which occur early in the week before the main program begins. An Ecumenical Church Service is held in the hall on the Sunday before the Festival starts. This is followed by a shared picnic lunch in the hall.

Monday night and Tuesday there is the opportunity for budding entertainers to walk up and perform on the stage in the hall.

Above: Flashback - some of the 'Munna Creek Mob' from 2015. L-R Clarrie Weller, Lindsay Waddington, John Lloyd, Eleanor Carless, Kerry McDonald, Aita Ree, Amy Ross, Greg Ross, Don Richings, Allan Blowers, Lex Kunst. The Music Festival raises funds to restore the Munna Creek Hall.

Wednesday sees the setting up of the stage outside and final preparations completed. Wednesday night kicks off with a barbecue followed by an old time dance complete with supper. This is when the Hall Committee starts catering for the event. Home cooked meals will be available at very reasonable rates for the duration of the Festival. There is no bar (BYO alcohol) but water and soft drinks will be on sale.

Main Program. On Thursday the walk-ups move to the stage outside and the main program begins on Friday with invited artists performing through to Sunday.

A Poet's Breakfast, hosted by Gary

Fogarty, a professional bush poet who won the inaugural Australian Bush Poets Association Championships in 1995, is held at 7:00am on Saturday and Sunday mornings. Supported by other professional poets, Gary will present his poetry. Space will also be available for walk-up poets to entertain.

For a fantastic time in the bush with like-minded country music lovers you must attend the 2017 Munna Creek Country Music Festival from Thursday 19th to Sunday 22nd October at the Munna Creek Hall on the Bauple - Woolooga Road.

Arsenic Poisoning in NT

Story by Lyn & John Kelman via Trev Keightley.

Lyn Kelman got a call on January 3rd this year, from the Darwin Hospital. Her son Matt said he had been admitted with vomiting, diarrhoea and had collapsed from dehydration.

Intensive Care. Matt was in the intensive care unit for over a month before they diagnosed him with Arsenic poisoning. They had been testing for Diabetes, Leptospirosis, Q Fever and Brucellosis. He also developed shingles, and was placed in isolation. By the time they moved him into Rehab (end of April), he was in a wheel chair as he had no feeling in his hands or legs.

An Arsenic treatment drug sourced from Germany was administered intravenously for 2 weeks and then supplied in tablet form. With no case of Arsenic poisoning ever documented in the NT, the doctors were perplexed by Matt's paralysis.

Matt's business has been running their property "Carmor" and clients were booked for Safaris, so Lyn cooked for a month until they found a permanent cook. John was out chasing the buffalo. In the mean time, they searched for the source of the Arsenic and it was thought that came from the sinkholes that Matt was digging for the cattle. Buffaloes will not drink from troughs, and Matt was in the habit of taking a swig of the water to see if it was salty or brackish. *It would appear Matt's part time activity was 'drinking buffalo under the table'.*

Testing for arsenic will have to wait for the dry season. If the holes contain Arsenic, you can imagine the amount that Matt drank.

Left: Matt Kelman loading buffalo on the truck after his stint in intensive care.

Right: Matt and Anita in Queensland later this year.

Discharged. Matt was discharged from the hospital in early May. He was determined to get back walking, and he has since thrown away the wheelchair and walking aids, although he's a bit wobbly walking in the paddocks. Our spies sent us a photo of him climbing on the truck loading Buffaloes.

The bright side. A lovely lady named Anita, his nurse, is helping Matt, and we all wish them both the best for the future.

Gundy Pub Bull Rides Making History

(From page 1) from the Mary Valley QLD, who has been competing in rodeo for 3 years now and loves it. Wesley who lost his father at the age of 3 to brain cancer, travels to rodeos each weekend with his mum who is a sports photographer. He loves the challenge of the sport and the fact he has positive male role models in his life.

Wesley is sponsored by the Gundy Pub which helps with his nomination fees each week. As Wesley is now 12, next year he will step up from the Poddy calf event to the Steer Ride.

He loves camping out with friends at different places each weekend. Wesley puts half of his winnings away in the bank and is already saving up for his first car (a Dodge Ram).

Wesley is always willing to lend a hand at rodeos whether it be helping set up the P.A, offering to carry things for the rodeo queen or lending his rodeo gear to beginners just starting out. He is hoping with some more sponsorship he will make it to the USA in the next few years to have a look at the rodeo scene over there.

Gundiah. All of these people are making history and yes, you guessed it, all in the thriving metropolis of Gundiah! Make sure you save the dates for next year's bull rides and keep your eye out for 150th Anniversary events. *Gazette*

The Anne Report

Hi Everyone, *Be proud and tell the world about our Fraser Coast.* That is the lesson I learned from a caravan holiday around Queensland. We travelled up through central Queensland to the Tablelands, up to Cooktown and then down the coast and all the time I was looking to see how others have done things and how we compare. We compare very well! Our RV facilities (low cost, free and commercial) are some of the best, our Visitor Information Centres are able to provide a wide range of activities including paid and free (much more than in many places) and our park facilities are right up there with the best of what we saw. So again - BE PROUD AND TELL THE WORLD ABOUT OUR FRASER COAST!

Deferment of Rates for Drought Declared Primary Producers. If you have family or friends who are primary producers, please remind them that Council offers a facility for the deferment of rates given that the Fraser Coast Regional Council area has been "drought declared". Contact Council for details.

Small Communities. Now that I am back from leave, I've made a goal of catching up with all the small communities in the Fraser Coast as soon as possible. I've missed a couple meetings due to clashes with other events, so if there is something you need to raise with me, please, send me an email and we will work out a way forward.

Peter Kenyon Leadership Program for Small Communities: Just a reminder that there is the opportunity to be involved in a leadership program designed specifically for small communities. It does not need to be office bearers or members of community groups - just interested members of the community. If you would like more details, contact myself or Melissa Dower (melissa.dower@frasercoast.qld.gov.au). Keep safe and pray for rain.

Kind regards, Anne

What's Your Plan?

Gday all, Well it's well and truly fire season combining with storm / cyclone season. The Fraser Coast Region has experienced some significant fire events at Walligun, Eli Waters and Burrum Heads. Thankfully nobody got hurt, however it's a pertinent reminder to get your "What- If Plan" established.

Community Coordination Committees (CCCs) came together for the first time for a forum at the Maryborough RSL on the 14th September to help CCCs understand their counterparts' resources and capabilities, strengths and weaknesses, and will be run every 3 months.

The first "Get Ready Days" will start on October 7th at the Howard Country markets. if you would like to run a Get Ready Day, or even to come and speak with your group or school please send an email to me at brendan.guy@frasercoast.qld.gov.au

Cat registrations to be refunded

Council will refund all cat registrations and infringements paid after October 21, 2014 totalling \$365,000.

"We technically have no legislative power to require our residents to pay for cat registrations. The Council has considered this matter and decided that the right thing to do is to refund the money," Fraser Coast Regional Council CEO Ken Diehm said. Council has also decided that it will no longer require cats to be registered.

"Council will maintain its strong focus on its Responsible Pet Ownership and school-based education programs," Environment Portfolio Councillor David Lewis said. *FCRC*

Bauple RV opportunities explored

A consultant's report into options to boost the RV facilities in Bauple will be taken to residents of the town for feedback. *(The report available on the council website recommends Bauple Community Shed as the ideal facility for managing and hosting RVs.)* Finding a suitable RV site in Bauple has been the focus of intense debate and investigation.

The benefit of attracting RVs to the region has been highlighted in Maryborough.

"The establishment of the city's second RV parking facility, at the Maryborough Airport, and gaining RV Friendly status has been fantastic for Maryborough," Cr Maddern said.

Feedback from businesses has shown an increase in visitors and the length of time they are staying.

"The Maryborough Military and Colonial Museum reported 60 visitors a month in May, June and July is an increase on usual patronage," Fraser Coast Mayor Chris Loft said. Some visitors were only going to stop overnight but extended their stay for up to five nights to take in the city and its surrounds. "It's not just the tourism industries and cafes that are benefiting," the Mayor said. *FCRC*

LOCAL COMMUNITY

Baloo retires after 30 years in scouting

Everyone knows 'Baloo' a.k.a. Sandra Tomlinson of Bauple Scout Group. Although not one of the original founders, Sandra had been a mainstay of the group for the past twenty years.

Bauple Scout Group's inaugural Committee Meeting took place on 9 May 1996. Scout Meetings starting very soon thereafter.

Sandra Tomlinson, 'Baloo', moved from Serina (where she was a Cub Scout Leader between 1986 and 1998) to Bauple Scout Group in 1998.

She started as a Cub Scout Leader but later became the Group Leader and now, after a wonderful stretch of community service, retired on 31 March 2017 to do more camping and scout-like stuff travelling around the countryside.

Baloo was a real 'Pocket Rocket' to the Group with a firm but fair approach loaded with indiscriminate empathy.

Her most faithful 'team member' was Vickie Willcocks who served the Group from around 2000, first as Parent Helper, then as Chair Person until 31 March 2017.

"Bauple Multisection Scout Group is going through a rejuvenating process at the moment with new Leaders and a steadily increasing membership. We now have a Venturer Section (14-18years) and do more and more adventurous activities.

"Over the years, our membership numbers went up and down like a yoyo. It was down to 3 Youth at some stage! During that time Sandra brought our scouts to Maryborough.

"It is without doubt that apart from the inaugural four years, these two ladies have been the Pillar Stones of Bauple Scout Group's 21 years existence," said Harmen Fabriek, acting Scout Leader.

'Rann', Harmen Fabriek 0466-187-803.

Immunisation Facts

While immunisation rates in Australia are usually high, with more than 93% of five-year-olds vaccinated, Mr Llew O'Brien said it was important that immunisation rates across Wide Bay are as high as possible to prevent the spread of dangerous diseases, especially to new borns and at-risk members of the community.

"Research has shown that when people are fully informed about the benefits of vaccination, they are more likely to vaccinate," Minister Hunt said.

"The best way to protect all children from these diseases, is to make sure your child is fully immunised."

The Gazette is pleased to announce we will feature articles by local, long-time journalist Pete Kelly in our monthly issues.

WTGG Cricket Team hits a 6 in Gympie

On August 25th 2017, our cluster of small schools (Woolooga, Theebine, Gunalda and Gundiah – WTGG) came together for a spot of cricket. We ran a MILO T20 Blast School Cup to give all students an opportunity to be a part of a team and enjoy a good old Australian tradition!

It was a fun day with many families from across all four schools joining in and sharing their competitive edge with the students. Students developed their batting, bowling and fielding skills in a safe and fun environment. On the day, Wayne from QLD Cricket, chose a team of 9 to represent our cluster of schools to play in Gympie on September 14th 2017. The best from all schools would battle out with Gympie schools. The ultimate goal in the kid's eyes was to win the whole competition and play on the Melbourne Cricket Grounds at the Big Bash.

When September came around, the students and few staff travelled to Gympie in a little bus but with great hope and determination. According to the students, they played well as a team and had a lot of fun together. They played 3 separate games and as stated by Natalie from Gundiah, "faced some very fast bowlers from the other teams". In the end though, our WTGG team came second and were selected to go to the next round of competition!!! They came away with smiles on their faces and passion in their hearts to keep going on. The students said the secret

to winning was simple, "hit the ball and run" as well as "be aware of what's happening around you while you are in the field". A special mention of the top performers on the day were Riley from Woolooga and Rhianna from Gunalda. The team also wanted to mention Kiaya from Theebine who they thought was the best batter on the day.

The next round of games will be held in Maryborough and we wish our WTGG Cricket Team, all the best as they show those big schools, what a bit of passion from students in the bush can create.

SCOTS show their stuff at Dunga Derby

As everyone is aware the Social Club of Tiaro and Surrounds Inc (SCOTS) and the Royal Hotel Tiaro, sponsored a car in the recent "Rally for a Cause" charity run. The event took place over 4 days in August and visited many Queensland towns north and west of the Wide Bay Region.

Our car #08 scots, for the event was lovingly repaired and modified to rally standards and driven, repaired along the way, and maintained by Terry McKinnon, Jake McKinnon, Trevor Davis (Tiaro), and Paul Bell. The theme for the car during the event was of course "The Scots". So the boys dressed appropriately for every official and not so official event and outing along the way.

Congrats to the boys for a sterling effort throughout the event, raising \$3400.00. To achieve this the boys had to combat zombies, swim with tribal ware and show their all (under the kilts) for a special presentation. They managed to capture all this on several videos. So, if you are game, head across to facebook and checkout their shenanigans. Just search 'car #08 scots'.

Winners. Congratulations to the overall award winners with the highest fundraising. They were: 1st - Karastrophy Wives \$20,172.00, 2nd - Big Red Car \$18,500 and 3rd - Will Not Fit \$9,000.00. Well done to all participants, sponsors and supporters. Its been a fantastic year with over \$220,000 raised that will stay in the Fraser Coast Community, supporting families and individuals with life-limiting medical conditions or experiencing a personal tragedy. More information on the rally and charity is available at www.rallyforacause.org.au.

News from QCWA Miva

Miva Branch is part of the Gympie & South Burnett Division of QCWA. The recent Division AGM was attended by five of our members. Bev Schloss was elected as the new Treasurer of the Division, whilst Katrina van den Brenk continues as the Division Marketing and Publicity Officer and also DVConnect Convenor.

Winners. At Division Finals Day the Floral Art Contest was entered by members Jane King, Lorraine Gardiner, Stephanie Mitchell and Sue Newth. Jane's entry in the "Primary Product - Ginger" category will now go on to state judging in October.

Bunnings. At the end of busy

month in August, Miva Branch ran its very first Sausage Sizzle at Bunnings in Gympie. Members enjoyed the experience, and the funds raised will be very useful. Ethan Thomson from Chatsworth won the Bunnings Voucher raffled on the day.

Museum Meeting. Our next meeting will not be held in our Rooms but at the Bauple Museum. Wednesday 4th October is the date, starting at 9.30am, and after our meeting we'll visit the museum complex.

The Senior's Morning Tea went very well with about 70 people coming along to enjoy the morning tea and the entertainment. We shared the work with Tiaro QCWA, well done everyone.

Our Sausage Sizzle is on Saturday 14 October at Maryborough Bunnings. Enjoy a sausage sizzle for lunch! There's a raffle as well. You have to be in it...

Melbourne Cup Day. We always have a super time on that day, so come along dressed to the nines! Prizes for the best hat, wearing the winning jockeys colours and there's the sweep. We hope the exterior of our QCWA Rooms will have been painted so we should be looking quite 'snobby' and we will deserve the 'bubbles' by then.

QCWA Calendar Pinups. The Burnett Division has just announced a CWA Calendar for 2019 and you know what that means? Down the gym and watch those Diets! John has offered his Spitfire for us to hide behind.

QCWA is 95 this year and to celebrate they have just released a perfume '1922' and the magazine 'Ruth' has been going for a few months.

Prayers. Please keep Gail Warwick in your prayers as she is very sick in Marborough hospital. Thank you for your prayers for rain! So till next time...
